Our 1-Year Unconditional Product Warranty:

WARRANTY OF COMPATIBLE AND REMANUFACTURED ITEMS

Compatible and remanufactured items are warranted to be free of defects in both materials and workmanship for ONE FULL YEAR from date of purchase. These items are manufactured and remanufactured to the most stringent quality control standards possible, guaranteeing performance.

InkjetSuperstore.com also warrants that subject to the conditions stated below, and under normal use, these items will not cause damage, abnormal wear, or deterioration to any compatible machine.

If a defect in one of these compatible or remanufactured items causes a machine to fail, InkjetSuperstore.com will reimburse the customer up to \$250.00 for service and repair. This warranty is dependent upon the customer providing InkjetSuperstore.com with satisfactory evidence that the machine's failure was due to a defect in the compatible or remanufactured item/s, including a written statement from an authorized service company stating the reason for failure. This statement must be on an authorized company letterhead, and dated and signed by the company's field or service representative.

The tampering of any InkjetSuperstore.com product by any person or people, other than by an InkjetSuperstore.com representative, voids all warranties and releases InkjetSuperstore.com from all liability.

InkjetSuperstore.com's liability hereunder shall be limited to replacement or reimbursement as stated above. This warranty is exclusive and in lieu of all other warranties, expressed or implied.

WARRANTY OF OEM (Original Equipment Manufacturer) ITEMS

Name brand OEM (original equipment manufacturer) items are covered by the respective manufacturer's warranties. We do not warranty or accept returns on defective OEM products. If you encounter problems or receive a defective item please contact the manufacturer for their return procedure. There should be information inside the box on what the customer needs to do to request an exchange from the OEM.

Returns and Refunds

GENERAL RETURN POLICIES

Please do not ship any product until your Return Merchandise Authorization is approved.

To obtain an RMA, please complete the [Return and Exchange Form](#).

Returns are accepted on compatible and remanufactured items for up to 1 Year from date of purchase subject to conditions listed below.

Once your RMA has been approved and if the return date is within 90-days of the purchase date, you will be receiving an e-mail from FedEx with a link to a pre-paid label (that means that we pay for the shipping) that you have to print and stick on the package. Our return address and all the information we need including the RMA # will already be on the label. Then, simply drop the package at any FedEx location or give it to your regular FedEx driver. If the return date is after 90-days of the purchase date, you will need to ship the items back at your expense.

In case the FedEx service is not valid at your location you will have to return the items at your expense and then fax the receipt to (323) 417-5070 with the tracking number and a reference number such as your RMA number or sales order number. We will reimburse your return shipping cost up to \$19.95. This only applies if the return date is within 90-days of the purchase date.

The RMA number is valid for 30 calendar days from the date of issue. We will email you several reminders if we have not received the return package. Please return it promptly to insure timely refund or replacements.

Estimated print yields are not a guarantee of minimum life and are not covered under warranty or return policy, but are provided to assist in supplies planning. Actual usage should be used to establish the life of the supply product in each user's specific application. Many factors, such as print coverage per page, paper type and size, model type and environmental conditions can affect supply life.

Please note that all returned cartridges must be at least 70% full, otherwise we will not be able to accept them. Unfortunately in our experience some people have used the entire cartridge and then sent it back asking for a refund. If a returned cartridge is less than 70% filled we will notify you by email. If you want the cartridge back we can send it at your expense, only if it's claimed within 15 days from the date you were notified.

EMPTY TONER POLICY

Inkjetsuperstore.com accepts empty ink and toner cartridges for no equivalent value. Instead of discarding these plastic cartridges in the trash, which eventually end up in our landfills, we will take them and do the proper disposal. Anyone can ship it to our warehouse at their own expense for proper disposal. If you have something to ship, please send them to:

MAIN WAREHOUSE, 6380 WILSHIRE BLVD., SUITE 1018, LOS ANGELES, CA 90048

RETURNS OF DEFECTIVE COMPATIBLE AND REMANUFACTURED ITEMS

If the return date is within 90-days of date of purchase, you can return the items for a full refund (less the original shipping charges) or request a replacement. InkjetSuperstore.com will pay for the return shipping via Pre-paid FedEx label.

If the return date is after 90-days of date of purchase, you can return the items for a full refund (less the original shipping charges) or request a replacement. InkjetSuperstore.com will not pay for the return shipping. You will be responsible for shipping the items back after receiving an RMA (Return Merchandise Authorization).

Replacement options: Customers can elect either of these two methods of replacing their products:

- 1.**Get your return authorization number, return your product, and we will ship your replacement free of charge after receiving and inspecting your returned products.
- 2.**If you urgently need your replacement, you can elect to purchase the replacement product at the regular price of the item (with free shipping charges) and we will credit your original purchase after inspecting your returned product. This is a security measure in order to make sure that the product is returned.

Please note that the shipping method to use in the replacement order will be the same as the one selected in the original order.

RETURNS OF NON-DEFECTIVE COMPATIBLE AND REMANUFACTURED ITEMS

If the return date is within 90-days of date of purchase, you can return the items for a full refund (less the original shipping charges) InkjetSuperstore.com will not pay for the return shipping. The RMA number is valid for 30 calendar days from the date of issue, after this period the RMA will be closed and cannot be

reopened.

If the return date is after 90-days of date of purchase, you cannot return the items. You might consider selling them at auction on Ebay or list them Craigslist.

All non-defective products (items ordered wrong, items no longer needed, printer broke, etc.) must be returned in the original packaging in as-new condition (unused and unopened).

All non-defective items must be returned by the customer at their expense once the RMA is approved (customers will receive an email confirmation). The RMA number must be written on the outside shipping box, not the actual product packaging.
