SIN 511210 Software Licenses - Includes both term and perpetual software licenses and maintenance.

SIN	Manufacturer	Mfg #	Description	GSA Price
511210	AVILAR TECHNOLOGIES INC	LMS-001	Term Software License. Per User, per month. Avilar pioneered eLearning with the WebMentor LMS™ learning management system. It was the first SCORM-compliant [1] LMS on the market and remains a leader within the private, public and government sectors with users ranging from 50 to over 100,000. Avilar is recognized by Brandon Hall as a top price-to-value provider of learning management services and has received numerous awards for customer satisfaction and results.	\$4.79
511210	AVILAR TECHNOLOGIES INC	SKILLS-001	Term Software License. Per User, per month. Avilar's WebMentor Skills competency management system provides a systematic, improvable, and repeatable way to identify employee strengths and weaknesses, develop the most critical skills, and analyze skill and performance data to make informed workforce planning decisions. WebMentor Skills achieves this level of analysis by correlating data between three main sets of data; one for user and employee data, one for competency model and skills dictionary data, and one for training elements catalogued in the Learning Resources Library. The system is web-based allowing access by users and administrators, 24 hours a day, 7 days a week through any Internet-connected computer through any browser window including the most popular, Microsoft Internet Explorer and Mozilla Firefox. Optionally, the product can be licensed and installed at your facility. The system includes a strong security access model that ensures that only users with the required privileges get to see the appropriate data.	\$4.79
