ABOUT CKH CONSULTING, LLC:

CKH Consulting, LLC is a small business CPA firm offering powerful government contracting solutions in the areas of assurance, tax, accounting, and advisory to Federal, State, and Local governments. CKH operates from its headquarters in Atlanta, Georgia as well as its newest office in Hawkinsville, Georgia, and its 200+ employees located across Poland, Ukraine, South Africa, Greece, Azerbaijan, and Spain. We have deep roots in Atlanta supplemented by 20+ years of local expertise and international experience across the globe.

We reject the status quo of overpriced financial services with underwhelming results. It's simply not who we are. Instead, we are actively working to revolutionize the financial services space to deliver the greatest value through the best experience. Every interaction with CKH Consulting promises a blend of global insights with local precision, a partnership that feels personal, and a commitment to simplifying the complexities of payroll and financial management. Excellence isn't just a promise; it's who we are.

Global Reach With A Local Touch

Experience the CKH advantage: a **global network spanning eight locations** with nearly 200 dedicated professionals. We serve clients from our offices in United States, South Africa, Ukraine, Spain, Greece, Poland, and Azerbaijan. Our innovative business model prioritizes flexibility, communication, and unwavering support, ensuring you receive the attention and expertise you deserve.

White-glove Partnership

Discover the power of CKH Consulting partnerships, where best-in-class service merges seamlessly with customized solutions. With our **extensive expertise and adaptability**, we stand ready to meet your needs at every stage of your journey. We're not just a service provider; we're a long-term partner committed to your enduring success.

Compliance: Simplified

At CKH, we redefine compliance by **simplifying processes to amplify your greatness**. Beyond offering a service, we are dedicated to enhancing efficiencies within every engagement. Count on us to streamline your compliance journey, allowing you to focus on achieving your business objectives with confidence and clarity.

Trustworthy Excellence

CKH Consulting embodies trustworthy excellence, providing a meticulous approach that cultivates agility and delivers a competitive edge in an environment where precision is paramount. With our **CPA-led model**, you can know that your business needs are in the hands of seasoned experts who prioritize accuracy and reliability, granting you the peace of mind to focus on what truly matters: your success.

CUSTOMER INFORMATION:

1a. Table of awarded special item number(s) with appropriate cross-reference to item descriptions and awarded price(s).

SINs	Recovery	SIN Title
541219	541219RC	Budget and Financial Management Services

Service Contract Labor Standards: The Service Contract Labor Standards (SCLS), formerly known as the Service Contract Act (SCA), is applicable to this contract as it applies to the entire Multiple Award Schedule (MAS) and all services provided. While no specific labor categories have been identified as being subject to SCLS/SCA due to exemptions for professional employees (FAR 22.1101, 22.1102 and 29 CFR 541.300), this contract still maintains the provisions and protections for SCLS/SCA eligible labor categories. If and / or when the contractor adds SCLS/SCA labor categories to the contract through the modification process, the contractor must inform the Contracting Officer and establish a SCLS/SCA matrix identifying the GSA labor category titles, the occupational code, SCLS/SCA labor category titles and the applicable WD number. Failure to do so may result in cancellation of the contract.

LABOR CATEGORY DESCRIPTIONS:

Team Leader

Functional Responsibility: Manages project timelines and resources, coordinates the payroll team, communicates with stakeholders, ensures compliance with regulations, resolves issues, and oversees training. Their role is pivotal in ensuring the payroll is processed accurately and efficiently.

Minimum Education: Bachelors

Minimum Experience: 5

Required Certifications: None

Analyst I

Functional Responsibility: Analyzes payroll data, ensuring accuracy, and identifying trends or discrepancies. Generate reports to help manage payroll operations effectively, streamline processes, and ensure compliance with relevant laws and regulations. Their role also involves forecasting payroll expenses and assisting in the development of strategies to optimize payroll management. This helps the organization maintain efficient payroll practices and make informed financial decisions.

Minimum Education: Associates

Minimum Experience: 1

Required Certifications: None

Analyst II

Functional Responsibility: Focuses on complex analysis and strategic oversight of payroll operations. Lead in-depth data analysis to ensure accuracy, efficiency, and compliance with all regulatory requirements. Responsibilities include developing sophisticated forecasting models, identifying opportunities for process improvements, and implementing solutions to enhance payroll systems. A senior analyst also mentors junior analysts, provides leadership in decision-making processes, and collaborates closely with management to align payroll strategies with broader organizational goals. This role is critical in driving the strategic direction of payroll services and ensuring long-term operational success.

Minimum Education: Bachelors

Minimum Experience: 3

Required Certifications: None

LABOR CATEGORY DESCRIPTIONS (cont.):

Project Manager

Functional Responsibility: Oversees the planning and execution of financial optimization strategies. Manage project scope, budget, and timelines, coordinate teams, and ensure project deliverables meet organizational goals. This role involves critical communication with stakeholders and problem-solving to enhance financial processes and overall operational efficiency.

Minimum Education: Bachelors

Minimum Experience: 5

Required Certifications: None

Accountant I

Functional Responsibility: Manages financial records, ensuring accuracy in financial reports, and adhering to regulatory compliance. Play a key role in budget preparation, tracking expenditures against budgets, and performing cost analyses to support financial decision-making. Additionally, the Accountant assists in financial forecasting and modeling to aid strategic planning and resource allocation. Their expertise ensures that financial practices align with organizational objectives, helping to maintain fiscal health and accountability throughout the project.

Minimum Education: Bachelors

Minimum Experience: 2

Required Certifications: None

Project Director

Functional Responsibility: Oversees the overall direction and integration of financial management strategies within the organization. This senior role involves strategic planning, stakeholder management, and leadership across multiple teams to ensure the project aligns with the organization's financial goals. The project director sets high-level objectives, monitors progress, and makes pivotal decisions to navigate complex challenges. They also facilitate high-level communications and collaborations with key internal and external stakeholders to secure buy-in and resources necessary for project success. This role is crucial for driving significant improvements in financial processes and outcomes at the organizational level.

Minimum Education: Bachelors

Minimum Experience: 7

Required Certifications: CPA
