14. Payment Address: Same as 13a .

15. Christie projection Products are warranted to be free of defects in material and workmanship in normal use for the period listed below from the invoice date. See individual product warranties for details. Warranty times are listed by model on the pricelist.

LIMITATIONS

The Christie Digital Systems, Inc. projector warranty does not apply outside of the United States and Canada. Contact your Christie Digital Systems, Inc. regional sales manager and ask about our International Warranty for details on products purchased in the US and /or Canada but to be shipped elsewhere in the world.

The labor warranty is valid only if the malfunctioning unit is returned prepaid to an authorized Christie Digital Systems, Inc. service depot or to an Approved Christie Digital Systems, Inc. Reseller. It does not cover travel or living expenses for on-location service.

The warranty does not cover:

- Problems caused by associated non Christie Digital Systems, Inc. add-on or connected equipment such as distribution systems, video tape recorders, cameras, etc. delivered within this shorter delivery time and in accordance with all other terms and conditions of the contract.
- Damage caused by: accident, misuse, improper power source, fire, flood, lightning, other acts of nature, repair or alteration made by other than an Approved Christie Digital Systems, Inc. Reseller service organization.
- Transit damage during a warranty repair call.
- Any damage to the projection system caused by the use of the lamp beyond the recommended lamp life or improper installation/alignment.

Proof of purchase is necessary for verification of warranty.

No merchandise can be accepted by Christie Digital Systems, Inc. without prior approval with a RMA Number. Any units returned with no fault found will be subject to an evaluation fee. Unit must be properly packaged (in original packing if possible) when being returned under warranty. Static Sensitive assemblies must be packaged within a static protective bag; failure to do so will VOID the warranty. Christie Digital Systems, Inc. Interface devices are designed to be used with Christie Digital Systems, Inc. projection systems. Use of other interface devices that are internally mounted to Christie Digital Systems, Inc. projection systems could void the warranty. Christie Digital Systems, Inc. interfaces used with other than Christie Digital Systems, Inc. projection systems are void of all warranty.

16. Export Packing charges are not applicable.
17. Terms and Conditions of Government Purchase Cards Christie Digital Systems will accept the government purchase card for all orders.
18. Terms and conditions of rental, maintenance and repair are not applicable.
19. Terms and conditions of installation are not applicable.
- 20a. Terms and conditions of repair parts are not applicable.
- 20b. Terms and conditions for any other services are not applicable.
21. List of Service and Distribution Points Please contact Christie Digital Systems, Government Sales.
22. List of Participating Dealers is not applicable.
23. Preventative Maintenance not applicable.
- 24a. Environmental Attributes are not applicable to the products herein.
- 24b. Section 508 compliance is not applicable to the products herein.
25. Data Universal Number System (DUNS) Number is **12-712-9380**.
26. Notification Regarding Registration in Central Contractor's Registration (CCR Database) Christie Digital Systems is registered in the Central Contractor's Registration **1RXK6 (CAGE code)**.

Tiled Flat Panels

Christie FHD - 46", 55" w/ ultra-narrow bezel

Christie Tiled Flat Panels

Featuring:

- LCD flat panel tiled display
- Commercial-grade SPIVA LCD display technology
- Direct LED backlight
- 500-700 nits(cd/m2) models
- Available in 46" and 55" HD1920x1080
- 46" offers tight seams, highest contrast, under 4" installed
- 55" available with optically bonded Corning® Gorilla® Glass
- 3 years parts and labor warranty

Large Screen Video Wall Systems (Standard Designs, Built to Order)

1 Row High Systems

FEATURES

- Standard sizes of 60" to 100"
- "Floating" screen design
- Front access on some models as noted
- Multiple screen types available
- User-specified sill/pedestal height
- Factory verified then disassembled for re-assembly at installation site
- For drawings and dimensions, download drawings from the Christie website

PRICING NOTES

- Pricing is unit pricing per individual screen display (example: above diagram includes 4 screen displays)
- Pricing also includes pedestal cost
- Projectors or light engines are sold separately
- **Pricing applies to quantity 4 to 20 units.** Call for quote for other quantities
- Projectors or light engines are sold separately
- Add 15% to enclosure price for curved systems

ADDITIONAL NOTES

- Custom sizes are also available up to 120" screen size
- Systems higher than 1 or 2 rows are also available

 SC100-LE02, Lenticular Type, Peak Gain: 3.5, View-ability: Horiz.- 160°, Vert.- 60°

2 Row High Systems

FEATURES

- Standard sizes of 60" to 100"
- "Floating" screen design
- Multiple screen types available
- User-specified sill/pedestal height
- Factory verified then disassembled for re-assembly at installation site
- For drawings and dimensions, download drawings from the Christie website

PRICING NOTES

- Pricing is unit pricing per individual screen display (example: above diagram includes 8 screen displays)
- Pricing also includes pedestal cost
- Projectors or light engines are sold separately
- Pricing applies to quantity 4 to 20 units. Call for quote for other quantities
- Projectors or light engines are sold separately
- Add 15% to enclosure price for curved systems

ADDITIONAL NOTES

- Custom sizes are also available up to 120" screen size

CK60-3821, 60" 2 Row Videowall System for RPMX-D132U, RPMSP-D275U (0.85:1 lens)
