

E-Tools

Schedules e-Library (www.gsa.gov/elibrary)

Schedules e-Library is the online source for the latest contract award information for GSA and Department of Veterans Affairs (VA) Schedules, as well as Governmentwide Acquisition Contracts (GWACs).

Schedules e-Library provides information on which suppliers have a contract and what items are available, by using various search options—i.e., Contractor/Manufacturer Name, Contract Number, Special Item Number (SIN), Schedule Number, GWAC Name, or Keywords.

This program utilizes the advances of electronic commerce while providing access 24 hours a day, 7 days a week.

GSA Advantage!® (www.gsa.gov/gsaadvantage)

GSA Advantage!® is the online shopping and ordering system that provides access to thousands of contractors and millions of supplies and services. Although anyone may browse on GSA Advantage!®, only a federal government employee with a GSA SmartPay® purchase card or a GSA Activity Address Code (AAC) may shop on GSA Advantage!®.

e-Buy (www.gsa.gov/ebuy)

e-Buy, a component of GSA Advantage!®, is an online Request for Quotation (RFQ) tool designed to facilitate the request for submission of quotations for a wide range of commercial supplies and services that are offered by GSA Schedule and Governmentwide Acquisition Contract (GWAC) contractors.

For federal agencies (buyers), e-Buy maximizes their buying power by leveraging the power of the Internet to increase Schedule and GWAC contractor participation to obtain quotations that result in best value purchase decisions.

For Schedule and GWAC contractors (sellers), e-Buy provides greater opportunities to offer quotations and increase business volume for supplies and services provided under their Schedule contracts and GWACs.

- Geophysical Instruments
- Geophysical and Meteorological Data Collection
- Noise Measuring Instruments
- Liquid And Gas Analysis Equipment
- Hazard Detection Equipment
- Service and Product Support Options

Mechanical, Chemical, Electrical, and Geophysical Testing Services (Previous FSG 873)

- Mechanical Testing
- Chemical Testing
- Electrical Testing
- Geotechnical and Thermal/Fire Testing
- Other forms of Laboratory Testing and Analysis

Disaster Recovery Purchasing (Section 833)

Disaster Recovery Purchasing makes all GSA Multiple Award Schedules available to all state and local governments to enable them to respond and assist in the recovery from a disaster.

**DISAST
RECOV**

State and local governmental entities may use GSA Schedule contracts to purchase products and services in advance of a major disaster declared by the president, as well as in the aftermath of an emergency event. State and local governmental entities are responsible for ensuring that the products or services purchased are to be used to facilitate recovery.

This is a voluntary program for Schedule contract holders and state and local governments.

All GSA Federal Supply Schedule contracts are open to state and local government agencies for the specific purpose of disaster recovery only.

For more information visit: www.gsa.gov/disasterrecovery.
