SIN(s)	Labor Title	GSA Price w/ IFF	Unit of Issue	
56131	Direct Placement, Talent Acquisition	20.15%	Of first year base salary	
Labor Title	Labor Description	Minimum Education	Minimum Experience	
Direct Placement, Talent Acquisition	Our recruiting team performs an initial job analysis breakdown on the role before we conduct a scoping meeting with the client. During our scoping meeting, we carefully listen to specifics about the company, needs, processes, and specific nuances of the role and company. We then begin sourcing for the specific skills and seek qualified candidates who meet the desired skills and attributes. We can "sharp shoot" and target the best candidates in the marketplace and screen for the most qualified candidates with the best likelihood of performing well in the role. Once our candidates are thoroughly screened and vetted, we work closely with the client to introduce the candidates and submit them to efficiently facilitate the interview and onboarding processes. These positions range from entry-level to senior executive positions.	Bachelors	3 years	

**Service Contract Labor Standards:** The Service Contract Labor Standards (SCLS), formerly the Service Contract Act (SCA), apply to this contract as it applies to the entire Multiple Award Schedule and all services provided. While no specific labor categories/services have been identified as being subject to SCLS due to exemptions for professional employees (FAR 22.1101, 22.1102 and 29 CFR 541.300), this contract still maintains the provisions and protections for SCLS eligible labor categories. If and / or when the contractor adds SCLS labor categories / employees to the contract through the modification process, the contractor must inform the Contracting Officer and establish a SCLS/SCA matrix identifying the GSA labor category titles, the occupational code, SCLS labor category titles and the applicable WD number. Failure to do so may result in cancellation of the contract.
