Information for Ordering Activities

General Terms and Conditions:

1a. Awarded Special Item Numbers (SIN):

<u>SIN</u>		<u>Description</u>
334519	COOP DISAST PURCH PURCH	Bomb and Hazardous Material Disposal; Metal and Bomb Detection - Includes products necessary for bomb and hazardous material disposal, including protective and detective equipment. NOTE: (1) Subject to Cooperative Purchasing. (2) State and units of local government having a certified State Point of Contact may use the 1122 Program to purchase products under this SIN.
339999E	COOP DISAST PURCH PURCH	Evidence Collection and Investigative Equipment and Supplies - Includes evidence collection and investigative equipment, such as supplies for finger/palmprinting, forensic investigation, lie detectors, evidence collection containers, etc. NOTE: (1) Subject to Cooperative Purchasing. (2) State and units of local government having a certified State Point of Contact may use the 1122 Program to purchase products under this SIN.
OLM	COOP DISAST PURCH PURCH	OLMs are supplies and/or services acquired in direct support of an individual task or delivery order placed against a Schedule contract or BPA. OLM pricing is not established at the Schedule contract or BPA level, but at the order level. Since OLMs are identified and acquired at the order level, the ordering contracting officer (OCO) is responsible for making a fair and reasonable price determination for all OLMs.

OLMs are procured under a special ordering procedure that simplifies the process for acquiring supplies and services necessary to support individual task or delivery orders placed against a Schedule contract or BPA. Using this new procedure, ancillary supplies and services not known at the time of the Schedule award may be included and priced at the order level.

1b. Lowest Priced Model Number and Price for each SIN:

<u>SIN</u>	<u>Part No.</u>	<u>GSA Net Price</u>
334519	820-00237-GM	\$2,679.90

2. Maximum Order: All SINs \$250,000.00 per SIN/per order

If the "Best Value" selection places your order over this Maximum Order, you have an opportunity to obtain a better schedule contract price. Before placing your order, contact the aforementioned contractor for a better price. The contractor may (1) offer a new price for this requirement (2) offer the lowest price available under this contract or (3) decline the order. A delivery order that exceeds the maximum order may be placed under the Schedule contract in accordance with FAR 8.404.

3. **Minimum Order:** \$100.00
