ServiceMaster Recovery Management

WE ARE ALWAYS READY. NOW YOU CAN BE TOO.

ServiceMaster Recovery Management (SRM) provides you with peace of mind in the event your business suffers a loss as a result of fire, water, or storm-related events. With a network of experts across 600 locations and the backing of the \$3 billion ServiceMaster Company, SRM can respond quicker, manage more effectively and put you back in business faster.

Pre-Loss Planning: We work with you to develop a tailored recovery plan based on your business' unique needs.

Pre-Approved Pricing: A pre-approved pricing schedule is always in place before you ever utilize our services.

Designated Account Manager: SRM provides you with a personal Account Manager to whom you can turn before, during and after a loss.

Global Large Loss Experience: Our team of large loss specialists has managed large loss projects in 27 countries worldwide.

Priority Response to Your Loss: As an SRM Recover client, you'll receive preferred status to our array of services, resources and response capabilities.

24/7/365 Emergency Response Network: We have emergency responders located in 90% of U.S. zip codes, along with 21 international partner locations.

Unparalleled Resources: We're an industry leading disaster recovery company. Our nationwide resources, equipment and manpower assures you that we can handle disasters of any size.

One Touch Solution: From initial emergency response to total reconstruction services, SRM is the single-source solution for all your recovery needs.

Disaster Operations Center: Our Disaster Operations Center tracks global weather and potentially catastrophic events that may impact your business.

Advanced Resource and Equipment Staging: By having the ability to provide power, water and sanitation services in addition to implementing pre-loss preventative measures, SRM truly is a recovery partner you can rely on.
