COMPANY OVERVIEW

SKYLINE mills has been serving the design community since 1958. We continue to be an innovative leader in the design and development of decorative window treatments, bedding, and life-saving products. **SKYLINE mills** offers professional services for our made-to-measure products. We cater to all price-points and design schemes for government and commercial clients. **Safetydrape**[®], our glass hazard mitigation system, is installed around the globe to protect from the dangers of flying window glass resulting from bomb blasts and natural disasters. (Please see <http://mitigationtechnologies.com/products/safetydrape> for more information.)

On our GSA contract, we offer window treatments (722 02), coordinating bedspreads and comforters (722 03), cubicle curtains and hardware (722 04), along with additional hardware, and installation services (722 08). Our patented **Safetydrape**[®] blast curtain is also available on our GSA contract (722 99). Volume discounts are available.

For dependable service and high quality products, look to **SKYLINE mills**. Please contact us to learn more. Our address and additional contact information can be found below. We look forward to serving your needs.
