13. a. Ordering Address:
Factory:
Code 3, Inc.
10986 North Warson Road
St. Louis, MO 63114-2029
Phone: (314) 426-2700 ext. 1295
Fax: (314) 426-1337
www.code3esg.com
b. Ordering Procedures: Contact Factory
14. Payment Address:
Code 3, Inc.
P.O. Box 957237
St. Louis, MO 63195-7237
15. Warranty Provisions: See Back of Book.
16. – 24. N/A
25. DUNS Number: 017138116
26. Contractor has an Active Registration in the SAM database.

*If the best value selection places your order over the Maximum Order identified in this catalog/pricelist, you have an opportunity to obtain a better schedule contract price. Before placing your order, contact the aforementioned contractor for a better price. The contractor may (1) offer a new price for this requirement (2) offer the lowest price available under this contract or (3) decline the order. A delivery order that exceeds the maximum order may be placed under the schedule contract in accordance with FAR 8.404.

CODE 3® INC.'s LIMITED WARRANTY POLICY

This warranty policy is intended to provide the best possible service experience for our customers. This warranty policy identifies the duration, exclusions, and specific coverage's for each product and the instruction for requesting return authorization. Code 3 and PSE Amber ("Seller") gives this limited warranty to the original purchaser from a distributor ("Buyer") for Code 3, Inc. & PSE Amber's product provided the product is installed and operated in accordance with manufacturer's recommendations. This limited warranty shall not be extended or varied except by a written instrument signed by Seller and Buyer. This limited warranty is for the benefit of the Buyer only and is not transferable.

Steps for Warranty Claims

1. Review this entire warranty policy to verify that the product meets all applicable requirements for a warranty claim to ensure proper processing.
 2. Contact the Code 3, Inc. Technical Service Department via telephone (314-996-2800) or email (C3_tech_support@code3esg.com) to request a Returned Material Authorization (RMA) number.
 - (a) Please be prepared to specify customer account number, contact name, contact phone number, product part/model numbers, product descriptions, quantities, all applicable date codes/serial numbers and description(s) of the nonconformance(s).
 - (b) Do not accumulate product for a period of longer than 30 days prior to requesting the RMA and returning the claims to Seller for processing. Long accumulations of product will delay warranty processing and affect warranty analysis preventing timely action for quality deficiencies. Accumulations of product exceeding 90 days will not be processed.
 - (c) Product may need to be returned for service to occur, including replacement or credit.
 3. A Code 3 representative will determine if the product must be returned for analysis and/or repair. If the product requires return for warranty service please continue with the following steps 4 and 5.
 4. Package the product to be returned to prevent any shipping damage.
 - (a) Deliver the product freight prepaid.
 - (b) Only ship the product that has been authorized per the RMA.
 - (c) Identify the RMA# on the package(s) in BOLD marker next to the product label (if the package does not provide room to hand write the RMA number, then print the number on the shipping label itself).
 - (d) Returned packages that do not properly display the RMA number will delay warranty processing.
 - (e) Any product returned that was not included on the RMA will not be processed through warranty.
 - (f) Credit/replacement will not be granted for product that has not been returned per the RMA.
 5. Ship the product to the following address:
6. Once the returned warranty claims are received at Code 3, Inc. Technical Service Department, the product will be analyzed and repaired or replaced per the discretion of the service repair technician.
 - (a) The returned product must fall within the specified warranty time period to be repaired/replaced at no cost to the customer.
 - (b) The warranty time period begins at the date of purchase (this start date will begin no later than 12 months from date of manufacture).
 - (c) For returned product that do not meet warranty requirements, a service technician will contact the sender to quote the repair/replacement or to return the product in "as received" condition.
 - (d) Credit will be issued in cases when the product cannot be repaired or replaced.
 7. The repaired/replaced product will be packaged and shipped back to the customer location at cost to Code 3, Inc.

These steps are required for all warranty claims. Please contact the Technical Service Department with any questions regarding the claim process.

Product warranty durations are available for review on Code 3's website www.code3esg.com.

Use of lamp or other electrical load of wattage higher than installed or recommended by the factory, or use of inappropriate or inadequate wiring or circuit protection causes this warranty to become void. Failure or destruction of the product resulting from abuse or unusual use and/or accidents is not covered by this warranty. Sealed product that shows evidence of broken or tampered seals will cause this warranty to become void.

For out of warranty service, please contact the Technical Service Department (314-996-2800 or C3_tech_support@code3esg.com) for quotes and return authorization information.

*Seller reserves the right to repair or replace product at its discretion. Seller assumes no responsibility or liability for expenses incurred for the removal and/or reinstallation of products requiring service and/or repair. Seller assumes no liability for expenses incurred in the packaging, handling, and shipping of the product to the factory service department for repair/service. The remedies provided herein are Buyer's sole and exclusive remedies, whether for claims under and express or any implied warranty, breach of either, tort or otherwise. In no event shall Seller be liable for any special, indirect, incidental or consequential damages arising out of the breach of this warranty or the purchase, installation, ownership or use of Seller's products, nor shall Seller be responsible for representations, warranties or agreements made by any employee, agent or other person that purport to modify or add to any of Seller's obligations under this document. Except as set forth in this limited warranty, Seller makes no other express or implied warranties whatsoever, including, without limitation, warranties of fitness for a particular purpose or merchantability, with respect to the product.

**Seller reserves the right to update the warranty statements, processes and policies. This policy, effective 1/01/2015, supersedes previous versions.

LIGHTING TECHNOLOGY

QuadCore®

NEW!

Coming Soon; a revolutionary design technology. Bright, more efficient than ever, and a uniform fill are just a few of the benefits to look forward to. Available in 3 and 6 LED module configurations.

TriCore®

Based on a proprietary design technology, this is the brightest, LED light head on the market today offering the most uniform fill and a world class signal strength both straight on and at any off-angle. Available in single and multicolor 3 and 6 module LED configurations.

PriZm™ II

A custom designed, full-size parabolic reflector offering a premier fill, straight on and off-angle performance and utilizing the latest state-of-the-art LED technology. Available in single and multicolor 3, 8 or 12 LED configurations.

SIRIS™

Structured Internal Reflector Illumination System. Available in single and multicolor with 9 & 18 LED configurations.

Torus™

3-Up Lens
with Torus Technology

T-Rex Lens
with Torus Technology

Torus uses total internal reflection (TIR) technology in a compact, yet powerful lighthouse design requiring only one optical configuration to offer superior straight-on and off-angle performance. This lighthouse utilizes the latest state-of-the-art LED technology. Available in 3, 4, 6 and 9 LED configurations.

XT Series

Designed for auxiliary or secondary warning lights, these compact yet powerful LED lights are available in 3, 4 & 6 LED configurations.

LED X™

Now available with a newly designed lighthouse that provides superior performance both straight-on and off-angle. The unique design comes with two rows of 4 LEDs, offering an exceptionally bright and tight signal.

All Code 3 LED Lighthouses Have a 5 Year Warranty

Code 3,® Inc. engineers, manufactures and markets a complete line of lighting and sound-based warning products used by professionals in emergency response, utility, service fleet, and industrial settings. Code 3 has been in business since 1974. Its primary goal is to design products that enhance customer safety, including law enforcement officers, firemen and EMT personnel, as well as all personnel in utility, DOT, and construction industries.

Code 3's headquarters and plant is located in St. Louis, Missouri. It distributes products to over 70 countries through a network of manufacturer's representatives and distributors serving the public safety, municipal and industrial markets.

Code 3 employs approximately 200 employees dedicated to finding solutions for the varying needs of its customers. The team at Code 3 focuses on total customer satisfaction through outstanding personnel, innovative products, seamless customer service, and world-class quality. This is exemplified in its ISO 9001 certification, Lean Six Sigma processes, history of product innovations, and its world class testing facility.

Code 3 is a division of ECCO Safety Group (ESG). Headquartered in Boise, Idaho, ESG is a worldwide leader in commercial and emergency vehicle warning and safety products. ESG operates nine manufacturing facilities on four continents, along with an additional four sales offices in Europe, Australia and Asia, together employing 900 team members. At the core of ESG's philosophy is superior customer intimacy. This is why each of the Group's business units operate independently, controlling sales and marketing, customer service and manufacturing operations to meet the specific needs of their customers.

Code 3 is a technology-driven company. We appreciate your feedback on any product ideas, problems or suggestions that you may have. Consider one of the following avenues to stay in touch or follow Code 3:

- C3Vue Configurator helps you design your lightbars and makes ordering a snap.
- Code 3 Facebook page has postings regarding contests, new products, and many photos from officers and more.
- Code 3 Youtube page contains a variety of product videos that truly show our products in action.

We are truly grateful for the opportunity to earn your business, your respect and, hopefully, your loyalty. Visit our website at www.code3inc.com to find these links. We want your experience to be Fast, Easy and Informative! As always, our customers are welcome to contact our exemplary Code 3 Customer Service Department for any questions at cs-c3@code3esg.com or call us at (314) 426-2700.

Code 3 is a division of ECCO Safety Group (ESG). Headquartered in Boise, Idaho, ESG is a worldwide leader in commercial and emergency vehicle warning and safety products. With nine manufacturing facilities on four continents: North America, Europe, Asia, and Australia, ESG markets a portfolio of the most respected brands in the industry. ESG serves more than 500 OEMs and thousands more private label, fleet and aftermarket customers in a range of industries including heavy construction, material handling, utilities and emergency services.
