UPS - United Parcel Service or other small package carrier

Shipping weights and shipping carriers are provided for informational purposes only and are subject to change. For accurate freight cost estimates, please call for an actual freight quote prior to ordering. Unless otherwise directed shipments will be made via the least expensive carrier. In some instances, even though a product may be listed as shipping via UPS, when multiple units are ordered we may select to use a Common Carrier to save freight cost.

NOTE: This price list indicates GSA approved items and the negotiated GSA Pricing. The products itemized in this price list correspond to the current Lincoln Catalog. Not all items presented in the catalog are GSA Approved items. Those additional items are available, but are not part of our GSA Contract.
