Online access to LexisNexis public records content is available on a firm-fixed price (FFP) basis at the following rates. This content is included in several of the comprehensive research packages described in **CLIN C.3.1.9(Essentials, Enhanced, and Complete)**; it is also found in a majority of the risk and investigative solutions detailed below in **Volume II**.

LexisNexis® SmartLinx® Reports

Available through LexisNexis online research services, the SmartLinx report tool unites our unmatched public records collection with patented linking technology, an easy-to-use interface, and reports that deliver key information at-a-glance. Three types of reports are available:

- **Person Reports** that contain nationwide person locator, white pages, and death records information. While individual records may vary in content, most contain a person's name and/or initial, address and telephone number. Others may include a social security number and/or date of birth information.
- **Business Reports**, which compile information like assets, addresses, associates, lien, bankruptcy and more for public and private businesses as well as other organizations.
- **Location Reports** that contain categories of descriptive information about valid, deliverable addresses recognized by the U.S. Postal Service – including tax assessment, deed transfer, mortgage information, addresses, associates, and other information.

Key SmartLinx features include:

- **Flexible Search Capabilities:** Use intuitive search forms to search with as much or as little information as you have. Leveraging additional features, such as “Find similar sounding last names” and “Find nicknames of first name”, can help you further narrow searches and pinpoint persons of interest.
- **Patented LexID® Linking Technology:** Get more confidence in search results – more than 99% of records in LexisNexis databases have been uniquely identified and assigned a unique LexID

number. Intelligent linking technology accounts for typos, misspellings, and other data errors, so even “dirty data” can be aligned with the right person to help surface hidden relationships between people, businesses, and locations.

- **Comprehensive Reports:** SmartLinx lets users sift through billions of public records with a single search and create comprehensive, easy-to-read, rolled-up reports for persons, locations, and more. These reports include alternate names, addresses, contact information, relatives, associates, neighbors, and other hard-to-find details.
- **Potential Issue Flags:** Review search results filtered through more than 200 unique criteria that flag potential issues, such as an atypical address or a Social Security Number that is being used by more than one person.
- **Answer Set Roll-Up:** Reduce errors and increase the appropriateness of search results because similar names, nicknames and alternate spellings are correlated into a singular, organized entry.

Whether you need to leverage our search engine as a Software-as-a-Service (SaaS), or extend the application to use LexisNexis databases as Data-as-a-Service (DaaS), WSK is designed using World Wide Web Consortium (W3C) service standards. LexisNexis can also provide consulting services to your staff to assist in maintaining customized research applications. You can:

- Design the mechanism used to request information.
- Control how requests are packaged for sending to the Web Services Kit server.
- Control how retrieved XML data will be reformatted for presentation to the end user.

By using a Web Services development tool that supports the Web Service Description Language (WSDL), you can use WSDL files to build valid message structures and even handle the message exchanges between your systems and LexisNexis. Technical details for the LexisNexis WSK are

- Application neutral
- Platform neutral
- W3C compliant Web Services solution using an XML-based API
- WSDL file
- XML request/response
- HTTP protocol with SOAP messaging

The monthly WSK license fee is presented below. This pricing is based on these assumptions:

- A software license for the WSK tool kit, including updates.
- Access to LexisNexis certification and testing environments.
- Up to 25 hours of professional consulting services.
- User interface customization.
- LexisNexis content must be purchased separately.

Online Batch Processing

On-Line Batch makes it simple for customers with high volume data requirements to verify, update, or add to **information they already possess**.

When placing On-Line Batch orders, customers' pre-existing data files are uploaded to LexisNexis servers. The data these files contain is then compared against the information in LexisNexis many databases. Once the comparison is complete, a link to the verified, updated or additional data is then posted in a "results manager." Customers may then download the newly created data file to their own systems.

Because customer data files may contain up to 10,000 records at a time, this process eliminates the time-consuming task of performing what could have been 10,000 individual searches.

Authorized User Plan (AUP) Terms

LexisNexis®

Authorized User Plan

TERMS & CONDITIONS

- (1) The Authorized User Plan (AUP) enables an Agency to pay a flat monthly rate based on the Authorized Users. The AUP pricing is based on a "Level" System that is determined by the content and materials provided. The higher the level, the higher the value of the content and material, in addition to the sheer number of titles and files made available. A complete listing of products and services and their applicable level and AUP pricing is found within each product category.
- (2) This offering provides searching, browsing and printing at a predictable, flat rate price for an entire group or enterprise.
- (3) An Authorized User is defined as any professional or paraprofessional (attorneys, paralegals, investigators, librarians, researchers, agents, analysts and other persons) employed in professional or paraprofessional positions who conducts research on the LexisNexis services or any professional or paraprofessional who benefits from the research conducted by another user of the services. This plan is designed to allow all researchers and non- researchers to benefit from searching and receiving information, either directly or indirectly. Nothing in this plan can be construed to allow a small pool of users to conduct research on behalf of an entire department or agency. ID numbers can be utilized by only one user exclusively and cannot be shared.
- (4) A library or research center is eligible for the plan only if they can certify and document the total population served. Another alternative for a library or research center is the Volume Bonus Plan which also offers significant discounts for a large population.
- (5) This plan provides for adjusted levels of pricing based on the content of materials or product accessed and the number of seats purchased. Additional charges apply for adding seats during the year. Discounts increase as larger quantities of seats are purchased.
- (6) If a customer's number of full-time employees decreases significantly and usage drops below the monthly commitment amount, LexisNexis will renegotiate the monthly commitment amount in good faith.
- (7) All use charges, including searches, telecommunications, printing, accesses and LexisNexis Alert are included in the monthly Authorized User charge. All use is recorded at government per search rates.
- (8) LexisNexis will review customer's actual monthly use. If actual usage for 12 months is less than fifteen (15) times the annualized commitment amount, you can expect an increase not to exceed 10% for the following year.
- (9) In the event the actual use for 12 months exceeds fifteen (15) times the annualized commitment amount; or if usage exceeds fifteen (15) times the annualized commitment amount for three (3) consecutive months, LexisNexis and customer and/or GSA will renegotiate in good faith the monthly commitment amount.
- (10) LexisNexis reserves the right to exclude from this plan any features and materials added to the LexisNexis Services after the effective date or files which must be excluded from the Authorized User Plan due to new restrictions within contracts with source providers. Files that are currently excluded from the Authorized User Plan Level 6 full services menu are included within the "Exclusion Materials" lists.
- (11) General Terms and Conditions and Supplemental Terms for Specific Materials, govern the use of the LexisNexis Services.

Volume Bonus Plan Terms

LexisNexis® Volume Bonus Plan

TERMS & CONDITIONS

- (1) The Volume Bonus Plan offers customers the opportunity to purchase significant usage discounted off List Pricing at a flat rate, with no limitation on Authorized Users as defined in the LexisNexis General Terms and Conditions for Use of the Online Services (“Users”), in return for a guaranteed revenue commitment over time based on anticipated and actual usage.
- (2) The volume calculation is based upon the size of the customer (Number of users and anticipated revenue), database content, and their anticipated usage. New customers anticipated revenue is based on the product AUP list price. Existing customer’s anticipated revenue is based on the prior year’s revenue adjusted for usage.
- (3) The VBP offers customers significant reductions in their costs with no restrictions on the number of simultaneous users. If a customer remains within their committed purchased usage zone, the price increase for the following fiscal year will not be greater than 6%. A customer’s usage zone is defined by the committed usage ceiling and anticipated revenue. Any use above the purchased usage zone is used to calculate the price increase for the following year. No penalty will accrue in the current year for exceeding the purchased usage zone except as noted.
- (4) The yearly fee is calculated based on the size of the agency and the agency’s growth commitment. For this commitment, the customer will receive a unique zone of total allowable usage. All information charges, including connect, telecommunications and printing as well as subscription charges are included in the monthly commitment charge. All use is recorded at the underlying transactional prices shown in CLIN C.3.1.11. For those products and services available as an add-on to both the transactional price plan and the flat-rate VBP price plan, applicable products and pricing are found in the respective product sections.
- (5) For any customer who does not reach their annual commitment amount and who chooses to continue use of the Online Services, and upon request, LexisNexis will work with the customer to develop a mutually agreeable solution.
- (6) LexisNexis will review customer’s actual monthly use. In the event the average use exceeds the allowable usage amount described in the pricing section above for three (3) consecutive months or if 12 months usage exceeds the allowable usage amount described in the pricing section above times the annualized commitment amount, LexisNexis and the customer, upon request will renegotiate in good faith the monthly commitment amount.
- (7) General Terms and Conditions and Supplemental Terms for Specific Materials govern the use of the Online Services.
- (8) During the Term, Subscriber, with the support of LN, agrees to encourage the effective use of the LN Online Services through: (a) Mandatory basic training in the use of the Online Services by LN for all Authorized Users; (b) Meaningful participation in additional ongoing programs presented by LN to update and train Authorized Users; (c) Authorize the periodic distribution of memos or other communications by LN and/or Subscriber to Authorized Users; and (d) The periodic review with LN of Subscriber’s Authorized User’s use of materials and training under this Amendment.

VBP Usage Zones

Notes:

- Purchased Usage Volume = X Factor
- Higher zones correspond to lower discounts
- Higher zones purchase larger x-factors (i.e. larger X Factor should correspond to higher price) (volume multipliers)
- Higher contract values have greater x-factors and greater discounts available

- Future Year Pricing: A way realign the discount/zone number to the customer's usage.
- Example: If a customer is zone 1 at 1M, and uses 6M (6X), they would be 2 zones over. We would then be entitled to a maximum 10% increase for the next year. It is also assumed that for that new contract year, the zone would be adjusted to be in alignment with the discount they would be receiving.

LexisNexis® CourtLink Terms & Conditions

LexisNexis®

Courtlink

Terms & Conditions

- (1) In addition to transactional pricing, LexisNexis CourtLink offers two pricing plans to Federal Government customers providing budget predictability and better cost control. The Exploring CourtLink (ECL) and Per User plans are described below:
- (2) Exploring CourtLink (ECL) offers CourtLink's Alert, Search, and Track products to customers for a trial period of up to three months. A minimum \$250 commitment allows an unlimited number of users usage of up to 10x (e.g. a \$250 commitment would give the customers usage of \$2500; a \$500 commitment would give usage of \$5000). ECL contracts do not include Document Retrieval (Runner), CourtLink Express, or Assisted Searching which are priced transactionally.
- (3) Per User Pricing plan offers customers a subscription price based on the number of seats (e.g. 1 seat is \$95; 2 seats are \$165). The Strategic Profiles, Online Document Retrieval (PDFs), Alert, Search, and Track products are offered as part of the flat rate. Document Retrieval (Runner), CourtLink Express, and Assisted Searching are not included. Per User Pricing is subject to an abuse clause and usage escalator. If a customer exceeds 6x in one month, or 3x over a three-month period, LexisNexis CourtLink reserves the right to renegotiate the contract.
- (4) In order to properly size usage, it is recommended new customers begin with an Exploring CourtLink trial contract. This will allow three actual months to gauge usage and determine the correct price for a 12-month contract.
After a three-month trial, there are two contract options:
 1. If the customer has usage levels that are in line with LexisNexis CourtLink's Per User Pricing plan, the Per User pricing is available.
 2. If usage is significantly greater than what the Per User plan allows, LexisNexis CourtLink will work with the customer to develop a custom plan (e.g. if one user has been using \$2000/month during the trial period, moving that user to a \$95/month plan would not be feasible and LexisNexis CourtLink would develop a custom pricing plan for that customer).
- (5) LexisNexis CourtLink will monitor usage monthly. In any given month, customers can use up to 6x the contract price with no penalty. Over a three-month period, a customer can average up to 3x their monthly contract price with no penalty. If a customer exceeds either cap, LexisNexis CourtLink will ask the customer to restrict usage and/or reserves the right to negotiate a new contract.

1.3 Except as specifically provided in Sections 1.1 and 1.2, you and your Authorized Users are prohibited from downloading, emailing, faxing, storing, reproducing, transmitting, displaying, copying, distributing, or using Materials retrieved from the Online Services. You may not exploit the goodwill of LN, including its trademarks, service marks, or logos without the express written consent of LN. Additionally, under no circumstances may you or any Authorized User offer any part of the Online Services or Materials for commercial resale or commercial redistribution in any medium or use the Online Services or the Materials to compete with the business of LN.

RELX Group and the RE symbol are trade marks of RELX Group plc, used under license. Neither you nor your Authorized Users acquire any proprietary interest in the Online Services, Materials, or copies thereof, except the limited rights granted herein.

1.5 Neither you nor your Authorized Users may use the Online Services or Materials in any fashion that infringes the intellectual property rights, privacy rights or proprietary interests of LN or any third party.

Your use of the Online Services and Materials must comply with all applicable laws, rules and regulations.

1.6 Neither you nor your Authorized Users may remove or obscure the copyright notice or other notices contained in Materials.

1.7 Neither you nor your Authorized Users may use information included in the Online Services or Materials to determine an individual consumer's eligibility for (a) credit or insurance for personal, family, or household purposes; (b) employment; or (c) a government license or benefit. The term "consumer" is defined in the United States Fair Credit Reporting Act at 15 USC §1681.

1.8 Other provisions that govern use of the Materials are set forth in the applicable Price Schedule, the Supplemental Terms, online descriptions of files, online notices following source selection, and individual documents retrieved from the Online Services (collectively, the "Additional Terms"), all of which are incorporated by reference into this Subscription Agreement.

2. ACCESS TO SERVICES

2.1 Only your employees, temporary employees, students, partners/members, and contractors dedicated to performing work exclusively for you (to the extent those categories of persons are appropriate to your situation) are eligible to access and use the Online Services and Materials ("Eligible Persons"). Without limitation, external professional service providers such as attorneys, accountants, outsourcers and public relations firms are specifically excluded from being Eligible Persons. The term "Authorized User" means an Eligible Person whom you have identified to LN for purposes of issuing an LN ID. You agree that each LN ID may only be used by the Authorized User to whom LN assigns it and that the LN ID may not be shared with or used by any other person, including other Authorized Users. You will manage your roster of Authorized Users and will promptly notify LN to deactivate an Authorized User's LN ID if the Authorized User is no longer an Eligible Person or you otherwise wish to terminate the Authorized User's access to the Online Services. You are responsible for all use of the Online Services accessed with LN IDs issued to your Authorized Users, including associated charges, whether by Authorized Users or others. You will use reasonable commercial efforts to prevent unauthorized use of LN IDs assigned to your Authorized Users and will promptly notify LN, in writing, if you suspect that an LN ID is lost, stolen, compromised, or misused. You are neither identified on, nor shall you provide access to the Online Services to any individuals or entities identified on, (a) OFAC's list of Specially Designated Nationals ("SDN List"), (b) the UK's HM Treasury's Consolidated List of Sanctions Targets, (c) the EU's Consolidated List of Persons, Groups, and Entities Subject to EU Financial Sanctions, (d) any other applicable sanctions lists, or (e) any person 50 percent or more owned, directly or indirectly, individually or in the aggregate by a person(s) identified in (a) through (d).

2.2 Use of the Online Services via mechanical, programmatic, robotic, scripted or any other automated means is strictly prohibited. Unless otherwise agreed to by LN in writing, use of the Online Services is permitted only via manually conducted, discrete, individual search and retrieval activities.

2.3 To comply with local privacy, data protection and other laws, each LN ID is country specific and may not be used outside the country for which it is issued, except for short periods not to exceed 30 continuous days. If LN suspects use of an LN ID outside the country of issue for a period in excess of 30

continuous days, LN may suspend the LN ID or require you to use and pay for an LN ID for the relevant country. On request, LN will issue a geographically compliant LN ID.

2.4 The Online Services, Materials, and feature functionality within the Online Services may be enhanced, added to, withdrawn, or otherwise changed by LN without notice.

2.5 Subject to Section 2.4 above, the Online Services may contain a feature that will allow your Authorized Users to create work folders or work spaces (“Folders”) from within research sessions that are associated solely with their respective LN IDs. The Folders are designed to allow your Authorized Users to save copies of Materials made available by LN, as well as links to materials made available on the Internet or other documents that you or your Authorized Users' own or otherwise have the right to upload to Folders. Applicable charges for the Folders are listed in the Price Schedule. LN represents and warrants that: (a) the Folders will be under the exclusive control of your Authorized Users; and (b) LN will not access or otherwise review the content of Folders without your authorization. Notwithstanding the foregoing, LN may access or disclose the content of Folders to the extent necessary to facilitate features and functions of the Online Services and to comply with contractual and legal obligations including, but not limited to, an administrative or judicial proceeding. Authorized Users are solely responsible for the content of their respective Folders. You represent and warrant that the Authorized Users have the right and authority to upload any and all content to the Folders that is not provided by LN. Authorized Users are prohibited from uploading content to the Folders that is defamatory, libelous, pornographic or obscene, unless such content is reasonably related to professional responsibilities. In addition, Authorized Users are strictly prohibited from uploading content to the Folders that is unlawful or that is considered protected health information under the Health Accountability and Portability Protection Act of 1996 (HIPAA) or the Health Information Technology for Economic and Clinical Health Act of 2009 (HITECH). You agree to indemnify, defend, and hold LN harmless for any and all claims, damages, costs, fines and expenses that LN may incur as a result of you or your Authorized Users' use of the Folders or any content uploaded to the Folders, excluding LN Materials. Authorized Users are solely responsible for securing or saving the content of their respective Folders before the expiration or termination of this Subscription Agreement, if desired. LN has no obligation to provide the content of Folders to you or your Authorized Users after the termination of this Subscription Agreement. All LN Materials contained in Folders remain subject to the storage limitations and other license terms and restrictions set forth in this Subscription Agreement.

3. LIMITED WARRANTY

3.1 LN represents and warrants that it has the right and authority to make the Online Services and Materials available to you and your Authorized Users as authorized expressly by this Subscription Agreement.

3.2 EXCEPT AS OTHERWISE PROVIDED IN SECTION 3.1, THE ONLINE SERVICES AND MATERIALS ARE PROVIDED ON AN “AS IS”, “AS AVAILABLE” BASIS AND LN AND EACH THIRD PARTY SUPPLIER OF MATERIALS EXPRESSLY DISCLAIM ALL OTHER WARRANTIES, INCLUDING THE WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

4. LIMITATION OF LIABILITY

4.1 A Covered Party (as defined below) shall not be liable for any loss, injury, claim, liability, or damage of any kind resulting in any way from (a) any errors in or omissions from the Online Services or any Materials available or not included therein, (b) the unavailability or interruption of the Online Service or any features thereof or any Materials, (c) your or an Authorized User's use of the Online Services or Materials, (d) the loss or corruption of any data or equipment in connection with the Online Services, (e) the content, accuracy, or completeness of Materials, all regardless of whether you received assistance in the use of the Online Service from a Covered Party, (f) any delay or failure in performance beyond the reasonable control of a Covered Party, or (g) any content retrieved from the Internet even if retrieved or linked to from within the Online Services.

4.2 "Covered Party" means (a) LN and any officer, director, employee, subcontractor, agent, successor, or assign of LN; and (b) each third party supplier of Materials, third party alliance entities, their affiliates, and any officer, director, employee, subcontractor, agent, successor, or assign of any third party supplier of Materials or third party alliance entity or any of their affiliates.

4.3 TO THE FULLEST EXTENT PERMISSIBLE BY APPLICABLE LAW, UNDER NO CIRCUMSTANCES WILL THE AGGREGATE LIABILITY OF THE COVERED PARTIES IN CONNECTION WITH ANY CLAIM ARISING OUT OF OR RELATING TO THE ONLINE SERVICES OR MATERIALS OR THIS SUBSCRIPTION AGREEMENT EXCEED THE LESSER OF YOUR ACTUAL DIRECT DAMAGES OR THE AMOUNT YOU PAID FOR THE ONLINE SERVICES IN THE TWELVE MONTH PERIOD IMMEDIATELY PRECEDING THE DATE THE CLAIM AROSE. YOUR RIGHT TO MONETARY DAMAGES IN THAT AMOUNT SHALL BE IN LIEU OF ALL OTHER REMEDIES WHICH YOU MAY HAVE AGAINST ANY COVERED PARTY.

4.4 TO THE FULLEST EXTENT PERMISSIBLE BY APPLICABLE LAW, NEITHER YOU NOR THE COVERED PARTIES WILL BE LIABLE FOR ANY SPECIAL, INDIRECT, INCIDENTAL, OR CONSEQUENTIAL DAMAGES OF ANY KIND WHATSOEVER (INCLUDING, WITHOUT LIMITATION, ATTORNEYS' FEES) IN ANY WAY DUE TO, RESULTING FROM, OR ARISING IN CONNECTION WITH THE ONLINE SERVICES, MATERIALS, OR THE FAILURE OF ANY COVERED PARTY TO PERFORM ITS OBLIGATIONS. THE FOREGOING LIMITATION OF LIABILITY SHALL NOT APPLY TO A PARTY'S INDEMNITY OBLIGATIONS OR YOUR (AND YOUR AUTHORIZED USERS') INFRINGEMENT OF INTELLECTUAL PROPERTY OR MISAPPROPRIATION OF PROPRIETARY DATA BELONGING TO LN OR ITS THIRD PARTY SUPPLIERS.

4.5 Notwithstanding anything to the contrary in this Section 4: (a) If there is a breach of the warranty in Section 3.1 above, then LN at its option and expense, shall either defend or settle any action and hold you harmless against proceedings or damages of any kind or description based on a third party's claim of patent, trademark, service mark, copyright or trade secret infringement related to use of the Online Services or Materials, asserted against you by such third party provided: (i) all use of the Online Services and Materials was in accordance with this Subscription Agreement; (ii) the claim, cause of action or infringement was not caused by you modifying or combining the Online Services or Materials with or into other products or applications not approved by LN; (iii) you give LN prompt notice of any such claim; and (iv) you give LN the right to control and direct the investigation, defense and settlement of each such claim. You, at LN's expense, shall reasonably cooperate with LN in connection with the foregoing.

(b) In addition to Section 4.5(a), if the Online Services or the operation thereof become, or in the opinion of LN are likely to become, the subject of a claim of infringement, LN may, at its option and expense,

either: (i) procure for you the right to continue using the Online Services, (ii) replace or modify the Online Services so that they become non-infringing, or (iii) terminate this Subscription Agreement on notice to you and grant you a pro-rata refund or credit (whichever is applicable) for any pre-paid fees or fixed charges.

(c) The provisions of Sections 4.5(a) and (b) shall constitute your sole and exclusive remedy for the respective matters specified therein.

5. MISCELLANEOUS

5.1 These General Terms and Conditions, including the Additional Terms may be changed from time to time as described below or by written agreement. Charges and payment terms may be changed in accordance with the terms of your Price Schedule; all other provisions may be changed by LN immediately upon notice to you. If any changes are made to this Subscription Agreement, such changes will: (a) only be applied prospectively; and (b) not be specifically directed against you or our Authorized Users but will apply to all similarly situated LN customers using the Online Services. You may terminate this Subscription Agreement upon written notice to LN if any change to these General Terms and Conditions is unacceptable to you. For termination to be effective under this Section 5.1, written notice of termination must be provided to LN within 90 days of the effective date of the change. Continued use of the Online Services following the effective date of any change constitutes acceptance of the change but does not affect the foregoing termination right. Except as provided above, this Subscription Agreement may not be supplemented, modified or otherwise revised unless signed by duly authorized representatives of both parties. Furthermore, this Subscription Agreement may not be supplemented, modified or otherwise revised by email exchange even if the email contains a printed name or signature line bearing signature-like font. The foregoing does not prohibit the execution of electronic contracts bearing electronic signatures of authorized representatives of both parties, provided such signatures include digital certifications or are otherwise authenticated.

5.2 You or LN may terminate this Subscription Agreement at any time in accordance with this Section 5.2. The effective date of termination shall be 10 days after the receipt of written notice of termination, unless a later date is specified in the notice. LN may temporarily suspend or discontinue providing access to the Online Services to any or all Authorized Users in breach of this Subscription Agreement without notice and LN may pursue any other legal remedies available to it.

5.3 All notices and other communications hereunder shall be in writing or displayed electronically in the Online Services by LN. Notices shall be deemed to have been properly given on the date deposited in the mail, if mailed; on the date first made available, if displayed in the Online Services; or on the date received, if delivered in any other manner. Legal notices to LN should be sent to LexisNexis, Attn: Chief Legal Officer, 9443 Springboro Pike, Miamisburg, OH 45342.

5.4 The failure of you, LN, or any third party supplier of Materials to enforce any provision hereof shall not constitute or be construed as a waiver of such provision or of the right to enforce it at a later time.

5.5 Neither you nor any Authorized User may assign your rights or delegate your duties under this Subscription Agreement without the prior written consent of LN, which consent shall not be unreasonably withheld. This Subscription Agreement and any amendment thereto shall be binding on, and will inure to the benefit of the parties and their respective successors and permitted assigns.

5.6 LN's ability to provide Materials is regulated by a variety of privacy, data protection, and other laws in a variety of jurisdictions ("Data Laws") and by the licenses under which it obtains Materials ("Licenses"). You acknowledge that LN will perform a due diligence review of your account upon registration and that the due diligence review will be heightened if you desire to access sensitive, non-public Materials about individuals. You also acknowledge that LN will perform periodic reviews of you and your Authorized Users' use of Materials subject to Data Laws or Licenses ("Regulated Data") in order to comply with Data Laws and license restrictions, and that the review may include asking you or your Authorized Users to verify that use of Regulated Data was for a permissible purpose. You and your Authorized Users will cooperate with LN in any such due diligence or regulatory review and will promptly produce all relevant records and documentation and other assistance reasonably requested by LN to enable LN to fulfill its obligations under Data Laws and Licenses. All reviews will be at LN's expense. If there is any failure to cooperate with LN, or if any review reveals the lack of a permissible purpose to access Regulated Data, LN may deny access to the Online Services or to Regulated Data. LN will be under no obligation to reduce the fees payable by you to the extent that it is unable to provide Regulated Data to you based solely on your non-cooperation. You will comply with all applicable laws and regulations in supplying any personal data to LN, including providing any required notices and obtaining any required consents, permissions and authorizations for LN processing such personal data. If and to the extent that LN is processing personal data on your behalf, the terms of the LexisNexis data processing addendum at <https://www.lexisnexis.com/en-us/terms/processor-terms.page> will apply. If and to the extent that your Authorized Users provide their personal data to LN during account registration or otherwise, the parties acknowledge that such information will be processed by LN in accordance with the LexisNexis privacy policy available at <http://www.lexisnexis.com/en-us/terms/privacy-policy.page>

5.7 If you, any of your Authorized Users, or any person you or your Authorized Users permits to use the Online Services or who gains access through an Authorized User's failure to properly secure his or her LN ID or computer (a "User") should access or use Regulated Data in an unauthorized manner (a "Security Event"), then the following provisions will apply: (a) if required by applicable law, you will notify the individuals whose information has potentially been accessed or used that a Security Event has occurred; (b) you will notify any other parties (including but not limited to regulatory entities and credit reporting agencies) as may be required by law; (c) the notification will not reference LN or the product through which the Regulated Data was provided, nor will LN be otherwise identified or referenced in connection with the Security Event, without the express written consent of LN; (d) you will be solely liable for all claims that may arise from a Security Event caused by you, your Authorized Users or a User and you will indemnify LN for any third party claims directed against LN that arise from the Security Event; and (e) all notifications and indemnity claims related to the Security Event will be solely at your expense.

5.8 This Subscription Agreement shall be governed by and construed in accordance with the laws of the State of New York regardless of the law that might otherwise apply under applicable principles of conflicts of law.

5.9 This Subscription Agreement will be enforced to the fullest extent permitted by applicable law. If any provision of this Subscription Agreement is held to be invalid or unenforceable to any extent, then (a) such provision will be interpreted, construed and reformed to the extent reasonably required to render

it valid, enforceable and consistent with its original intent and (b) such invalidity or unenforceability will not affect any other provision of this Subscription Agreement.

5.10 Where applicable, each affiliated company of LN and each third party supplier of Materials has the right to assert and enforce the provisions of this Subscription Agreement directly on its own behalf as a third party beneficiary.

5.11 This Subscription Agreement constitutes the entire agreement of the parties with respect to its subject matter and replaces and supersedes any prior written or verbal communications, representations, proposals or quotations on that subject matter.

Access Security Requirements for GLB 5A Data (Fully Displayed or Truncated Social Security Number Information Retrieved from Credit Header Data)

The following information security controls are required to reduce unauthorized access to consumer information. It is your responsibility to implement these controls. If you do not understand these requirements or need assistance, it is your responsibility to get an outside service provider to assist you. Experian reserves the right to

make changes to these Access Security Requirements without prior notification. The information provided herewith provides minimum baselines for information security.

In accessing GLBA 5A Data, you agree to follow these Experian security requirements. These requirements are applicable to all systems and devices used to access, transmit, process, or store Experian data.

1. Implement Strong Access Control Measures

If using third party or proprietary systems to access the LexisNexis Online Services, ensure that the access must be preceded by authenticating users to the application and/or system (e.g. application based authentication, Active Directory, etc.) utilized for accessing LexisNexis data/systems.

If the third party or third party software or proprietary system or software, used to access the LexisNexis Online Services, is replaced or no longer in use, the passwords should be changed immediately.

Create a unique user ID for each user to enable individual authentication and accountability for access to the Online Services. Each user must also have a unique logon password.

Develop strong passwords that are:

Not easily guessable (i.e. your name or company name, repeating numbers and letters or consecutive numbers and letters)

Contain a minimum of eight (8) alphabetic and numeric characters for standard user accounts

For interactive sessions (i.e. non system-to-system) ensure that passwords/passwords are changed periodically or that enhancements such as multi-factor authentication are implemented (every 90 days is recommended)

Passwords (e.g. user/account password) must be changed immediately when:

Any system access software is replaced by another system access software or is no longer used

The hardware on which the software resides is upgraded, changed or disposed without being purged of sensitive information

Any suspicion of password being disclosed to an unauthorized party (see section D.3 for reporting requirements)

It is understood that the practice of encryption of sensitive data at rest will be implemented in the year 2017 for you, it being understood that in the meantime you shall implement other compensating controls when the data is at rest, including physical security, access controls, or vulnerability assessments

Ensure that passwords are not transmitted, displayed or stored in clear text; protect all end user (e.g. internal and external) passwords using, for example, encryption or a cryptographic hashing algorithm also known as "one-way" encryption. When using encryption, ensure that strong encryption algorithms are utilized (e.g. AES 256 or above).

Implement password protected screensavers with a maximum fifteen (15) minute timeout to protect unattended workstations. Systems should be manually locked before being left unattended.

Active logins to credit information systems must be configured with a 30 minute inactive session timeout.

You must NOT install Peer-to-Peer file sharing software on systems used to access, transmit or store Experian data

Ensure that Subscriber's employees do not access their own credit reports or those reports of any family member(s) or friend(s) unless it is in connection with a credit transaction or for another permissible purpose

Implement physical security controls to prevent unauthorized entry to Subscriber's facility and access to systems used to obtain credit information. Ensure that access is controlled with badge readers, other systems, or devices including authorized lock and key.

2. Maintain a Vulnerability Management Program Implement Strong Access Control Measures

Keep operating system(s), firewalls, routers, servers, personal computers (laptops and desktops) and all other systems current with appropriate system patches and updates.

Configure infrastructure such as firewalls, routers, servers, tablets, smart phones, personal computers (laptops and desktops), and similar components to industry standard security practices, including disabling unnecessary services or features, and removing or changing default passwords, IDs and sample files/programs, and enabling the most secure configuration features to avoid unnecessary risks.

Implement and follow current best security practices for computer virus detection scanning services and procedures:

Use, implement and maintain a current, commercially available anti-virus software on all systems, if applicable anti-virus technology exists. Anti-virus software deployed must be capable to detect, remove, and protect against all known types malicious software such as viruses, worms, spyware, adware, Trojans, and root-kits.

Ensure that all anti-virus software is current, actively running, and generating audit logs; ensure that anti-virus software is enabled for automatic updates and performs scans on a regular basis.

If you suspect an actual or potential virus infecting a system, immediately cease accessing the system and do not resume the inquiry process until the virus has been eliminated.

3. Protect Data

Develop and follow procedures to ensure that data is protected throughout its entire information lifecycle (from creation, transformation, use, storage and secure destruction) regardless of the media used to store the data (i.e., tape, disk, paper, etc.).

Experian data is classified Confidential and must be secured to in accordance with the requirements mentioned in this document at a minimum.

Procedures for transmission, disclosure, storage, destruction and any other information modalities or media should address all aspects of the lifecycle of the information.

Encrypt all Experian data and information when stored electronically on any system including but not limited to laptops, tablets, personal computers, servers, databases using strong encryption such as AES 256 or above. An alternative to encryption at rest is compensating controls designed to mitigate the risk of data exposure.

Experian data must not be stored locally and permanently on smart tablets and smart phones such as iPads, iPhones, Android based devices, etc.

When using smart tablets or smart phones to access Experian data, ensure that such devices are protected via device pass-code

Applications utilized to access Experian data via smart tablets or smart phones must protect data while in transmission using an industry-recognized, strong, encryption method.

Only open email attachments and links from trusted sources and after verifying legitimacy.

When no longer in use, ensure that hard-copy materials containing Experian data are crosscut shredded, incinerated, or pulped such that there is reasonable assurance the hard-copy materials cannot be reconstructed.

When no longer in use, electronic media containing Experian data is rendered unrecoverable via a secure wipe program in accordance with industry-accepted standards for secure deletion, or otherwise physically destroying the media (for example, degaussing).

4. Maintain an Information Security Policy

Suitable to complexity and size of the organization, establish and publish information security and acceptable user policies identifying user responsibilities and addressing requirements in line with this document and applicable laws and regulations.

The FACTA Disposal Rules requires that Subscriber implement appropriate measures to dispose of any sensitive information related to consumer credit reports and records that will protect against unauthorized access or use of that information.

Implement and maintain ongoing mandatory security training for those who have access to Experian information and awareness sessions for all staff to underscore the importance of security in the organization.

When using third party service providers (e.g. application service providers) to access, transmit, store or process Experian data, ensure that service provider is compliant with the Experian Independent Third Party Assessment (EI3PA) program, and registered in Experian's list of compliant service providers. If the service provider is in the process of becoming compliant, it is Subscriber's responsibility to ensure the service provider is engaged with Experian and an exception is granted in writing. Approved certifications in lieu of EI3PA can be found in the Glossary section.

5. Build and Maintain a Secure Network

Protect Internet connections with dedicated, industry-recognized firewalls that are configured and managed using industry best security practices.

Internal private Internet Protocol (IP) addresses must not be publicly accessible or natively routed to the Internet. Network address translation (NAT) technology should be used.

Administrative access to firewalls and servers must be performed through a secure internal wired connection or over a secured private network only.

Any stand-alone computers that directly access the Internet must have a desktop firewall deployed that is installed and configured to block unnecessary/unused ports, services, and network traffic.

Change vendor defaults including but not limited to passwords, encryption keys, SNMP strings, and any other vendor defaults.

For wireless networks connected to or used for accessing or transmission of Experian data, ensure that networks are configured and firmware on wireless devices updated to support strong encryption (for example, IEEE 802.11i) for authentication and transmission over wireless networks.

When using service providers (e.g. software providers) to access LexisNexis systems, access to third party tools/services must require multi-factor authentication.

6. Regularly Monitor and Test Networks

Perform regular tests on information systems that serve Experian data and are exposed to the Internet (port scanning, virus scanning, internal/external vulnerability scanning). Ensure that issues identified via testing are remediated according to the issue severity (e.g. fix critical issues immediately, high severity in 15 days, etc.)

Ensure that audit trails are enabled and active for systems and applications used to access, store, process, or transmit Experian data; establish a process for linking all access to such systems and applications. Ensure that security policies and procedures are in place to review security logs on daily or weekly a periodic basis and that follow-up to exceptions is required.

Use current best practices to protect telecommunications systems and any computer system or network device(s) used to provide Services hereunder to access LexisNexis systems and networks. These controls should be selected and implemented to reduce the risk of infiltration, hacking, access penetration or exposure to an unauthorized third party by:

protecting against intrusions;

securing the computer systems and network devices;

and protecting against intrusions of operating systems or software.

7. Mobile and Cloud Technology

Storing Experian data permanently on mobile devices is prohibited. Any exceptions must be obtained from Experian in writing; additional security requirements will apply.

Mobile applications development must follow industry known secure software development standard practices such as OWASP and OWASP Mobile Security Project adhering to common controls and addressing top risks.

Mobile applications development processes must follow secure software assessment methodology which includes appropriate application security testing (for example: static, dynamic analysis, penetration testing) and ensuring vulnerabilities are remediated.

Mobility solution server/system should be hardened in accordance with industry and vendor best practices such as Center for Internet Security (CIS) benchmarks, NIS, NSA, DISA and/or other.

Mobile applications and data shall be hosted on devices through a secure container separate from any personal applications and data. See details below. Under no circumstances is Experian data to be exchanged between secured and non-secured applications on the mobile device.

In case of non-consumer access, that is, commercial/business-to-business (B2B) users accessing Experian data via mobile applications (internally developed or using a third party application), ensure that multi-factor authentication and/or adaptive/risk-based authentication mechanisms are utilized to authenticate users to application.

When using cloud providers to access, transmit, store, or process Experian data ensure that:

Appropriate due diligence is conducted to maintain compliance with applicable laws and regulations and contractual obligations

Cloud providers must have gone through independent audits and are compliant with one or more of the following standards, or a current equivalent as approved/recognized by Experian:

ISO 27001

PCI DSS

EI3PA

SSAE 16 – SOC 2 or SOC3

FISMA

CAI / CCM assessment

8. General

No more than once per year, at Experian's expense, Experian will have the right to audit the security mechanisms Subscriber maintains to safeguard access to Experian information, systems and electronic communications. Audits may include examination of systems security and associated administrative practices. Audits shall be reasonable in scope and duration.

In cases where Subscriber is accessing Experian information and systems via third party software, Subscriber agrees to make available to LN upon request, audit trail information and management reports generated by the vendor software, regarding Subscriber individual authorized users.

Subscriber shall be responsible for and ensure that third party software, which accesses the LexisNexis Online Services, is secure, and protects this vendor software against unauthorized modification, copy and placement on systems which have not been authorized for its use.

Subscriber shall conduct software development (for software which accesses LexisNexis information systems; this applies to both in-house or outsourced software development) based on the following requirements:

Software development must follow industry known secure software development standard practices such as OWASP adhering to common controls and addressing top risks.

Software solution server/system should be hardened in accordance with industry and vendor best practices such as Center for Internet Security (CIS) benchmarks, NIS, NSA, DISA and/or other

Under Section H.1 above, reasonable access to audit trail reports of systems utilized to access the Online Services shall be made available to LexisNexis upon request, for example during breach investigation or while performing audits.

Data requests must include the IP address of the device from which the request originated (i.e., the requesting client's IP address), where applicable.

Subscriber shall report actual security violations or incidents that impact Experian data to LexisNexis within twenty-four (24) hours or per agreed contractual notification timeline. Subscriber agrees to provide notice to LexisNexis of any confirmed security breach that may involve data related to the contractual relationship, to the extent required under and in compliance with applicable law. Telephone notification is preferred at 888-872-5375, Email notification will be sent to Security.investigations@lexisnexis.com.

Subscriber acknowledges and agrees that Subscriber (a) has received a copy of these requirements, (b) has read and understands its obligations described in the requirements, (c) will communicate the contents of the applicable requirements contained herein, and any subsequent updates hereto, to all employees that shall have access to the Experian data through the Online Services, and (d) will abide by the provisions of these requirements when accessing Experian data.

LexisNexis[®] Risk & Investigative Terms

AMENDMENT
TO Agreement
APPLICABLE TO U.S. GOVERNMENT
USERS UNDER GSA SCHEDULE CONTRACT
No. GS02F0048M

This Amendment constitutes an addendum to the above-referenced contract ("GSA Contract") between the U.S.

General Services Administration ("GSA") and LexisNexis Risk Solutions FL, an affiliate of LexisNexis, a division of RELX Inc., the party which holds the GSA contract referenced above ("Licensor")(collectively, the "Parties").

GSA, as a U.S. Government entity, is required when entering into agreements with other Parties to follow applicable federal laws and regulations, including without limitation those related to competition, dispute resolution, and limitations on indemnification and other fiscal law constraints.

Accordingly, the Parties hereby agree to incorporate the attached documents (entitled FCRA Agreement – Government Agencies and Law Enforcement; Non-FCRA Agreement – Government Agencies and Law Enforcement) (hereinafter each an "Agreement"); and the Risk Supplemental Terms into the GSA Contract referenced above and to amend it as set forth herein. Except where expressly amended by this Amendment, the terms and conditions of the Agreement shall remain in force as written.

A. Government entity and contracting process:

- "You," "your," or grammatical variants thereof, regardless of capitalization, shall mean the agency or other entity authorized to place orders under the GSA Contract, as set forth in the then-current GSA order on the sources of supply.
- Such entities, referred to in the GSA Contract as "ordering activities" and in this Amendment as "Customers" (each, a "Customer"), do not sign the Licensor Agreements but become bound by their terms, as amended hereby, through the issuance of a task or delivery order ("Order") under the GSA Contract into which the Agreement is incorporated. Customer will complete Licensor's Application for customer information, credentialing and permissible purpose ("Application") and submit prior to, or with, an Order.
- Although individual employees of a Customer may use the products or services provided under an Order solely for the purpose of performing their work duties, they are not in privity of contract with Licensor or its licensors, and the Customer remains responsible for their acts or omissions to the fullest extent of the law.

- The Parties agree that the execution by the GSA contracting officer of this Amendment as part of the GSA Contract, and the issuance by the ordering activity of an Order, satisfies and replaces any provision in the Agreement pertaining to user acceptance by clicking, downloading, installing or using any product, service, or site.

- The effective date of the Agreement is (a) as to GSA, the date this Amendment is signed by the GSA contracting officer; or (b) as to each ordering activity, the date of the Order.

B. Contract documents, entire agreement, and order of precedence:

- The Agreement shall apply in the versions attached hereto. Customer does not consent to be bound by any subsequent changes in the Licensor's standard commercial templates for such agreements, or in any policies referenced in the Agreement, unless such changes have been incorporated into the GSA Schedule contract by prior express written agreement of both Parties executed in the form of a modification to the GSA Contract.

- Any "entire agreement" clauses in the Agreement are hereby amended to specify that the GSA Contract (including any contract modifications or Orders issued thereunder) and the Agreement together constitute the entire agreement between the Parties on the subject matter hereof. Any provisions in the Agreement invalidating the terms of an Order are hereby deleted.

- In the event of a conflict between or among these constituent documents, the following order of precedence shall apply: (a) this Amendment; (b) the Order; (c) the GSA Contract; (d) the Agreement.

C. Services: Licensor shall provide to Customer such products or services as are specified in the applicable Order, for the duration of such Order. Unless generally withdrawn from the commercial market or other similarly situated government customers, services may not be suspended or terminated unilaterally. Licensor may suspend or discontinue providing the LN Services for selected individual IDs without notice and pursue any other remedy legally available to it if you fail to comply with any of your material obligations of the Agreement. Any problem, dispute, or other circumstance described in the unmodified Agreement as giving rise to suspension or termination shall be referred to the Customer's contracting officer for resolution.

D. Fees, late charges and taxes:

- The Customer shall pay Licensor the fees calculated in accordance with the final awarded GSA Contract pricelist or the fee or price schedule included in the Order, as applicable. Properly payable amounts shall be paid in accordance with the procedures set forth in the GSA Contract or the applicable Order.

- The GSA Contract pricelist may not be changed except by prior express written agreement of both Parties executed in the form of a modification to the GSA Contract.

- Nothing in the Agreement shall be read to allow the purchase of any products or services that are not listed in the final awarded GSA Contract pricelist.

- Any extension or renewal of the term of the GSA Contract (including option exercise, if any), the Agreement, the Order, or the associated fees shall also require a prior express written agreement of both Parties.

- Travel, lodging and similar expenses shall be subject to the applicable federal travel

regulations and the terms and conditions of the GSA Schedule contract and the Order. No cancellation or rescheduling fees shall be charged to or payable by a Customer except as, and then only to the extent, specifically authorized by applicable federal statute.

- Late payments shall be governed by the Prompt Payment Act and the regulations at 5 CFR 1315; any late payment provisions in the Agreement are hereby deleted. Insufficient funds fees or costs of collection on delinquent invoices may not be sought against Customer except as, and then only to the extent, specifically authorized by applicable federal statute.
- Taxes shall be governed by the terms of the GSA Schedule contract. Because different Customers may be subject to different legal regimes as regards the applicability of taxes, any charge in the nature of a tax (however designated) shall first be submitted to the Customer's contracting officer for a determination of applicability.

E. Termination: Licensor acknowledges that Customer uses Licensor Products and Services in furtherance of the public good. Accordingly, the Agreement as it pertains to an Order may be terminated prior to the natural expiration of such Order by Customer in accordance with applicable federal regulations and the terms of the GSA Contract. Without limiting the generality of the foregoing, the occurrence of a force majeure circumstance as defined in the Agreement may give rise to an equitable adjustment or a release of Licensor from liability but shall not be grounds for termination except when initiated by the Customer's contracting officer.

F. Dispute resolution and governing law: Any arbitration, mediation or similar dispute resolution provision in the Agreement is hereby deleted. The Agreement and this Amendment shall be governed by and interpreted and enforced in accordance with the laws of the United States of America without reference to conflict of laws, and dispute resolution shall take place in a forum, and within the time period, prescribed by applicable federal law. No equitable or injunctive relief, and no shifting of legal fees or costs, may be sought against Customer except as, and then only to the extent, specifically authorized by applicable federal statute.

G. Compliance with laws: The Parties acknowledge that the United States, as a sovereign, is subject to the laws of the United States. Nothing in the Agreement, the GSA Contract, or any Order shall be interpreted to imply consent by any Customer to submit to the adjudicative or enforcement power of any regulatory, administrative, or judicial authority of, or the application of the laws of, another jurisdiction.

H. Indemnification: Any provisions in the Agreement requiring any agency or instrumentality of the Federal Government to indemnify any party are hereby deleted and shall not apply. Any provisions requiring Licensor to indemnify Customer shall be revised to state that such indemnification, and the conduct and/or settlement of any applicable proceedings, shall be subject to 28 USC 516.

I. Third party terms: When the Customer is an agency or instrumentality of the Federal Government, no third party or external terms and conditions shall be binding on the Customer unless included in full text and validly incorporated into the GSA Schedule contract. For the

avoidance of doubt, documents described as incorporated by reference or located at a specified URL shall not be binding.

J. Confidentiality:

- The terms of the Agreement and the final awarded prices, including both those listed in the GSA Schedule pricelist and those accepted by a Customer pursuant to an Order, shall not be considered confidential information.
- Notwithstanding any provision of the Licensor Agreements requiring the deletion of Licensor's Confidential Information upon the occurrence of a specified event, Customer may retain such Confidential Information as is required to be retained by law, regulation or its *bona fide* internal document retention procedures solely for legal, regulatory or compliance purposes; *provided, however,* that such retained Confidential Information will continue to be subject to the confidentiality obligations of the Licensor Agreements.

K. Assignment: Licensor may not assign the Licensor Agreements or its rights or obligations thereunder, in whole or in part, except in accordance with the procedures set forth in FAR subpart 42.12.

L. No waiver of liability or right to sue: Any provision requiring Customer to agree to waive or otherwise not to pursue any claim against Licensor it may otherwise have is hereby deleted. Without limiting the generality of the foregoing, the Parties agree that nothing in the Agreement, including but not limited to their limitation of liability clauses, in any way grants Licensor a waiver from, release of, or limitation of liability pertaining to, any past, current or future violation of federal law and that no clause restricting users' statements shall be read to restrict GSA's or Customer's ability to pursue any course of action permitted by federal law, regulation, or policy, including without limitation making public statements in connection with any suspension or debarment action.

M. Audit: Any clauses in the Agreement allowing for an on-site audit of GSA or Customer records or information systems, or verification of its compliance with the Agreement generally, shall be subject to applicable GSA or Customer requirements pertaining to security matters, including without limitation clearances to be held and nondisclosure agreements to be executed by auditors, badging or escorting requirements for access to premises, and other applicable requirements. Any over-use identified in an audit shall be referred to the Customer's contracting officer for action in accordance with the procedures set forth in the GSA Contract. No audit costs may be sought against Customer except as, and then only to the extent, specifically authorized by applicable federal statute. Notwithstanding the foregoing, Customer understands and agrees that in order to ensure compliance with the FCRA, GLBA, DPPA, LADMF and other related federal, state and local laws, and agency regulations, Licensor may, from time to time and solely from Licensor's offices, electronically monitor Customer's use of the LN Services and may, upon reasonable advance written notice, request Customer to certify that Customer's use of certain LN Services was for a permissible purpose and within the scope of Customer's rights under this Agreement. Customer agrees to cooperate fully with any and all reasonable requests from Licensor that are necessary

to meet Licensor's rights under this subsection (L). Violations discovered in any review and/or audit by Licensor will be subject to immediate action including, but not limited to, suspension or termination of the license to use the LN Services, legal action, and/or referral to federal or state regulatory agencies.

N. Notices: Notices to GSA regarding any matter pertaining to the GSA Contract shall be sent to the contracting officer in writing at the address specified in the GSA Contract or by email at the address specified below.

- Notices to Customer regarding any matter pertaining to an Order, or the use by Customer of Licensor Products or Services, shall be sent in writing to the address specified in the Order.
- Neither GSA nor the Customer consent to receive notices or other communications by way of posting on a website, and such notices, in the absence of written notification by one of the means referred to above, shall be deemed not given.

D. 4 NON-FCRA Application & Agreement Government Agencies & Law Enforcement

LN Non-FCRA Application & Agreement Government Agencies & Law Enforcement

LexisNexis Risk Solutions FL Inc. and its Affiliates (collectively or individually "LN") provide various Non-FCRA products and services (the "LN Services"). "Affiliates" are those affiliates of LexisNexis Risk Solutions FL Inc. that provide LN Services pursuant to this Agreement. The Terms and Conditions below apply to those FCRA products and Services.

PART 5 - TERMS AND CONDITIONS

1. **SCOPE OF SERVICES.** LN agrees to provide the LN Services described in a Purchase Order or Schedule A to this Agreement to Customer, subject to the terms and conditions herein. This Agreement shall encompass any and all delivery methods provided to Customer for the LN Services, including, but not limited to, online, batch, XML, assisted searching, machine-to-machine searches, and any other means which may become available.

2. **RESTRICTED LICENSE.** LN hereby grants to Customer a restricted license to use the LN Services and any data contained therein, subject to the restrictions and limitations set forth below:

(i) Generally. LN hereby grants to Customer a restricted license to use the LN Services solely for Customer's own internal business purposes. Customer represents and warrants that all of Customer's use of the LN Services shall be for only legitimate business purposes, including those specified by Customer in connection with a specific information request, relating to its business and as otherwise governed by the Agreement. Customer shall not use the LN Services for marketing purposes or resell or broker the LN Services to any third-party, and shall not use the LN Services for personal (non-business) purposes. Customer shall not use the LN Services to provide data processing services to third-parties or evaluate data for third-parties or, without LN's consent, to compare the LN Services against a third party's data processing services. Customer agrees that, if LN determines or reasonably suspects that continued provision of the LN Services to Customer entails a potential security risk, or that Customer is in violation of any provision of this Agreement or law, LN may take immediate action, including, without limitation, terminating the delivery of, and the license to use, the LN Services. Customer shall not access the LN Services from Internet Protocol addresses located outside of the United States and its territories without LN's prior written approval. Customer may not use the LN Services to create a competing product. Customer shall comply with all laws, regulations and rules which govern the use of the LN Services and information provided therein. LN may at any time mask or cease to provide Customer access to any LN Services or portions thereof which LN may deem, in LN's sole discretion, to be sensitive or restricted information.

(ii) GLBA Data. Some of the information contained in the LN Services is “nonpublic personal information,” as defined in the Gramm-Leach-Bliley Act, (15 U.S.C. § 6801, et seq.) and related state laws (collectively, the “GLBA”), and is regulated by the GLBA (“GLBA Data”). Customer shall not obtain and/or use GLBA Data through the LN Services in any manner that would violate the GLBA, or any similar state or local laws, regulations and rules. Customer acknowledges and agrees that it may be required to certify its permissible use of GLBA Data falling within an exception set forth in the GLBA at the time it requests information in connection with certain LN Services and will recertify upon request by LN. Customer certifies with respect to GLBA Data received through the LN Services that it complies with the Interagency Standards for Safeguarding Customer Information issued pursuant to the GLBA.

(iii) DPPA Data. Some of the information contained in the LN Services is “personal information,” as defined in the Drivers Privacy Protection Act, (18 U.S.C. § 2721 et seq.) and related state laws (collectively, the “DPPA”), and is regulated by the DPPA (“DPPA Data”). Customer shall not obtain and/or use DPPA Data through the LN Services in any manner that would violate the DPPA. Customer acknowledges and agrees that it may be required to certify its permissible use of DPPA Data at the time it requests information in connection with certain LN Services and will recertify upon request by LN.

(iv) Social Security and Driver’s License Numbers. LN may in its sole discretion permit Customer to access QA Data (as previously defined). If Customer is authorized by LN to receive QA Data, and Customer obtains QA Data through the LN Services, Customer certifies it will not use the QA Data for any purpose other than as expressly authorized by LN policies, the terms and conditions herein, and applicable laws and regulations. In addition to the restrictions on distribution otherwise set forth in [Paragraph 3](#) below, Customer agrees that it will not permit QA Data obtained through the LN Services to be used by an employee or contractor that is not an Authorized User with an Authorized Use. Customer agrees it will certify, in writing, its uses for QA Data and recertify upon request by LN. Customer may not, to the extent permitted by the terms of this Agreement, transfer QA Data via email or ftp without LN’s prior written consent. However, Customer shall be permitted to transfer such information so long as: 1) a secured method (for example, sftp) is used, 2) transfer is not to any third-party, and 3) such transfer is limited to such use as permitted under this Agreement. LN may at any time and for any or no reason cease to provide or limit the provision of QA Data to Customer.

(v) Copyrighted and Trademarked Materials. Customer shall not remove or obscure any trademarks, copyright notices or other notices contained on materials accessed through the LN Services.

(vi) Additional Terms. To the extent that the LN Services accessed by Customer include information or data described in the Risk Supplemental Terms contained at the following website: www.lexisnexis.com/terms/risksupp/, Customer agrees to comply with the Risk Supplemental Terms set forth therein. Additionally, certain other information contained within the LN Services is subject to additional obligations and restrictions. These services include, without limitation, news, business information, and federal legislative and regulatory materials. To the extent that Customer receives such information through the LN Services, Customer agrees to comply with the Terms and Conditions contained at the following website: www.lexisnexis.com/terms/general (the “L&P Terms”). The Risk Supplemental Terms and the L&P Terms are hereby incorporated into this Agreement by reference. In the event of a direct conflict between this Agreement, the Risk Supplemental Terms, and the L&P Terms, the order of precedence shall be as follows: this Agreement, the Risk Supplemental Terms and then the L&P Terms.

(vii) Fair Credit Reporting Act. The LN Services provided pursuant to this Agreement are not provided by “consumer reporting agencies,” as that term is defined in the Fair Credit Reporting Act (15 U.S.C. § 1681, et seq.) (“FCRA”) and do not constitute “consumer reports,” as that term is defined under the FCRA. Accordingly, LN Services may not be used in whole or in part as a factor in determining eligibility for credit, insurance, employment or another permissible purpose under the FCRA. Further, (A) Customer certifies that it will not use any of the information it receives through the LN Services for eligibility

determinations for any of the following purposes: (1) in connection with establishing a consumer's eligibility for credit or insurance to be used primarily for personal, family or household purposes or in connection with the review or collection of a credit account of a consumer; (2) for employment purposes; (3) in connection with a determination of a consumer's eligibility for a license or other benefit granted by a government agency; (4) as a potential investor or servicer, or current insurer, in connection with a valuation of, or assessment of credit or prepayment risks associated with, an existing credit obligation; or (5) eligibility for any other purpose deemed to be a permissible purpose under the FCRA or any similar state statute; (B) by way of clarification, Customer may use, except as otherwise prohibited or limited by this Agreement, information received through the LN Services for the following purposes: (1) to verify or authenticate an individual's identity; (2) to prevent or detect fraud or other unlawful activity; (3) to locate an individual; (4) to review the status of a legal proceeding; or (5) to decide whether to buy or sell consumer indebtedness in a commercial transaction; (C) specifically, if Customer is using the LN Services in connection with collection of a consumer debt on its own behalf, or on behalf of a third-party, Customer shall not use the LN Services (1) to revoke consumer credit; (2) to set or change repayment terms; or (3) for the purpose of determining a consumer's eligibility for any repayment plan; provided, however, that Customer may, consistent with the certification and limitations set forth in this section (viii), use the LN Services for identifying, locating, or contacting a consumer in connection with the collection of a consumer's debt or for prioritizing collection activities; and (D) *Customer shall not use any of the information it receives through the LN Services to take any "adverse action," as that term is defined in the FCRA.*

(viii) MVR Data. If Customer is permitted to access Motor Vehicle Records ("MVR Data") from LN, without in any way limiting Customer's obligations to comply with all state and federal laws governing use of MVR Data, the following specific restrictions apply and are subject to change:

- (a) Customer shall not use any MVR Data provided by LN, or portions of information contained therein, to create or update a file that Customer uses to develop its own source of driving history information.
- (b) As requested by LN, Customer shall complete any state forms that LN is legally or contractually bound to obtain from Customer before providing Customer with MVR Data.
- (c) LN (and certain Third-Party vendors) may conduct reasonable and periodic audits of Customer's use of MVR Data. In response to any such audit, Customer must be able to substantiate the reason for each MVR Data order.

(ix) HIPAA. Customer represents and warrants that Customer will not provide LN with any Protected Health Information (as that term is defined in 45 C.F.R. Sec. 160.103) or with Electronic Health Records or Patient Health Records (as those terms are defined in 42 U.S.C. Sec. 17921(5), and 42 U.S.C. Sec. 17921(11), respectively) or with information from such records without the execution of a separate agreement between the parties.

(x) Retention of Records. For uses of GLB Data, DPPA Data and MVR Data, as described in Sections 2(ii), 2(iii) and 2(viii), Customer shall maintain for a period of five (5) years a complete and accurate record (including consumer identity, purpose and, if applicable, consumer authorization) pertaining to every access to such data.

3. **SECURITY.** Customer acknowledges that the information available through the LN Services may include personally identifiable information and it is Customer's obligation to keep all such accessed information confidential and secure. Accordingly, Customer shall (a) restrict access to LN Services to those employees who have a need to know as part of their official duties; (b) ensure that none of its employees shall (i) obtain and/or use any information from the LN Services for personal reasons, or (ii) transfer any information received through the LN Services to any party except as permitted hereunder; (c) keep all user identification numbers, and related passwords, or other security measures (collectively, "User IDs") confidential and prohibit the sharing of User IDs; (d) immediately deactivate the User ID of any employee who no longer has a need to know, or for terminated employees on or prior to the date of termination; (e) in addition to any obligations under Paragraph 2, take all commercially reasonable measures to prevent unauthorized access to, or use of, the LN Services or data received therefrom, whether the same is in electronic form or hard copy, by any person or entity; (f) maintain and enforce data destruction procedures to protect the security and confidentiality of all information obtained through LN Services as it is being disposed; (g) purge all information received through the LN Services within ninety (90) days of initial receipt; provided that Customer may extend such period if and solely to the extent such information is retained thereafter in archival form to provide documentary support required for

Customer's legal or regulatory compliance efforts; (h) be capable of receiving the LN Services where the same are provided utilizing "secure socket layer," or such other means of secure transmission as is deemed reasonable by LN; (i) not access and/or use the LN Services via mechanical, programmatic, robotic, scripted or other automated search means, other than through batch or machine-to-machine applications approved by LN; (j) take all steps to protect their networks and computer environments, or those used to access the LN Services, from compromise; (k) on at least a quarterly basis, review searches performed by its User IDs to ensure that such searches were performed for a legitimate business purpose and in compliance with all terms and conditions herein; and (l) maintain policies and procedures to prevent unauthorized use of User IDs and the LN Services. Customer will immediately notify LN, by written notification to the LN Privacy, Security and Compliance Organization at 1000 Alderman Drive, Alpharetta, Georgia 30005 and by email (security.investigations@lexisnexis.com) and by phone (1-888-872-5375), if Customer suspects, has reason to believe or confirms that a User ID or the LN Services (or data derived directly or indirectly therefrom) is or has been lost, stolen, compromised, misused or used, accessed or acquired in an unauthorized manner or by any unauthorized person, or for any purpose contrary to the terms and conditions herein. Furthermore, in the event that the LN Services provided to the Customer include personally identifiable information (including, but not limited to, social security numbers, driver's license numbers or dates of birth), the following shall apply: Customer acknowledges that, upon unauthorized acquisition or access of or to such personally identifiable information, including but not limited to that which is due to use by an unauthorized person or due to unauthorized use (a "Security Event"), Customer shall, in compliance with law, notify the individuals whose information was potentially accessed or acquired that a Security Event has occurred, and shall also notify any other parties (including but not limited to regulatory entities and credit reporting agencies) as may be required in LN's reasonable discretion. Customer agrees that such notification shall not reference LN or the product through which the data was provided, nor shall LN be otherwise identified or referenced in connection with the Security Event, without LN's express written consent. Customer shall be solely responsible for any other legal or regulatory obligations which may arise under applicable law in connection with such a Security Event and shall bear all costs associated with complying with legal and regulatory obligations in connection therewith. Customer shall provide samples of all proposed materials to notify consumers and any third-parties, including regulatory entities, to LN for review and approval prior to distribution. In the event of a Security Event, LN may, in its sole discretion, take immediate action, including suspension or termination of Customer's account, without further obligation or liability of any kind.

4. **PERFORMANCE.** LN will use commercially reasonable efforts to deliver the LN Services requested by Customer and to compile information gathered from selected public records and other sources used in the provision of the LN Services; provided, however, that the Customer accepts all information "AS IS". Customer acknowledges and agrees that LN obtains its data from third party sources, which may or may not be completely thorough and accurate, and that Customer shall not rely on LN for the accuracy or completeness of information supplied through the LN Services. Without limiting the foregoing, the criminal record data that may be provided as part of the LN Services may include records that have been expunged, sealed, or otherwise have become inaccessible to the public since the date on which the data was last updated or collected. Customer understands that Customer may be restricted from accessing certain LN Services which may be otherwise available. LN reserves the right to add materials and features to, and to discontinue offering any of the materials and features that are currently a part of, the LN Services. In the event that LN discontinues a material portion of the materials and features that Customer regularly uses in the ordinary course of its business, and such materials and features are part of a flat fee subscription plan to which Customer has subscribed, LN will, at Customer's option, issue a prorated credit to Customer's account.

5. **PRICING SCHEDULES.** Upon acceptance by the LN Affiliate(s) set forth on an applicable Purchase Order or Schedule A (hereinafter "Schedule(s) A"), such LN Affiliate(s) shall provide the LN Services requested by Customer and set forth in one (1) or more Schedules A attached hereto or subsequently incorporated by reference, for the fees listed on such purchase orders or schedules. The fees listed on a Schedule A may be updated from time to time by notice to Customer. All current and future pricing documents and Schedule(s) A are deemed incorporated herein by reference.

6. **INTELLECTUAL PROPERTY; CONFIDENTIALITY.** Customer agrees that Customer shall not reproduce, retransmit, republish, or otherwise transfer for any commercial purposes the LN Services' information, programs or computer applications. Customer acknowledges that LN (and/or its third party data providers) shall retain all right, title, and interest under applicable contractual, copyright, patent, trademark, Trade Secret and related laws in and to the LN Services and the data and information that they provide. Customer shall use such materials in a manner consistent with LN's interests and the terms and conditions herein, and shall notify LN of any threatened or actual infringement of LN's rights. Customer and LN acknowledge that they each may have access to confidential information of the disclosing party ("Disclosing Party") relating to the Disclosing Party's business

including, without limitation, technical, financial, strategies and related information, computer programs, algorithms, know-how, processes, ideas, inventions (whether patentable or not), schematics, Trade Secrets (as defined below) and other information (whether written or oral), and in the case of LN's information, product information, pricing information, product development plans, forecasts, data contained in LN Services, and other business information ("Confidential Information"). Confidential Information shall not include information that: (i) is or becomes (through no improper action or inaction by the Receiving Party (as defined below)) generally known to the public; (ii) was in the Receiving Party's possession or known by it prior to receipt from the Disclosing Party; (iii) was lawfully disclosed to Receiving Party by a third-party and received in good faith and without any duty of confidentiality by the Receiving Party or the third-party; or (iv) was independently developed without use of any Confidential Information of the Disclosing Party by employees of the Receiving Party who have had no access to such Confidential Information. "Trade Secret" shall be deemed to include any information which gives the Disclosing Party an advantage over competitors who do not have access to such information as well as all information that fits the definition of "trade secret" including without limitation pricing information applicable to this Agreement. Each receiving party ("Receiving Party") agrees not to divulge any Confidential Information or information derived therefrom to any third-party and shall protect the confidentiality of the Confidential Information with the same degree of care it uses to protect the confidentiality of its own confidential information and trade secrets, but in no event less than a reasonable degree of care. Notwithstanding the foregoing, the Receiving Party may disclose Confidential Information solely to the extent required by subpoena, court order or other governmental authority, provided that the Receiving Party shall give the Disclosing party prompt written notice of such subpoena, court order or other governmental authority so as to allow the Disclosing party to have an opportunity to obtain a protective order to prohibit or restrict such disclosure at its sole cost and expense. Confidential Information disclosed pursuant to subpoena, court order or other governmental authority shall otherwise remain subject to the terms applicable to Confidential Information. Each party's obligations with respect to Confidential Information shall continue for the term of this Agreement and for a period of five (5) years thereafter, provided however, that with respect Trade Secrets, each party's obligations shall continue for so long as such Confidential Information continues to constitute a Trade Secret. Notwithstanding the foregoing, if Customer is bound by the Freedom of Information Act, 5 U.S.C. 552, or other federal, state, or municipal open records laws or regulations which may require disclosure of information, and disclosure thereunder is requested, Customer agrees that it shall notify LN in writing and provide LN an opportunity to object, if so permitted thereunder, prior to any disclosure.

7. **PAYMENT OF FEES.** Customer shall be responsible for payment for all services ordered by Customer or obtained through Customer's User IDs after the expiration of a free trial, if applicable, whether or not such User ID is used by Customer or a third-party, provided access to the User ID is not the result of use by a person formerly or presently employed by LN or who obtains the User ID by or through a break-in or unauthorized access of LN's offices, premises, records, or documents. Customer shall pay to LN the fees incurred for the use of the LN Services, and Customer agrees that it may be electronically invoiced for those fees. Payments shall be received within thirty (30) days of the invoice date. Any balance not timely paid will accrue interest at the rate of eighteen percent (18%) per annum or the highest rate allowed by applicable law, whichever is less. Customer's obligation to pay invoiced amounts is not subject to any offset, defense or counterclaim.

8. **APPROPRIATION OF FUNDS.** If sufficient funds are not appropriated or allocated for payment under this Agreement for any current or future fiscal period, then Customer may, at its option, terminate this Agreement on the last day of any calendar month, upon ten (10) days prior written notice to LN, without future obligations, liabilities or penalties, except that Customer shall remain liable for amounts due up to the time of termination. In addition, Customer shall certify and warrant in writing that sufficient funds have not been appropriated to continue the Agreement for the next fiscal year.

9. **TERM OF AGREEMENT.** This Agreement is for services rendered and shall be in full force and effect during such periods of time during which LN is providing services for Customer (the "Term"); provided, however, that any term provided on a Schedule A (the "Schedule A Term") shall apply to the LN Services provided under such Schedule A until the expiration of that Schedule A Term. Upon expiration of any Schedule A Term, this Agreement shall continue in effect for so long as LN is providing services for Customer.

10. **TERMINATION.** Except where a Schedule A provides for a Schedule A Term or otherwise sets forth Customer's minimum financial commitment, either party may terminate this Agreement at any time for any reason.

11. **GOVERNING LAW.** In the event that Customer is a government agency, this Agreement shall be governed by and construed in accordance with the municipal, state, or federal law(s) applicable to such agency, without effect to conflicts of law principles.

12. **ASSIGNMENT.** Neither this Agreement nor the license granted herein may be assigned by Customer, in whole or in part, without the prior written consent of LN. An assignment includes without limitation the dissolution, merger, consolidation, reorganization, sale or other transfer of assets, properties, or controlling interest of twenty percent (20%) or more of Customer. Any assignment without the prior written consent of LN shall be void.

13. **DISCLAIMER OF WARRANTIES.** LN (FOR PURPOSES OF INDEMNIFICATION BY CUSTOMER, WARRANTIES, DISCLAIMERS, AND LIMITATIONS ON LIABILITY, LN, ITS SUBSIDIARIES AND AFFILIATES, AND ITS DATA PROVIDERS ARE COLLECTIVELY REFERRED TO AS "LN") DOES NOT MAKE AND HEREBY DISCLAIMS ANY WARRANTY, EXPRESS OR IMPLIED, WITH RESPECT TO THE LN SERVICES. LN DOES NOT WARRANT THE CORRECTNESS, COMPLETENESS, MERCHANTABILITY, OR FITNESS FOR A PARTICULAR PURPOSE OF THE LN SERVICES OR INFORMATION PROVIDED THEREIN. Due to the nature of public record information, the public records and commercially available data sources used in the LN Services may contain errors. Source data is sometimes reported or entered inaccurately, processed poorly or incorrectly, and is generally not free from defect. LN Services are not the source of data, nor are they a comprehensive compilation of the data. Before relying on any data, it should be independently verified.

14. **LIMITATION OF LIABILITY.** Customer agrees that LN's aggregate liability for any and all losses or injuries arising out of any act or omission of LN in connection with anything to be done or furnished under this Agreement, regardless of the cause of the loss or injury, and regardless of the nature of the legal or equitable right claimed to have been violated, shall never exceed One Hundred Dollars (\$100.00); and Customer covenants and promises that it will not sue LN for an amount greater than such sum even if Customer and/or third-parties were advised of the possibility of such damages and that it will not seek punitive damages in any suit against LN. IN NO EVENT SHALL LN BE LIABLE FOR ANY INDIRECT, PUNITIVE, INCIDENTAL, OR CONSEQUENTIAL DAMAGES, HOWEVER ARISING, INCURRED BY CUSTOMER FROM RECEIPT OR USE OF INFORMATION DELIVERED HEREUNDER OR THE UNAVAILABILITY THEREOF.

15. **INDEMNIFICATION.** To the extent permitted by applicable state or federal law, Customer hereby agrees to protect, indemnify, defend, and hold harmless LN from and against any and all costs, claims, demands, damages, losses, and liabilities (including attorneys' fees and costs) arising from or in any way related to (a) use of information received by Customer (or any third-party receiving such information from or through Customer) furnished by or through LN; (b) breach of any terms, conditions, representations or certifications in this Agreement; and (c) any Security Event. LN hereby agrees to protect, indemnify, defend, and hold harmless Customer from and against any and all costs, claims, demands, damages, losses, and liabilities (including attorneys' fees and costs) arising from or in connection with any third-party claim that the LN Services or data contained therein, when used in accordance with this Agreement, infringe a United States patent or United States registered copyright, subject to the following: (i) Customer must promptly give written notice of any claim to LN; (ii) Customer must provide any assistance which LN may reasonably request for the defense of the claim (with reasonable out of pocket expenses paid by LN); and (iii) LN has the right to control the defense or settlement of the claim; provided, however, that the Customer shall have the right to participate in, but not control, any litigation for which indemnification is sought with counsel of its own choosing, at its own expense. Notwithstanding the foregoing, LN will not have any duty to indemnify, defend or hold harmless Customer with respect to any claim of infringement resulting from (1) Customer's misuse of the LN Services; (2) Customer's failure to use any corrections made available by LN; (3) Customer's use of the LN Services in combination with any product or information not provided or authorized in writing by LN; or (4) any information, direction, specification or materials provided by Customer or any third-party. If an injunction or order is issued restricting the use or distribution of any part of the LN Services, or if LN determines that any part of the LN Services is likely to become the subject of a claim of infringement or violation of any proprietary right of any third-party, LN may in its sole discretion and at its option (A) procure for Customer the right to continue using the LN Services; (B) replace or modify the LN Services so that they become non-infringing, provided such modification or replacement does not materially alter or affect the use or operation of the LN Services; or (C) terminate this Agreement and refund any fees relating to the future use of the LN Services. The foregoing remedies constitute Customer's sole and exclusive remedies and LN's entire liability with respect to infringement claims or actions.

16. **SURVIVAL OF AGREEMENT.** Provisions hereof related to release of claims; indemnification; use and protection of information, data and LN Services; payment for the LN Services; audit; LN's use and ownership of Customer's search inquiry data;

disclaimer of warranties and other disclaimers; security; customer data and governing law shall survive any termination of the license to use the LN Services.

17. **AUDIT.** Customer understands and agrees that, in order to ensure compliance with the FCRA, GLBA, DPPA, other similar state or federal laws, regulations or rules, regulatory agency requirements of this Agreement, LN's obligations under its contracts with its data providers, and LN's internal policies, LN may conduct periodic reviews of Customer's use of the LN Services and may, upon reasonable notice, audit Customer's records, processes and procedures related to Customer's use, storage and disposal of LN Services and information received therefrom. Customer agrees to cooperate fully with any and all audits and to respond to any such audit inquiry within ten (10) business days, unless an expedited response is required. Violations discovered in any review and/or audit by LN will be subject to immediate action including, but not limited to, suspension or termination of the license to use the LN Services, reactivation fees, legal action, and/or referral to federal or state regulatory agencies.

18. **EMPLOYEE TRAINING.** Customer shall train new employees prior to allowing access to LN Services on Customer's obligations under this Agreement, including, but not limited to, the licensing requirements and restrictions under [Paragraph 2](#), the security requirements of [Paragraph 3](#) and the privacy requirements in [Paragraph 23](#). Customer shall conduct a similar review of its obligations under this Agreement with existing employees who have access to LN Services no less than annually. Customer shall keep records of such training.

19. **TAXES.** The charges for all LN Services are exclusive of any state, local, or otherwise applicable sales, use, or similar taxes. If any such taxes are applicable, they shall be charged to Customer's account.

20. **CUSTOMER CHANGES.** Customer shall notify LN immediately of any changes to the information on Customer's Application for the LN Services, and, if at any time Customer no longer meets LN's criteria for providing such service, LN may terminate this Agreement. Customer is required to promptly notify LN of a change in ownership of Customer, any change in the name of Customer, and/or any change in the physical address of Customer.

21. **RELATIONSHIP OF PARTIES.** None of the parties shall, at any time, represent that it is the authorized agent or representative of the other. LN's relationship to Customer in the performance of services pursuant to this Agreement is that of an independent contractor.

22. **CHANGE IN AGREEMENT.** By receipt of the LN Services, Customer agrees to, and shall comply with, changes to the restricted license granted to Customer hereunder and as LN shall make from time to time by notice to Customer. Notices to Customer will be provided via written communication. All e-mail notifications shall be sent to the individual named in the Customer Administrator Contact Information section, unless stated otherwise in this Agreement. LN may, at any time, impose restrictions and/or prohibitions on the Customer's use of the LN Services or certain data. Customer understands that such restrictions or changes in access may be the result of a modification in LN policy, a modification of third-party agreements, a modification in industry standards, a Security Event or a change in law or regulation, or the interpretation thereof. Upon written notification by LN of such restrictions, Customer agrees to comply with such restrictions.

23. **PRIVACY PRINCIPLES.** With respect to personally identifiable information regarding consumers, the parties further agree as follows: LN has adopted the "LN Data Privacy Principles" ("Principles"), which may be modified from time to time, recognizing the importance of appropriate privacy protections for consumer data, and Customer agrees that Customer (including its directors, officers, employees or agents) will comply with the Principles or Customer's own comparable privacy principles, policies, or practices. The Principles are available at <http://www.lexisnexis.com/privacy/data-privacy-principles.aspx>.

24. **PUBLICITY.** Customer will not name LN or refer to its use of the LN Services in any press releases, advertisements, promotional or marketing materials, or make any other third-party disclosures regarding LN or Customer's use of the LN Services.

25. **FORCE MAJEURE.** The parties will not incur any liability to each other or to any other party on account of any loss or damage resulting from any delay or failure to perform all or any part of this Agreement (except for payment obligations) to the extent such delay or failure is caused, in whole or in part, by events, occurrences, or causes beyond the control, and without the negligence of, the parties. Such events, occurrences, or causes include, without limitation, acts of God, telecommunications outages, Internet outages, power outages, any irregularity in the announcing or posting of updated data files by the applicable agency, strikes, lockouts, riots, acts of war, floods, earthquakes, fires, and explosions.

26. **ENTIRE AGREEMENT.** Except as otherwise provided herein, this Agreement constitutes the final written agreement and understanding of the parties and is intended as a complete and exclusive statement of the terms of the agreement, which shall supersede all other representations, agreements, and understandings, whether oral or written, which relate to the use of the LN Services and all matters within the scope of this Agreement. Without limiting the foregoing, the provisions related to confidentiality and exchange of information contained in this Agreement shall, with respect to the LN Services and all matters within the scope of this Agreement, supersede any separate non-disclosure agreement that is or may in the future be entered into by the parties hereto. Any additional, supplementary, or conflicting terms supplied by the Customer, including those contained in purchase orders or confirmations issued by the Customer, are specifically and expressly rejected by LN unless LN expressly agrees to them in a signed writing. The terms contained herein shall control and govern in the event of a conflict between these terms and any new, other, or different terms in any other writing. This Agreement can be executed in counterparts and faxed or electronic signatures will be deemed originals.

27. **MISCELLANEOUS.** If any provision of this Agreement or any exhibit shall be held by a court of competent jurisdiction to be contrary to law, invalid or otherwise unenforceable, such provision shall be changed and interpreted so as to best accomplish the objectives of the original provision to the fullest extent allowed by law, and in any event the remaining provisions of this Agreement shall remain in full force and effect. The headings in this Agreement are inserted for reference and convenience only and shall not enter into the interpretation hereof.

28. **ECONOMIC SANCTIONS LAWS.** Customer acknowledges that LN is subject to economic sanctions laws, including but not limited to those enforced by the U.S. Department of the Treasury's Office of Foreign Assets Control ("OFAC"), the European Union, and the United Kingdom. Accordingly, Customer shall comply with all economic sanctions laws of the United States, the European Union, and the United Kingdom. Customer shall not provide access to LN Services to any individuals identified on OFAC's list of Specially Designated Nationals ("SDN List"), the UK's HM Treasury's Consolidated List of Sanctions Targets, or the EU's Consolidated List of Persons, Groups, and Entities Subject to EU Financial Sanctions. Customer shall not take any action which would place LN in a position of non-compliance with any such economic sanctions laws.

LN FCRA Agreement Government Agencies & Law Enforcement

LexisNexis Risk Solutions Bureau LLC and its Affiliates (collectively or individually “LN”) provide various FCRA products and services governed by the Fair Credit Reporting Act (15 U.S.C. Sec. 1681 et seq) (“FCRA”), and as defined in certain state-specific FCRA rules, as well as other applicable laws and regulations (the “LN Services”). The Terms and Conditions below apply to those FCRA products and Services.

TERMS AND CONDITIONS

3. **SCOPE OF SERVICES.** LN agrees to provide the LN Services described in a Purchase Order or Schedule A to this Agreement to Customer, subject to the terms and conditions herein. This Agreement shall encompass any and all delivery methods provided to Customer for the LN Services, including, but not limited to, online, batch, XML, assisted searching, machine-to-machine searches, and any other means which may become available.

4. **RESTRICTED LICENSE.** LN hereby grants to Customer a restricted license to use the LN Services and any data contained therein, subject to the restrictions and limitations set forth below:

(i) Generally. LN hereby grants to Customer a restricted license to use the LN Services solely for Customer’s own internal business purposes. Customer represents and warrants that all of Customer’s use of the LN Services shall be for only legitimate business purposes, including those specified by Customer in connection with a specific information request, relating to its business and as otherwise governed by the Agreement. Customer shall not use the LN Services for marketing purposes or resell or broker the LN Services to any third-party, and shall not use the LN Services for personal (non-business) purposes. Customer shall not use the LN Services to provide data processing services to third-parties or evaluate data for third-parties or, without LN’s consent, to compare the LN Services against a third party’s data processing services. Customer agrees that, if LN determines or reasonably suspects that continued provision of LN Services to Customer entails a potential security risk, or that Customer is in violation of any provision of this Agreement or law, LN may take immediate action, including, without limitation, terminating the delivery of, and the license to use, the LN Services. Customer shall not access the LN Services from Internet Protocol addresses located outside of the United States and its territories without LN’s prior written approval. Customer may not use the LN Services to create a competing product. Customer shall comply with all laws, regulations and rules which govern the use of the LN Services and information provided therein. LN may at any time mask or cease to provide Customer access to any LN Services or portions thereof which LN may deem, in LN’s sole discretion, to be sensitive or restricted information.

(ii) GLBA Data. Some of the information contained in the LN Services is “nonpublic personal information,” as defined in the Gramm-Leach-Bliley Act, (15 U.S.C. § 6801, et seq.) and related state laws (collectively, the “GLBA”), and is regulated by the GLBA (“GLBA Data”). Customer shall not obtain and/or use GLBA Data through the LN Services in any manner that would violate the GLBA, or any similar state or local laws, regulations and rules. Customer acknowledges and agrees that it may be required to certify its permissible use of GLBA Data falling within an exception set forth in the GLBA at the time it requests information in connection with certain LN Services and will recertify upon request by LN. Customer certifies with respect to GLBA Data received through the LN Services that it complies with the Interagency Standards for Safeguarding Customer Information issued pursuant to the GLBA.

(iii) DPPA Data. Some of the information contained in the LN Services is “personal information,” as defined in the Drivers Privacy Protection Act, (18 U.S.C. § 2721 et seq.) and related state laws (collectively, the “DPPA”), and is regulated by the DPPA (“DPPA Data”). Customer shall not obtain and/or use DPPA Data through the LN Services in any manner that would violate the

DPPA. Customer acknowledges and agrees that it may be required to certify its permissible use of DPPA Data at the time it requests information in connection with certain LN Services and will recertify upon request by LN.

(iv) Social Security and Driver's License Numbers. LN may in its sole discretion permit Customer to access QA Data (as previously defined). If Customer is authorized by LN to receive QA Data, and Customer obtains QA Data through the LN Services, Customer certifies it will not use the QA Data for any purpose other than as expressly authorized by LN policies, the terms and conditions herein, and applicable laws and regulations. In addition to the restrictions on distribution otherwise set forth in Paragraph 3 below, Customer agrees that it will not permit QA Data obtained through the LN Services to be used by an employee or contractor that is not an Authorized User with an Authorized Use. Customer agrees it will certify, in writing, its uses for QA Data and recertify upon request by LN. Customer may not, to the extent permitted by the terms of this Agreement, transfer QA Data via email or ftp without LN's prior written consent. However, Customer shall be permitted to transfer such information so long as: 1) a secured method (for example, sftp) is used, 2) transfer is not to any third-party, and 3) such transfer is limited to such use as permitted under this Agreement. LN may at any time and for any or no reason cease to provide or limit the provision of QA Data to Customer.

(v) Copyrighted and Trademarked Materials. Customer shall not remove or obscure any trademarks, copyright notices or other notices contained on materials accessed through the LN Services.

(vi) Additional Terms. To the extent that the LN Services accessed by Customer include information or data described in the Risk Supplemental Terms contained at the following website: www.lexisnexis.com/terms/risksupp/, Customer agrees to comply with the Risk Supplemental Terms set forth therein. The Risk Supplemental Terms are hereby incorporated into this Agreement by reference.

(vii) Fair Credit Reporting Act Obligations. Customer certifies that when using the LN Services, it will comply with all applicable provisions of the FCRA and all other applicable federal, state and local legislation, regulations and rules. Without limiting the generality of the foregoing, Customer certifies that (a) Customer will comply with all applicable provisions of the California Credit Reporting Agencies Act and any related regulations; and (b) Customer will comply with all Vermont statutes and regulations on fair credit reporting, including but not limited to, obtaining the consent of Vermont residents prior to obtaining any information on Vermont residents through these Consumer Report LN Services. In addition, Customer certifies it has a permissible purpose under the FCRA for obtaining a Consumer Report as set forth in Part 4 of this Agreement. Customer acknowledges that LN has provided the "Notice to Users of Consumer Reports", attached hereto as Attachment A, which informs users of consumer reports of their legal obligations under the FCRA.

(viii) MVR Data. If Customer is permitted to access Motor Vehicle Records ("MVR Data") from LN, without in any way limiting Customer's obligations to comply with all state and federal laws governing use of MVR Data, the following specific restrictions apply and are subject to change:

- (d) Customer shall not use any MVR Data provided by LN, or portions of information contained therein, to create or update a file that Customer uses to develop its own source of driving history information.
- (e) As requested by LN, Customer shall complete any state forms that LN is legally or contractually bound to obtain from Customer before providing Customer with MVR Data.
- (f) LN (and certain Third-Party vendors) may conduct reasonable and periodic audits of Customer's use of MVR Data. In response to any such audit, Customer must be able to substantiate the reason for each MVR Data order.

(ix) HIPAA. Customer represents and warrants that Customer will not provide LN with any Protected Health Information (as that term is defined in 45 C.F.R. Sec. 160.103) or with Electronic Health Records or Patient Health Records (as those terms are defined in 42 U.S.C. Sec. 17921(5), and 42 U.S.C. Sec. 17921(11), respectively) or with information from such records without the execution of a separate agreement between the parties.

(x) **Retention of Records.** For uses of GLB Data, DPPA Data and MVR Data, as described in Sections 2(ii), 2(iii) and 2(viii), Customer shall maintain for a period of five (5) years a complete and accurate record (including consumer identity, purpose and, if applicable, consumer authorization) pertaining to every access to such data.

3. **SECURITY.** Customer acknowledges that the information available through the LN Services may include personally identifiable information and it is Customer's obligation to keep all such accessed information confidential and secure. Accordingly, Customer shall (a) restrict access to LN Services to those employees who have a need to know as part of their official duties; (b) ensure that none of its employees shall (i) obtain and/or use any information from the LN Services for personal reasons, or (ii) transfer any information received through the LN Services to any party except as permitted hereunder; (c) keep all user identification numbers, and related passwords, or other security measures (collectively, "User IDs") confidential and prohibit the sharing of User IDs; (d) immediately deactivate the User ID of any employee who no longer has a need to know, or for terminated employees on or prior to the date of termination; (e) in addition to any obligations under Paragraph 2, take all commercially reasonable measures to prevent unauthorized access to, or use of, the LN Services or data received therefrom, whether the same is in electronic form or hard copy, by any person or entity; (f) maintain and enforce data destruction procedures to protect the security and confidentiality of all information obtained through LN Services as it is being disposed; (g) purge all information received through the LN Services within ninety (90) days of initial receipt; provided that Customer may extend such period if and solely to the extent such information is retained thereafter in archival form to provide documentary support required for Customer's legal or regulatory compliance efforts; (h) be capable of receiving the LN Services where the same are provided utilizing "secure socket layer," or such other means of secure transmission as is deemed reasonable by LN; (i) not access and/or use the LN Services via mechanical, programmatic, robotic, scripted or other automated search means, other than through batch or machine-to-machine applications approved by LN; (j) take all steps to protect their networks and computer environments, or those used to access the LN Services, from compromise; (k) on at least a quarterly basis review searches performed by its User IDs to ensure that such searches were performed for a legitimate business purpose and in compliance with all terms and conditions herein; and (l) maintain policies and procedures to prevent unauthorized use of User IDs and the LN Services. Customer will immediately notify LN, by written notification to the LN Privacy, Security and Compliance Organization at 1000 Alderman Drive, Alpharetta, Georgia 30005 and by email (security.investigations@lexisnexis.com) and by phone (1-888-872-5375), if Customer suspects, has reason to believe or confirms that a User ID or the LN Services (or data derived directly or indirectly therefrom) is or has been lost, stolen, compromised, misused or used, accessed or acquired in an unauthorized manner or by any unauthorized person, or for any purpose contrary to the terms and conditions herein. Furthermore, in the event that the LN Services provided to the Customer include personally identifiable information (including, but not limited to, social security numbers, driver's license numbers or dates of birth), the following shall apply: Customer acknowledges that, upon unauthorized acquisition or access of or to such personally identifiable information, including but not limited to that which is due to use by an unauthorized person or due to unauthorized use (a "Security Event"), Customer shall, in compliance with law, notify the individuals whose information was potentially accessed or acquired that a Security Event has occurred, and shall also notify any other parties (including but not limited to regulatory entities and credit reporting agencies) as may be required in LN's reasonable discretion. Customer agrees that such notification shall not reference LN or the product through which the data was provided, nor shall LN be otherwise identified or referenced in connection with the Security Event, without LN's express written consent. Customer shall be solely responsible for any other legal or regulatory obligations which may arise under applicable law in connection with such a Security Event and shall bear all costs associated with complying with legal and regulatory obligations in connection therewith. Customer shall provide samples of all proposed materials to notify consumers and any third-parties, including regulatory entities, to LN for review and approval prior to distribution. In the event of a Security Event, LN may, in its sole discretion, take immediate action, including suspension or termination of Customer's account, without further obligation or liability of any kind.

6. **PERFORMANCE.** LN will use commercially reasonable efforts to deliver the LN Services requested by Customer and to compile information gathered from selected public records and other sources used in the provision of the LN Services; provided, however, that the Customer accepts all information "AS IS". Customer acknowledges and agrees that LN obtains its data from third party sources, which may or may not be completely thorough and accurate, and that Customer shall not rely on LN for the accuracy or completeness of information supplied through the LN Services. Without limiting the foregoing, the criminal record data that may be provided as part of the LN Services may include records that have been expunged, sealed, or otherwise have

become inaccessible to the public since the date on which the data was last updated or collected. Customer understands that Customer may be restricted from accessing certain LN Services which may be otherwise available. LN reserves the right to add materials and features to, and to discontinue offering any of the materials and features that are currently a part of, the LN Services. In the event that LN discontinues a material portion of the materials and features that Customer regularly uses in the ordinary course of its business, and such materials and features are part of a flat fee subscription plan to which Customer has subscribed, LN will, at Customer's option, issue a prorated credit to Customer's account.

7. **PRICING SCHEDULES.** Upon acceptance by the LN Affiliate(s) set forth on an applicable Purchase Order or Schedule A (hereinafter "Schedule(s) A"), such LN Affiliate(s) shall provide the LN Services requested by Customer and set forth in one (1) or more Schedules A attached hereto or subsequently incorporated by reference, for the fees listed on such purchase orders or schedules. The fees listed on a Schedule A may be updated from time to time by notice to Customer. All current and future pricing documents and Schedule(s) A are deemed incorporated herein by reference.

8. **INTELLECTUAL PROPERTY; CONFIDENTIALITY.** Customer agrees that Customer shall not reproduce, retransmit, republish, or otherwise transfer for any commercial purposes the LN Services' information, programs or computer applications. Customer acknowledges that LN (and/or its third party data providers) shall retain all right, title, and interest under applicable contractual, copyright, patent, trademark, Trade Secret and related laws in and to the LN Services and the data and information that they provide. Customer shall use such materials in a manner consistent with LN's interests and the terms and conditions herein, and shall notify LN of any threatened or actual infringement of LN's rights. Customer and LN acknowledge that they each may have access to confidential information of the disclosing party ("Disclosing Party") relating to the Disclosing Party's business including, without limitation, technical, financial, strategies and related information, computer programs, algorithms, know-how, processes, ideas, inventions (whether patentable or not), schematics, Trade Secrets (as defined below) and other information (whether written or oral), and in the case of LN's information, product information, pricing information, product development plans, forecasts, data contained in LN Services, and other business information ("Confidential Information"). Confidential Information shall not include information that: (i) is or becomes (through no improper action or inaction by the Receiving Party (as defined below)) generally known to the public; (ii) was in the Receiving Party's possession or known by it prior to receipt from the Disclosing Party; (iii) was lawfully disclosed to Receiving Party by a third-party and received in good faith and without any duty of confidentiality by the Receiving Party or the third-party; or (iv) was independently developed without use of any Confidential Information of the Disclosing Party by employees of the Receiving Party who have had no access to such Confidential Information. "Trade Secret" shall be deemed to include any information which gives the Disclosing Party an advantage over competitors who do not have access to such information as well as all information that fits the definition of "trade secret" including without limitation pricing information applicable to this Agreement. Each receiving party ("Receiving Party") agrees not to divulge any Confidential Information or information derived therefrom to any third-party and shall protect the confidentiality of the Confidential Information with the same degree of care it uses to protect the confidentiality of its own confidential information and trade secrets, but in no event less than a reasonable degree of care. Notwithstanding the foregoing, the Receiving Party may disclose Confidential Information solely to the extent required by subpoena, court order or other governmental authority, provided that the Receiving Party shall give the Disclosing party prompt written notice of such subpoena, court order or other governmental authority so as to allow the Disclosing party to have an opportunity to obtain a protective order to prohibit or restrict such disclosure at its sole cost and expense. Confidential Information disclosed pursuant to subpoena, court order or other governmental authority shall otherwise remain subject to the terms applicable to Confidential Information. Each party's obligations with respect to Confidential Information shall continue for the term of this Agreement and for a period of five (5) years thereafter, provided however, that with respect Trade Secrets, each party's obligations shall continue for so long as such Confidential Information continues to constitute a Trade Secret. Notwithstanding the foregoing, if Customer is bound by the Freedom of Information Act, 5 U.S.C. 552, or other federal, state, or municipal open records laws or regulations which may require disclosure of information, and disclosure thereunder is requested, Customer agrees that it shall notify LN in writing and provide LN an opportunity to object, if so permitted thereunder, prior to any disclosure.

9. **PAYMENT OF FEES.** Customer shall be responsible for payment for all services ordered by Customer or obtained through Customer's User IDs after the expiration of a free trial if applicable, whether or not such User ID is used by Customer or a third-party, provided access to the User ID is not the result of use by a person formerly or presently employed by LN or who obtains the User ID by or through a break-in or unauthorized access of LN's offices, premises, records, or documents. Customer shall pay to LN the fees incurred for the use of the LN Services, and Customer agrees that it may be electronically invoiced for those fees. Payments shall be received within thirty (30) days of the invoice date. Any balance not timely paid will accrue interest at the rate of eighteen percent (18%) per annum or the highest rate allowed by applicable law, whichever is less. Customer's obligation to pay invoiced amounts is not subject to any offset, defense or counterclaim.

10. **APPROPRIATION OF FUNDS.** If sufficient funds are not appropriated or allocated for payment under this Agreement for any current or future fiscal period, then Customer may, at its option, terminate this Agreement on the last day of any calendar month, upon ten (10) days prior written notice to LN, without future obligations, liabilities or penalties, except that Customer shall remain liable for amounts due up to the time of termination. In addition, Customer shall certify and warrant in writing that sufficient funds have not been appropriated to continue the Agreement for the next fiscal year.

11. **TERM OF AGREEMENT.** This Agreement is for services rendered and shall be in full force and effect during such periods of time during which LN is providing services for Customer (the "Term"); provided, however, that any term provided on a Schedule A (the "Schedule A Term") shall apply to the LN Services provided under such Schedule A until the expiration of that Schedule A Term. Upon expiration of any Schedule A Term, this Agreement shall continue in effect for so long as LN is providing services for Customer.

12. **TERMINATION.** Except where a Schedule A provides for a Schedule A Term or otherwise sets forth Customer's minimum financial commitment, either party may terminate this Agreement at any time for any reason.

13. **GOVERNING LAW.** In the event that Customer is a government agency, this Agreement shall be governed by and construed in accordance with the municipal, state, or federal law(s) applicable to such agency, without effect to conflicts of law principles.

14. **ASSIGNMENT.** Neither this Agreement nor the license granted herein may be assigned by Customer, in whole or in part, without the prior written consent of LN. An assignment includes without limitation the dissolution, merger, consolidation, reorganization, sale or other transfer of assets, properties, or controlling interest of twenty percent (20%) or more of Customer. Any assignment without the prior written consent of LN shall be void.

15. **DISCLAIMER OF WARRANTIES.** LN (FOR PURPOSES OF INDEMNIFICATION BY CUSTOMER, WARRANTIES, DISCLAIMERS, AND LIMITATIONS ON LIABILITY, LN, ITS SUBSIDIARIES AND AFFILIATES, AND ITS DATA PROVIDERS ARE COLLECTIVELY REFERRED TO AS "LN") DOES NOT MAKE AND HEREBY DISCLAIMS ANY WARRANTY, EXPRESS OR IMPLIED, WITH RESPECT TO THE LN SERVICES. LN DOES NOT WARRANT THE CORRECTNESS, COMPLETENESS, MERCHANTABILITY, OR FITNESS FOR A PARTICULAR PURPOSE OF THE LN SERVICES OR INFORMATION PROVIDED THEREIN. Due to the nature of public record information, the public records and commercially available data sources used in the LN Services may contain errors. Source data is sometimes reported or entered inaccurately, processed poorly or incorrectly, and is generally not free from defect. LN Services are not the source of data, nor are they a comprehensive compilation of the data. Before relying on any data, it should be independently verified.

16. **LIMITATION OF LIABILITY.** Customer agrees that LN's aggregate liability for any and all losses or injuries arising out of any act or omission of LN in connection with anything to be done or furnished under this Agreement, regardless of the cause of the loss or injury, and regardless of the nature of the legal or equitable right claimed to have been violated, shall never exceed One Hundred Dollars (\$100.00); and Customer covenants and promises that it will not sue LN for an amount greater than such sum even if Customer and/or third-parties were advised of the possibility of such damages and that it will not seek punitive damages in any suit against LN. LN does not make and hereby disclaims any warranty, express or implied, with respect to the LN Services. LN does not guarantee or warrant the correctness, completeness, merchantability, or fitness for a particular purpose of the LN Services or information provided therein. IN NO EVENT SHALL LN BE LIABLE FOR ANY INDIRECT, PUNITIVE, INCIDENTAL, OR CONSEQUENTIAL DAMAGES, HOWEVER ARISING, INCURRED BY CUSTOMER FROM RECEIPT OR USE OF INFORMATION DELIVERED HEREUNDER OR THE UNAVAILABILITY THEREOF.

17. **INDEMNIFICATION.** To the extent permitted by applicable state or federal law, Customer hereby agrees to protect, indemnify, defend, and hold harmless LN from and against any and all costs, claims, demands, damages, losses, and liabilities (including attorneys' fees and costs) arising from or in any way related to (a) use of information received by Customer (or any third-party receiving such information from or through Customer) furnished by or through LN; (b) breach of any terms, conditions, representations or certifications in this Agreement; and (c) any Security Event. LN hereby agrees to protect, indemnify, defend, and hold harmless Customer from and against any and all costs, claims, demands, damages, losses, and liabilities (including attorneys' fees and costs) arising from or in connection with any third-party claim that the LN Services or data contained therein, when used in accordance with this Agreement, infringe a United States patent or United States registered copyright, subject to the following: (i) Customer must promptly give written notice of any claim to LN; (ii) Customer must provide any assistance which LN may reasonably request for the defense of the claim (with reasonable out of pocket expenses paid by LN); and (iii) LN has the right to control the defense or settlement of the claim; provided, however, that the Customer shall have the right to participate

in, but not control, any litigation for which indemnification is sought with counsel of its own choosing, at its own expense. Notwithstanding the foregoing, LN will not have any duty to indemnify, defend or hold harmless Customer with respect to any claim of infringement resulting from (1) Customer's misuse of the LN Services; (2) Customer's failure to use any corrections made available by LN; (3) Customer's use of the LN Services in combination with any product or information not provided or authorized in writing by LN; or (4) any information, direction, specification or materials provided by Customer or any third-party. If an injunction or order is issued restricting the use or distribution of any part of the LN Services, or if LN determines that any part of the LN Services is likely to become the subject of a claim of infringement or violation of any proprietary right of any third-party, LN may in its sole discretion and at its option (A) procure for Customer the right to continue using the LN Services; (B) replace or modify the LN Services so that they become non-infringing, provided such modification or replacement does not materially alter or affect the use or operation of the LN Services; or (C) terminate this Agreement and refund any fees relating to the future use of the LN Services. The foregoing remedies constitute Customer's sole and exclusive remedies and LN's entire liability with respect to infringement claims or actions.

18. **SURVIVAL OF AGREEMENT.** Provisions hereof related to release of claims; indemnification; use and protection of information, data and LN Services; payment for the LN Services; audit; LN's use and ownership of Customer's search inquiry data; disclaimer of warranties and other disclaimers; security; customer data and governing law shall survive any termination of the license to use the LN Services.

19. **AUDIT.** Customer understands and agrees that, in order to ensure compliance with the FCRA, GLBA, DPPA, other similar state or federal laws, regulations or rules, regulatory agency requirements of this Agreement, LN's obligations under its contracts with its data providers, and LN's internal policies, LN may conduct periodic reviews of Customer's use of the LN Services and may, upon reasonable notice, audit Customer's records, processes and procedures related to Customer's use, storage and disposal of LN Services and information received therefrom. Customer agrees to cooperate fully with any and all audits and to respond to any such audit inquiry within ten (10) business days, unless an expedited response is required. Violations discovered in any review and/or audit by LN will be subject to immediate action including, but not limited to, suspension or termination of the license to use the LN Services, reactivation fees, legal action, and/or referral to federal or state regulatory agencies.

18. **EMPLOYEE TRAINING.** Customer shall train new employees prior to allowing access to LN Services on Customer's obligations under this Agreement, including, but not limited to, the licensing requirements and restrictions under [Paragraph 2](#), the security requirements of [Paragraph 3](#) and the privacy requirements in [Paragraph 23](#). Customer shall conduct a similar review of its obligations under this Agreement with existing employees who have access to LN Services no less than annually. Customer shall keep records of such training.

19. **TAXES.** The charges for all LN Services are exclusive of any state, local, or otherwise applicable sales, use, or similar taxes. If any such taxes are applicable, they shall be charged to Customer's account.

20. **CUSTOMER CHANGES.** Customer shall notify LN immediately of any changes to the information on Customer's Application for the LN Services, and, if at any time Customer no longer meets LN's criteria for providing such service, LN may terminate this Agreement. Customer is required to promptly notify LN of a change in ownership of Customer, any change in the name of Customer, and/or any change in the physical address of Customer.

21. **RELATIONSHIP OF PARTIES.** None of the parties shall, at any time, represent that it is the authorized agent or representative of the other. LN's relationship to Customer in the performance of services pursuant to this Agreement is that of an independent contractor.

22. **CHANGE IN AGREEMENT.** By receipt of the LN Services, Customer agrees to, and shall comply with, changes to the restricted license granted to Customer hereunder and as LN shall make from time to time by notice to Customer. Notices to Customer will be provided via written communication. All e-mail notifications shall be sent to the individual named in the Customer Administrator Contact Information section, unless stated otherwise in this Agreement. LN may, at any time, impose restrictions and/or prohibitions on the Customer's use of the LN Services or certain data. Customer understands that such

restrictions or changes in access may be the result of a modification in LN policy, a modification of third-party agreements, a modification in industry standards, a Security Event or a change in law or regulation, or the interpretation thereof. Upon written notification by LN of such restrictions, Customer agrees to comply with such restrictions.

23. **PRIVACY PRINCIPLES.** With respect to personally identifiable information regarding consumers, the parties further agree as follows: LN has adopted the "LN Data Privacy Principles" ("Principles"), which may be modified from time to time, recognizing the importance of appropriate privacy protections for consumer data, and Customer agrees that Customer (including its directors, officers, employees or agents) will comply with the Principles or Customer's own comparable privacy principles, policies, or practices. The Principles are available at <http://www.lexisnexis.com/privacy/data-privacy-principles.aspx>.

24. **PUBLICITY.** Customer will not name LN or refer to its use of the LN Services in any press releases, advertisements, promotional or marketing materials, or make any other third-party disclosures regarding LN or Customer's use of the LN Services.

25. **FORCE MAJEURE.** The parties will not incur any liability to each other or to any other party on account of any loss or damage resulting from any delay or failure to perform all or any part of this Agreement (except for payment obligations) to the extent such delay or failure is caused, in whole or in part, by events, occurrences, or causes beyond the control, and without the negligence of, the parties. Such events, occurrences, or causes include, without limitation, acts of God, telecommunications outages, Internet outages, power outages, any irregularity in the announcing or posting of updated data files by the applicable agency, strikes, lockouts, riots, acts of war, floods, earthquakes, fires, and explosions.

26. **ENTIRE AGREEMENT.** Except as otherwise provided herein, this Agreement constitutes the final written agreement and understanding of the parties and is intended as a complete and exclusive statement of the terms of the agreement, which shall supersede all other representations, agreements, and understandings, whether oral or written, which relate to the use of the LN Services and all matters within the scope of this Agreement. Without limiting the foregoing, the provisions related to confidentiality and exchange of information contained in this Agreement shall, with respect to the LN Services and all matters within the scope of this Agreement, supersede any separate non-disclosure agreement that is or may in the future be entered into by the parties hereto. Any additional, supplementary, or conflicting terms supplied by the Customer, including those contained in purchase orders or confirmations issued by the Customer, are specifically and expressly rejected by LN unless LN expressly agrees to them in a signed writing. The terms contained herein shall control and govern in the event of a conflict between these terms and any new, other, or different terms in any other writing. This Agreement can be executed in counterparts and faxed or electronic signatures will be deemed originals.

Attachment A

All users of consumer reports must comply with all applicable regulations. Information about applicable regulations currently in effect can be found at the Consumer Financial Protection Bureau's website, www.consumerfinance.gov/learnmore.

**NOTICE TO USERS OF CONSUMER REPORTS:
OBLIGATIONS OF USERS UNDER THE FCRA**

The Fair Credit Reporting Act (FCRA), 15 U.S.C. §1681-1681y, requires that this notice be provided to inform users of consumer reports of their legal obligations. State law may impose additional requirements. The text of the FCRA is set forth in full at the Consumer Financial Protection Bureau's (CFPB) website at www.consumerfinance.gov/learnmore. At the end of this document is a list of United States Code citations for the FCRA. Other information about user duties is also available at the CFPB's website. **Users must consult the relevant provisions of the FCRA for details about their obligations under the FCRA.**

The first section of this summary sets forth the responsibilities imposed by the FCRA on all users of consumer reports. The subsequent sections discuss the duties of users of reports that contain specific types of information, or that are used for certain purposes, and the legal consequences of violations. If you are a furnisher of information to a consumer reporting agency (CRA), you have additional obligations and will receive a separate notice from the CRA describing your duties as a furnisher.

I. OBLIGATIONS OF ALL USERS OF CONSUMER REPORTS

A. Users Must Have a Permissible Purpose

Congress has limited the use of consumer reports to protect consumers' privacy. All users must have a permissible purpose under the FCRA to obtain a consumer report. Section 604 contains a list of the permissible purposes under the law. These are:

- As ordered by a court or a federal grand jury subpoena. [Section 604\(a\)\(1\)](#)
- As instructed by the consumer in writing. [Section 604\(a\)\(2\)](#)
- For the extension of credit as a result of an application from a consumer, or the review or collection of a consumer's account. [Section 604\(a\)\(3\)\(A\)](#)
- For employment purposes, including hiring and promotion decisions, where the consumer has given written permission. [Sections 604\(a\)\(3\)\(B\) and 604\(b\)](#)
- For the underwriting of insurance as a result of an application from a consumer. [Section 604\(a\)\(3\)\(C\)](#)
- When there is a legitimate business need, in connection with a business transaction that is initiated by the consumer. [Section 604\(a\)\(3\)\(F\)\(i\)](#)
- To review a consumer's account to determine whether the consumer continues to meet the terms of the account. [Section 604\(a\)\(3\)\(F\)\(ii\)](#)
- To determine a consumer's eligibility for a license or other benefit granted by a governmental instrumentality required by law to consider an applicant's financial responsibility or status. [Section 604\(a\)\(3\)\(D\)](#)
- For use by a potential investor or servicer, or current insurer, in a valuation or assessment of the credit or prepayment risks associated with an existing credit obligation. [Section 604\(a\)\(3\)\(E\)](#)
- For use by state and local officials in connection with the determination of child support payments, or modifications and enforcement thereof. [Sections 604\(a\)\(4\) and 604\(a\)\(5\)](#)

In addition, creditors and insurers may obtain certain consumer report information for the purpose of making "prescreened" unsolicited offers of credit or insurance. [Section 604\(c\)](#). The particular obligations of users of "prescreened" information are described in Section VII below.

B. Users Must Provide Certifications

Section 604(f) prohibits any person from obtaining a consumer report from a consumer reporting agency (CRA) unless the person has certified to the CRA the permissible purpose(s) for which the report is being obtained and certifies that the report will not be used for any other purpose.

C. Users Must Notify Consumers When Adverse Actions Are Taken

The term “adverse action” is defined very broadly by Section 603. “Adverse actions” include all business, credit, and employment actions affecting consumers that can be considered to have a negative impact as defined by Section 603(k) of the FCRA – such as denying or canceling credit or insurance, or denying employment or promotion. No adverse action occurs in a credit transaction where the creditor makes a counteroffer that is accepted by the consumer.

1. Adverse Actions Based on Information Obtained From a CRA

If a user takes any type of adverse action as defined by the FCRA that is based at least in part on information contained in a consumer report, Section 615(a) requires the user to notify the consumer. The notification may be done in writing, orally, or by electronic means. It must include the following:

- The name, address, and telephone number of the CRA (including a toll-free telephone number, if it is a nationwide CRA) that provided the report.
- A statement that the CRA did not make the adverse decision and is not able to explain why the decision was made.
- A statement setting forth the consumer’s right to obtain a free disclosure of the consumer’s file from the CRA if the consumer makes a request within 60 days.
- A statement setting forth the consumer’s right to dispute directly with the CRA the accuracy or completeness of any information provided by the CRA.

2. Adverse Actions Based on Information Obtained From Third Parties Who Are Not Consumer Reporting Agencies

If a person denies (or increases the charge for) credit for personal, family, or household purposes based either wholly or partly upon information from a person other than a CRA, and the information is the type of consumer information covered by the FCRA, Section 615(b)(1) requires that the user clearly and accurately disclose to the consumer his or her right to be told the nature of the information that was relied upon if the consumer makes a written request within 60 days of notification. The user must provide the disclosure within a reasonable period of time following the consumer’s written request.

3. Adverse Actions Based on Information Obtained From Affiliates

If a person takes an adverse action involving insurance, employment, or a credit transaction initiated by the consumer, based on information of the type covered by the FCRA, and this information was obtained from an entity affiliated with the user of the information by common ownership or control, Section 615(b)(2) requires the user to notify the consumer of the adverse action. The notice must inform the consumer that he or she may obtain a disclosure of the nature of the information relied upon by making a written request within 60 days of receiving the adverse action notice. If the consumer makes such a request, the user must disclose the nature of the information not later than 30 days after receiving the request. If consumer report information is shared among affiliates and then used for an adverse action, the user must make an adverse action disclosure as set forth in I.C.1 above.

D. Users Have Obligations When Fraud and Active Duty Military Alerts are in Files

When a consumer has placed a fraud alert, including one relating to identity theft, or an active duty military alert with a nationwide consumer reporting agency as defined in Section 603(p) and resellers, Section 605A(h) imposes limitations on users of reports obtained from the consumer reporting agency in certain circumstances, including the establishment of a new credit plan and the issuance of additional credit cards. For initial fraud alerts and active duty alerts, the user must have reasonable policies and procedures in place to form a belief that the user knows the identity of the applicant or contact the consumer at a telephone number specified by the consumer; in the case of extended fraud alerts, the user must contact the consumer in accordance with the contact information provided in the consumer’s alert.

E. Users Have Obligations When Notified of an Address Discrepancy

Section 605(h) requires nationwide CRAs, as defined in Section 603(p), to notify users that request reports when the address for a consumer provided by the user in requesting the report is substantially different from the addresses in the consumer’s file. When this occurs, users must comply with regulations specifying the procedures to be followed. Federal regulations are available at www.consumerfinance.gov/learnmore.

F. Users Have Obligations When Disposing of Records

Section 628 requires that all users of consumer report information have in place procedures to properly dispose of records containing this information. Federal regulations have been issued that cover disposal.

II. CREDITORS MUST MAKE ADDITIONAL DISCLOSURES

If a person uses a consumer report in connection with an application for, or a grant, extension, or provision of, credit to a consumer on material terms that are materially less favorable than the most favorable terms available to a substantial proportion of consumers from or through that person, based in whole or in part on a consumer report, the person must provide a risk-based pricing notice to the consumer in accordance with regulations prescribed by the CFPB.

Section 609(g) requires a disclosure by all persons that make or arrange loans secured by residential real property (one to four units) and that use credit scores. These persons must provide credit scores and other information about credit scores to applicants, including the disclosure set forth in Section 609(g)(1)(D) ("Notice to the Home Loan Applicant").

III. OBLIGATIONS OF USERS WHEN CONSUMER REPORTS ARE OBTAINED FOR EMPLOYMENT PURPOSES

A. Employment Other Than in the Trucking Industry

If the information from a CRA is used for employment purposes, the user has specific duties, which are set forth in Section 604(b) of the FCRA. The user must:

- Make a clear and conspicuous written disclosure to the consumer before the report is obtained, in a document that consists solely of the disclosure, that a consumer report may be obtained.
- Obtain from the consumer prior written authorization. Authorization to access reports during the term of employment may be obtained at the time of employment.
- Certify to the CRA that the above steps have been followed, that the information being obtained will not be used in violation of any federal or state equal opportunity law or regulation, and that, if any adverse action is to be taken based on the consumer report, a copy of the report and a summary of the consumer's rights will be provided to the consumer.
- **Before** taking an adverse action, the user must provide a copy of the report to the consumer as well as the summary of consumer's rights (The user should receive this summary from the CRA.) A Section 615(a) adverse action notice should be sent after the adverse action is taken.

An adverse action notice also is required in employment situations if credit information (other than transactions and experience data) obtained from an affiliate is used to deny employment. [Section 615\(b\)\(2\)](#).

The procedures for investigative consumer reports and employee misconduct investigations are set forth below.

B. Employment in the Trucking Industry

Special rules apply for truck drivers where the only interaction between the consumer and the potential employer is by mail, telephone, or computer. In this case, the consumer may provide consent orally or electronically, and an adverse action may be made orally, in writing, or electronically. The consumer may obtain a copy of any report relied upon by the trucking company by contacting the company.

IV. OBLIGATIONS WHEN INVESTIGATIVE CONSUMER REPORTS ARE USED

Investigative consumer reports are a special type of consumer report in which information about a consumer's character, general reputation, personal characteristics, and mode of living is obtained through personal interviews by an entity or person that is a consumer reporting agency. Consumers who are the subjects of such reports are given special rights under the FCRA. If a user intends to obtain an investigative consumer report, Section 606 requires the following:

- The user must disclose to the consumer that an investigative consumer report may be obtained. This must be done in a written disclosure that is mailed, or otherwise delivered, to the consumer at some time before or not later than three days after the date on which the report was first requested. The disclosure must include a statement informing the consumer of his or her right to request additional disclosures of the nature and scope of the investigation as described below, and the summary of consumer rights required by Section 609 of the FCRA. (The summary of consumer rights will be provided by the CRA that conducts the investigation.)
- The user must certify to the CRA that the disclosures set forth above have been made and that the user will make the disclosure described below.
- Upon the written request of a consumer made within a reasonable period of time after the disclosures required above, the user must make a complete disclosure of the nature and scope of the investigation. This must be made in a written statement that is mailed or otherwise delivered, to the consumer no later than five days after the date on which the request was received from the consumer or the report was first requested, whichever is later in time.

V. SPECIAL PROCEDURES FOR EMPLOYEE INVESTIGATIONS

Section 603(x) provides special procedures for investigations of suspected misconduct by an employee or for compliance with Federal, state or local laws and regulations or the rules of a self-regulatory organization, and compliance with written policies of the employer. These investigations are not treated as consumer reports so long as the employer or its agent complies with the procedures set forth in Section 603(x), and a summary describing the nature and scope of the inquiry is made to the employee if an adverse action is taken based on the investigation.

VI. OBLIGATIONS OF USERS OF MEDICAL INFORMATION

Section 604(g) limits the use of medical information obtained from consumer reporting agencies (other than payment information that appears in a coded form that does not identify the medical provider). If the information is to be used for an insurance transaction, the consumer must give consent to the user of the report or the information must be coded. If the report is to be used for employment purposes – or in connection with a credit transaction (except as provided in federal regulations) – the consumer must provide specific written consent and the medical information must be relevant. Any user who receives medical information shall not disclose the information to any other person (except where necessary to carry out the purpose for which the information was disclosed, or a permitted by statute, regulation, or order).

VII. OBLIGATIONS OF USERS OF “PRESCREENED” LISTS

The FCRA permits creditors and insurers to obtain limited consumer report information for use in connection with unsolicited offers of credit or insurance under certain circumstances. Sections 603(1), 604(c), 604(e), and 615(d). This practice is known as “prescreening” and typically involves obtaining from a CRA a list of consumers who meet certain preestablished criteria. If any person intends to use prescreened lists, that person must (1) before the offer is made, establish the criteria that will be relied upon to make the offer and grant credit or insurance, and (2) maintain such criteria on file for a three-year period beginning on the date on which the offer is made to each consumer. In addition, any user must provide with each written solicitation a clear and conspicuous statement that:

- Information contained in a consumer’s CRA file was used in connection with the transaction.
- The consumer received the offer because he or she satisfied the criteria for credit worthiness or insurability used to screen for the offer.
- Credit or insurance may not be extended if, after the consumer responds, it is determined that the consumer does not meet the criteria used for screening or any applicable criteria bearing on credit worthiness or insurability, or the consumer does not furnish required collateral.
- The consumer may prohibit the use of information in his or her file in connection with future prescreened offers of credit or insurance by contacting the notification system established by the CRA that provided the report. The statement must include the address and toll-free telephone number of the appropriate notification system.

In addition, the CFPB has established the format, type size, and manner of the disclosure required by Section 615(d), with which users must comply. The regulation is 12 CFR 1022.54.

VIII. OBLIGATIONS OF RESELLERS

A. Disclosure and Certification Requirements

Section 607(e) requires any person who obtains a consumer report for resale to take the following steps:

- Disclose the identity of the end-user to the source CRA.
- Identify to the source CRA each permissible purpose for which the report will be furnished to the end-user.
- Establish and follow reasonable procedures to ensure that reports are resold only for permissible purposes, including procedures to obtain:
 - (1) the identity of all end-users;
 - (2) certifications from all users of each purpose for which reports will be used; and
 - (3) certifications that reports will not be used for any purpose other than the purpose(s) specified to the reseller.Resellers must make reasonable efforts to verify this information before selling the report.

B. Reinvestigations by Resellers

Under Section 611(f), if a consumer disputes the accuracy or completeness of information in a report prepared by a reseller, the reseller must determine whether this is a result of an action or omission on its part and, if so, correct or delete the information. If not, the reseller must send the dispute to the source CRA for reinvestigation. When any CRA notifies the reseller of the results of an investigation, the reseller must immediately convey the information to the consumer.

C. Fraud Alerts and Resellers

Section 605A(f) requires resellers who receive fraud alerts or active duty alerts from another consumer reporting agency to include these in their reports.

IX. LIABILITY FOR VIOLATIONS OF THE FCRA

Failure to comply with the FCRA can result in state government or federal government enforcement actions, as well as private lawsuits. [Sections 616, 617, and 621](#). In addition, any person who knowingly and willfully obtains a consumer report under false pretenses may face criminal prosecution. [Section 619](#).

Authorized Users are solely responsible for securing or saving the content of their respective Subscriber Documents before the expiration or termination of this Agreement, if desired. LN has no obligation to provide the content of Subscriber Documents to you or your Authorized Users after the termination of this Agreement.
- **2.6** Materials and Digital Library and Electronic Publications are further limited by and subject to the Supplemental Terms for Specific Materials (“Supplemental Terms”),

conditions published online, contained within a publication or product, online descriptions of files, online notices following file selection, and individual documents retrieved from the Digital Library and Electronic Publications (collectively, “Additional Terms”), all of which are incorporated by reference herein. Any conflict between the provisions of this Agreement and the Additional Terms will be resolved in accordance with Clause 6.12.

3. 3. LIMITED WARRANTY

- **3.1** LN represents and warrants that LN has the right and authority to make the Publication Services and Materials available pursuant to the terms and conditions of this Agreement.
- **3.2** Materials are provided for reference purposes only and are not intended, nor should they be used, as a substitute for professional advice or judgment or to provide legal or medical advice with respect to particular circumstances.
- **3.3** EXCEPT AS OTHERWISE PROVIDED IN CLAUSE 3.1, THE PUBLICATION SERVICES AND MATERIALS ARE PROVIDED ON AN “AS IS”, “AS AVAILABLE” BASIS AND LN AND EACH THIRD-PARTY SUPPLIER OF MATERIALS EXPRESSLY DISCLAIM ALL OTHER WARRANTIES EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO THE WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

4. 4. LIMITATION OF LIABILITY

- **4.1** A Covered Party (as defined below) shall not be liable for any loss, injury, claim, liability, or damage of any kind resulting in any way from: (a) any errors in or omissions from the Publication Services or any Materials available or not included therein; (b) the unavailability or interruption to the supply of the Publication Services or any features thereof or any Materials; (c) you or your Authorized User’s use or misuse of the Publication Services or Materials (regardless of whether you received any assistance from a Covered Party in using or misusing the Publication Services); (d) the loss or corruption of any data or equipment in connection with the Publication Services; (e) the content, accuracy, or completeness of Materials; (f) any delay or failure in performance beyond the reasonable control of a Covered Party; or (g) any content retrieved from the Internet even if retrieved or linked to from within the Publication Services, all regardless

of whether you received assistance in the use of the Publication Services from a Covered Party.

- **4.2** “Covered Party” means: (a) LN, and any officer, director, employee, subcontractor, agent, successor, or assign of LN; and (b) each third-party supplier of Materials, third party alliance entities, their affiliates, and any officer, director, employee, subcontractor, agent, successor, or assign of any third party supplier of Materials or any of their affiliates.
- **4.3** TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, UNDER NO CIRCUMSTANCES WILL THE AGGREGATE LIABILITY OF THE COVERED PARTIES IN CONNECTION WITH ANY CLAIM ARISING OUT OF OR RELATING TO THE PUBLICATION SERVICES OR MATERIALS OR THIS PUBLICATION SERVICES AGREEMENT EXCEED THE LESSER OF YOUR ACTUAL DIRECT DAMAGES OR THE AMOUNT YOU PAID FOR THE PUBLICATION SERVICES IN THE TWELVE-MONTH PERIOD IMMEDIATELY PRECEDING THE DATE THE CLAIM AROSE. YOUR RIGHT TO MONETARY DAMAGES IN THAT AMOUNT SHALL BE IN LIEU OF ALL OTHER REMEDIES WHICH YOU MAY HAVE AGAINST ANY COVERED PARTY WHETHER FOR BREACH OF THIS AGREEMENT OR IN TORT (INCLUDING NEGLIGENCE) OR FOR ANY OTHER COMMON LAW OR STATUTORY CAUSE OF ACTION. WITH RESPECT TO A PUBLICATION, LN WARRANTS IT WILL BE FREE FROM DEFECTS IN MATERIAL AND WORKMANSHIP FOR 30 DAYS. YOUR EXCLUSIVE REMEDY AND THE SOLE OBLIGATION OF LN FOR A DEFECTIVE PUBLICATION SHALL BE THAT LN SHALL PROVIDE A REPLACEMENT COPY OF A DEFECTIVE PUBLICATION OR REPAIR OR REPLACE THE SAME.
- **4.4** TO THE FULLEST EXTENT PERMITTED BY LAW, NEITHER YOU NOR THE COVERED PARTIES SHALL BE LIABLE FOR ANY SPECIAL, INDIRECT, INCIDENTAL, PUNITIVE, CONSEQUENTIAL DAMAGES, OR FOR LOSS OF PROFITS, REVENUE, OR DATA, OR OF ANY KIND WHATSOEVER INCLUDING, WITHOUT LIMITATION, LEGAL FEES, IN ANY WAY DUE TO, RESULTING FROM, OR ARISING IN CONNECTION WITH THE PUBLICATION SERVICES, MATERIALS, OR THE FAILURE OF ANY COVERED PARTY TO PERFORM ITS OBLIGATIONS, REGARDLESS OF ANY NEGLIGENCE OF ANY COVERED PARTY. THE FOREGOING LIMITATION OF LIABILITY SHALL NOT APPLY TO A COVERED PARTY’S INDEMNITY OBLIGATIONS OR YOUR (AND YOUR AUTHORIZED USERS’) INFRINGEMENT OF INTELLECTUAL PROPERTY OR MISAPPROPRIATION OF PROPRIETARY DATA BELONGING TO LN OR ITS THIRD-PARTY SUPPLIERS.
- **4.5** Notwithstanding anything to the contrary herein, if there is a breach of warranty in Clause 3.1, then LN, at its option and expense, will either defend you or indemnify and hold you harmless against proceedings or damages based on a third party’s claim of patent, trademark, service mark, copyright or trade secret infringement related to the use of the Publication Services or Materials, provided: (a) the third party claim was not caused by your improper use of the Publication Services or Materials; (b) you give LN prompt notice of such third party claim; (c) you give LN the sole right to control and direct the investigation, defense and settlement of such claim; and (d) you, at LN's expense, reasonably cooperate with LN in connection with the foregoing.

- **4.6** If the Publication Services or the operation thereof become, or in the opinion of LN are likely to become, the subject of a claim of infringement, LN may, at its option and expense: (a) procure for you the right to continue using the Publication Services; (b) replace or modify the Publication Services so that they become non-infringing; or (c) terminate this Agreement on notice to you and grant you a pro-rata refund or credit (if either is applicable) for any fees or fixed charges you may have pre-paid.
- **4.7** The provisions of Clauses 4.5 and 4.6 shall constitute your sole and exclusive remedy for the respective matters specified therein.

5. 5. SUBSCRIPTIONS; PRICING; TERM; TERMINATION; RENEWAL; RETURNS

- **5.1** The term of this Agreement begins upon the date noted in your billing account and continues until terminated.
- **5.2** Publications may be offered as one-time sales/licenses, subscriptions (either with or without auto-renewal), or subscriptions with multi-year offered multi-year pricing ("Multi-Year") (either with or without auto-renewal at the end of the multi-year commitment). The following describes the types of subscriptions:
 - (a) "S" Service Subscription -Price includes product and Updates published during the indicated service period (minimum 30 days) at no additional charge except tax, shipping and handling where applicable. Renewal options include:
 - (i) "S/A" or "S/AR" Service Subscription with Automatic Renewal - If you select this option your subscription will be automatically renewed without any action on your part. Notification that the subscription is due to be renewed, and the price of renewal, will be sent to you 60 days prior to renewal (but if you are on a Multi-Year (see Clause 5.2(e)), you will be sent such a notice 60 days prior to the Renewal Term (see Clause 5.2(e)(i)) . Estimated prior-year prices and update frequency are shown with the description of each title.
 - (ii) "S/N" or "S/AS" Service Subscription with Notification - Notification that the subscription is due to be renewed, and the price of renewal, will be sent to you 60 days prior to renewal. If you fail to act, your subscription will be canceled.
 - (b) "N" Non-Service Subscription - Price includes product only, plus any Updates published within 30 days of purchase or as otherwise indicated. Subscription options include:
 - (i) "NS/A" or "NS/AR" Non-Service Subscription with Automatic Renewal - If you select this option you will receive and be billed for future updates outside of the 30-day period without any action on your part. Estimated prior year prices and update

frequency are shown with the description of each title. Non-Service Electronic Publications will be updated via automatic shipment to you, or by LN either pushing the Update to you electronically or notifying you that an Update is available for download.

- (ii) “NS/N” or “NS/AS” Non-Service Subscription with Notification - Notification that an update has been published, and the price of the update, will be sent to you. If you fail to act, you will not receive the update.
- (c) Additional pricing information for subscriptions:
 - (i) Unless otherwise indicated, pricing (including any grand total, retail price, or other pricing, unless otherwise indicated) does not include tax or shipping and handling, which will be charged and due at the then current rates. LN will arrange for an external third party to take responsibility for shipping. Shipping and handling amounts will be invoiced separately and will be included in your final invoiced amount. If you have chosen a monthly billing option, shipping and handling charges will be prorated over the term of the subscription and billed accordingly.
 - (ii) Advertised prices are subject to change without notice.
 - (iii) By placing an order, you agree you have been advised of the number of Updates and the cost related to the Updates that were made to the Publications last year. Renewal and Update price estimates are based on prior year costs and do not reflect actual costs associated with future renewal and Updates, which will likely include an increase over prior year’s subscription price. The number of Updates and the upkeep costs may vary due to developments in the law and other publishing issues, but you may use this as a rough estimate of future shipments. You may call for Support at 800-833-9844 for additional information on Update frequency and price.
 - (iv) Unless otherwise indicated, promotions (including but not limited to discounts and bundles) are not available for purchases for resale or redistribution. Resellers should ask their LN representative about any applicable promotions or discounts available for resale or redistribution.
 - (v) Unless otherwise indicated, Resellers may not purchase service or subscription titles from LN.
- (d) General (Non-Multi-Year) Cancellation and Return Information:

- (i) You may cancel any subscription at any time by calling Customer Support at 800.833.9844; emailing customer.support@lexisnexis.com; or returning an invoice or notification marked "CANCEL." If you cancel a Subscription on any component of a product bundle or multi-media subscription, you will not be eligible for any of the discounts offered in connection with such order. You will receive a supplemental invoice for the remaining components of the product bundle or multi-media subscription order at their list price.
- (ii) Shipments must be returned within 30 days of receipt, at your expense, for full credit of the advertised price, less shipping and handling fees and any other discount credits. All returns must be returned unused in the same condition as received. No credit or refund will be issued if returns are received in a damaged condition. Damaged condition includes highlights, inserted advertising materials, torn, worn, damaged covers or pages, attached security devices, or products that have otherwise been altered or defaced. A copy of the invoice and packing slip received with the shipment must be included with your return. A return shipping label is not provided. You can send your return to the following address:

Cenveo Hurlock
Attn LN Returns Dept
4810 Williamsburg Rd
Hurlock, MD 21643

- (iii) If you cancel a Service Subscription between 31 and 60 days after the invoice date and you return the product at your expense, you will receive a 5/6th credit of the price for the annual subscription. To receive any credit, you must return all product(s) shipped during the applicable subscription period at your expense within the applicable cancellation period listed above.
- (iv) If you return a Non-Service Subscription at your expense within 30 days of shipment, you will receive full credit for the purchase price. No credit will be given for returns more than 30 days after shipment. Return of a shipment, other than the initial purchase, will not cancel your subscription.
- (v) No credit will be given more than 60 days after the invoice date for shipments to the 48 contiguous United States. However, this period is expanded to 90 days after the invoice date for orders shipped to Canada, and 120 days after the

invoice date for orders shipped to the Virgin Islands, Puerto Rico, Hawaii, Alaska, and Non-US shipments.

- (vi) All eBooks, CDs, downloadable content, and software purchases are non-cancellable, nonrefundable and nonreturnable. Additionally, notwithstanding anything to the contrary (other than Service or Non-Service Subscriptions), any items marked or identified at the time of sale as non-returnable, final sale, or the like, regardless of format, media, or type of purchaser (e.g., non-Reseller or Reseller), are non-cancellable, nonrefundable and nonreturnable.
- (vii) For any returns, a 20% restocking fee may be charged.
- (viii) If you are returning LN publications because you received them in a damaged or defective condition, please call Customer Support at 800.833.9844 within 30 days of receipt of the order.
- (ix) **Domestic and International Resellers and Book Store Sales.** In addition to the refund/return rights listed, the following rights also apply:

Bookstores may return overstock of new, unmarked, and undamaged books in the original packaging within 6 months of the date of the original invoice and receive a refund. A copy of the original invoice must be included with the return. Shipping and handling fees are not refundable, and additional shipping and handling fees must be paid on returns.

LN will not drop-ship to Resellers customers. LN will ship to Reseller under the Reseller's existing carrier account. Reseller must clearly provide shipping instructions with their order or purchase order. These instructions must include the carrier name, account number, and weight ranges for Ground, Next Day, 2nd Day, and Freight.

Editions of Publications in print may be returned for a full refund within the earlier of (i) 6 months after purchase or (ii) 3 months of the new edition being released (the new edition being the one after the one to be returned). Print Publications returned outside of this time frame will be recycled or discarded without notification, and no credit or refund will be issued. LN will not send the returned merchandise back to the Reseller.

LN reserves the right to require preauthorization for returns and refunds if, in its sole determination, it believes a Reseller is not complying with or is abusing this return policy. For these accounts, any product returned without preauthorization will be immediately recycled or discarded by LN. LN has no obligation to either notify Reseller prior to any disposal or return any product regardless of dollar value or quantity. Reseller will not receive a credit for unauthorized returns, and will be responsible for paying any remaining balance due on their account for any returned product.

All returned materials must be received in undamaged and resalable condition at the Reseller's cost. LN will not pay for return shipping.

- (e) Modification of Terms for Multi-Year- This Clause modifies the rest of 5.2 as it applies to Multi-Years, and will only apply if the Publication Service(s) you ordered were described as a Multi-Year, described as having an initial period of more than 12 months, or include a Multi-Year (such as the Digital Library & Multi-Year or the Multi-Year).
 - (i) Notwithstanding anything to the contrary, you may not terminate this Agreement during the “Order Term” (e.g., the term of the Multi-Year before any auto-renewal periods begin) set forth in the ordering document (or online ordering system) for your subscription to the Publication Services (the “Order Form”) except as specifically provided in the Order Form or as set forth in this Clause 5.2(e). UPON EXPIRATION OF THE ORDER TERM, THIS AGREEMENT WILL AUTOMATICALLY RENEW FOR ADDITIONAL ONE-YEAR PERIODS (EACH A “RENEWAL TERM”) AT THE THEN-CURRENT LIST PRICES. The Order Term and any Renewal Terms will collectively be the “Term.” You may avoid entering into a Renewal Term by providing LN with at least 45 days prior written notice delivered to your LN account manager before the beginning of the next Renewal Term.
 - (ii) During the Term, you may terminate this Agreement for a material breach by LN that remains uncured for more than 30 days after LN receives written notice from you identifying the specific breach.
 - (iii) If this Agreement is properly terminated during a Term in which funds are due to LN, then LN will prorate annual commitment amounts for the affected Term with a date range of less than 11 months and one day. The proration basis shall be the number of full or partial months this Agreement is in effect divided by 12.
 - (iv) If you have subscribed to a Multi-Year, you may only substitute or change the Publication Services once per subscription year (after the first year) upon 45 days prior written notice to LN to be effective as of the start of the next subscription year. If your total selections for such substitution or change would otherwise cause you to owe less, then you shall continue to pay the amount you were required to spend on the multi-year subscription you had subscribed to before the substitution or change. If your total selections for such substitution or change would otherwise cause you to owe more, then you shall also to pay the increased total amount over the amount you were required to spend on the multi-year subscription you had subscribed to before the substitution or change.
 - (v) If you or your affiliates have another agreement with LN or its affiliates (“Other Agreement”) that require a certain level of spend per period on Publications (a “Retention Clause”), then, for clarity, after termination for any reason of this Agreement, that Retention Clause

shall be in effect unchanged through the remainder of that Other Agreement.

- **5.3** LN may, without notice to you, suspend or terminate this Agreement: (a) if you breach this Agreement or otherwise infringe on any intellectual property rights granted herein; or (b) if you breach or otherwise fail to comply with any other obligation in this Agreement (including payment obligations). Without prejudice to the foregoing, if you fail to pay any sum properly due hereunder, LN reserves the right to seek enforcement of the full contract sum as well as to seek recovery of legal costs and other expenses incurred by LN in connection with your breach.
- **5.4** On termination of this Agreement, any license granted under this Agreement terminates, and you agree to cease all use of the Electronic Publications and Digital Library (as applicable), and, from all Display Devices (whether such Display Devices are the property of you or personal Display Devices of Authorized Users), return or destroy all Electronic Publications and Digital Library eBooks and delete electronic or magnetic copies of the Electronic Publications and Digital Library eBooks and purge all downloaded (machine-readable/electronic) Materials. If the Electronic Publication has an expiration date, you will cease use of, and destroy the outdated Electronic Publication. LN disclaims any and all liability associated with use of outdated Electronic Publications or Electronic Publications beyond their expiration date, if any. Additionally, for CDs, LN and its licensors retain outright ownership of all CD-ROM discs. LN does not require return of the CD-ROM discs delivered to you either at the end of the subscription period covering the CD-ROM discs or upon receipt by you of replacement CD-ROM discs. Consequently, you will not be able to access CD-ROM discs delivered to you after their expiration date. After the expiration date of a CD-ROM or upon receipt of an updated CD-ROM, you will cease use of and destroy the previous or outdated CD-ROM.

6. MISCELLANEOUS

- **6.1** Change to Number of Authorized Users. In the event of a change in Your organizational structure (i.e., mergers, acquisitions and divestitures), or there is organic growth within the organization, resulting in a significant change in the number of Authorized Users of the Publication Services and Materials, LN in good faith reserves the right to adjust the amounts payable under this Amendment to reflect the change in your use of the Selected Services.
- **6.2** License Terms. Effective upon notice to you, LN may add, modify or otherwise change any rights to, or restrictions on, the use of the Publication Service and Materials as the same are currently set forth in this Agreement (the "License Terms"). If LN exercises these rights, such changes will: (a) only be applied prospectively; and (b) not be specifically directed against you or your Authorized Users but will apply to all similarly situated LN customers using the Publication Services. If any changes made to the License Terms are unacceptable to you, you may terminate the Agreement upon 30 days' written notice to LN of the change that is unacceptable to you. For your termination to be effective under this Clause, LN must receive your notice of

termination within 90 days of the date of the change. Continued use of the Publication Services following the effective date of any change constitutes acceptance of the change but does not affect your other termination rights.

- **6.3 Confidential Information.** This Agreement (including the parts, such as any Order Form related there to) contain confidential information, including pricing information, of LN (the “Confidential Information”). You understand that disclosure of the Confidential Information could cause competitive harm to LN. Notices to LN should be sent to your account representative with a copy sent to LexisNexis, Attention: Chief Legal Officer, RE: Publication Services, 9443 Springboro Pike, Miamisburg, OH 45342.
- **6.5 Third Party Beneficiaries.** Each third party supplier of Materials has the right to assert and enforce these provisions directly on its own behalf as a third party beneficiary. OverDrive is a third party beneficiary to this Agreement with regard to the Application Services only. The failure of LN or any such third party beneficiary to enforce any provision hereof shall not constitute or be construed as a waiver of such provision or of the right to enforce it at a later time. Subject to the Clause 6.6, this Agreement does not confer any rights on any person or party other than the parties to this Agreement.
- **6.6 Assignments.** You may not assign or sublicense this Agreement or your rights or obligations hereunder, directly or indirectly, without LN's prior written consent, which consent shall not be unreasonably withheld. LN may assign this Agreement to any successor to all or substantially all of LN's business or assets that relate to the subject matter of this Agreement whether by asset or stock acquisitions, merger, consolidation or otherwise.
- **6.7 Successors and Permitted Assigns.** Subject to Clause 6.6, this Agreement will inure to the benefit of and be binding upon the parties and their respective successors and permitted assigns.
- **6.8 Force Majeure.** Non-performance of either party shall be excused to the extent that performance is rendered impossible where failure to perform is a result of actions omissions or circumstances beyond the reasonable control of the non-performing party, such as fire, weather, civil disturbance, act of military or court or governmental authority, strike (provided such strike is not caused by that party's employees), change in law or other governmental regulations or act of God.

- **6.9** Purchase Orders. No terms, provisions or conditions of any purchase order, acknowledgement or other business form that you may use in connection with this Agreement will have any effect on the rights, duties or obligations of the parties under, or otherwise modify, this Agreement, regardless of any failure by LN to object to such terms, provisions or conditions.
- **6.10** Governing Law. This Agreement and the Additional Terms shall be governed by and construed in accordance with the laws of Ohio regardless of the law that might otherwise apply under applicable principles of conflicts of law.
- **6.11** Limitation of Action. You may not bring a claim of action, regardless of form, arising out of or related to amounts billed or payments made under an Order Form more than 12 months after LN first invoiced those amounts to you.
- **6.12** Order of Precedence. If there is a conflict between the terms and conditions of this Agreement, an Order Form, Additional Terms and any other document incorporated herein, the conflicting terms will be interpreted as narrowly as possible in the area of conflict and the conflict will be resolved by giving precedence in the following order: (a) the Additional Terms; (b) the terms of the Order Form; (c) the terms and conditions of this Agreement; and (d) the terms and conditions of any other document incorporated by reference herein.
- **6.13** Data and Privacy Laws. LN's ability to provide Materials is subject to a variety of privacy, data protection and other laws in a variety of jurisdictions ("Data Laws" or "Privacy Laws" or both whichever is appropriate) and by the licenses under which it obtains Materials ("Licenses").
- **6.14** Headings. The headings in the Agreement are for convenience only, and in no way affect the terms and conditions herein.
- **6.15** Amendments. Except in accordance with Clause 6.2, this Agreement may not be amended, except in writing executed by both parties.
- **6.16** Waiver. The waiver by either party of breach or default under this Agreement does not constitute the waiver of any subsequent breach or default. If anything in this Agreement is unenforceable, illegal or void then it is severed and the rest of this Agreement remains in force and will be enforced to the maximum extent permissible by applicable law so as to effect the intent of the parties.
- **6.17** Trademarks. You grants to LN the limited right to use and display any trademarks, logos or service marks (collectively, "Subscriber Trademarks") provided by you to LN for the express purpose of co-branding your customized adaptation of the Digital Library. You represent and warrant to LN that it is the owner of the Subscriber Trademarks and/or has all necessary rights to grant this license to LN.
- **6.18** Payment Options. Orders accompanied by full payment may be entitled to a discount. Subscription Service orders may be paid in full within 25 days from the date of

your monthly statement or in equal monthly installments based on the subscription term. If payments are made in equal monthly installments, then LN or the applicable affiliated company will maintain a purchase money security interest in the product or publication until such time the outstanding charges are paid in full. All other invoices must be paid in full within 25 days from the date of your monthly statement; provided that, Reseller invoices must be paid in full within 30 days from the date of the invoice. If any account is in arrears, LN reserves the right to reject new orders until the account is brought current. LN also reserves the right to require prepayment for accounts.

- **6.19** Late Charges. Overdue amounts will be assessed a late payment charge that will be compounded at a monthly rate of 1.167% or the maximum provided by law, whichever is less. There is a minimum late payment charge of ten dollars (\$10.00).
- **6.20** Credit Investigation. You hereby authorize LN to make whatever credit investigation LN deems appropriate in order to provide you with a Publication.
- **6.21** Collection Costs. In the event you fail to pay any amount when due, LN reserves the right to terminate the Publication Service(s) and retain all sums paid by you. In addition, you are responsible for all collection costs incurred by LN including, but not limited to, collection agency fees, reasonable attorneys' fees and court costs. At LN's option, the entire amount due shall become due and payable upon your breach of any term, provision or condition of this Agreement.
