## M.J.L. Enterprise LLC Schedule 03FAC for Facilities Maintenance and Management

### Federal Supply Schedule PRICE LIST

1a.

SIN	Service Description	Price
<u>812</u> <u>001</u>	<b>Dry Docking Services</b> - Service include, but are not limited to the lifting of vessels out of the water for inspection, maintenance and repair of hull surfaces and undocking after completion of work. This includes floating <b>dry docks</b> , graving <b>dry docks</b> , marine railways, vertical lifts, and travel lifts and cranes used in the removal of marine vessels from the water for the performance of inspection, testing, maintenance and repair services. Services include, but are not limited to, providing all provisioning, labor and materials for <b>dry docking</b> operation of a variety of classes of marine vessels.	See item 1b for pricing
<u>812</u> <u>002</u>	<b>Dockside Maintenance and Repair Services</b> - Services include, but are not limited to, the performance of full inspection, testing, repair, and maintenance services for Federal marine vessels. These maintenance and repair services could include, one or more of the following: preservation of ship structures, deck covering systems, welding processes, temporary hull access, electrical and HVAC systems, auxiliary machinery systems, shipboard ventilation systems, electrical rotating machines, generators and motors, propulsion systems, and tank and void inspection, testing, repair and maintenance.	See item 1b for pricing
<u>801</u> <u>001</u>	<b>Surface Preparation</b> - Services related to the preparation for application of chemical compounds to Federal vehicles, machinery and other equipment and Support Training/Consultation Services as they pertain to preparation for and application of chemical compounds to Federal vehicles, machinery and other equipment. <b>THIS SIN DOES NOT COVER PASSENGER CARS, TRUCKS OR BUSES.</b> These services include surface preparation for painting and sealant application on ships, aircraft, vehicles and other equipment or machinery surface that requires application of chemical compound, such as paint, sealant, coatings, or adhesives. These services could include, but are not limited to: abrasive air blasting, wheel blasting, vibratory and mass finishing, shot peening, wet blasting, micro-blasting, lapping and grinding, high energy disco finishing, high energy barrel finishing, drag finishing, mechanical scarification, acid etching or ultrasonic.	See item 1b for pricing

**1b.** To purchase services from MJL Enterprises LLC under the above SINs, please contact us at phone **757-963-8740 x 201**, or fax **757-301-6404**, or email [mhierholzer@mjl-enterprises.com](mailto:mhierholzer@mjl-enterprises.com)

A customer wishing to purchase our services under the above SINs would request an estimate for our services. The customer will provide us with a scope of work to be performed. Based on this scope of work, MJL will provide the customer a firm fixed total price. The total price will be the sum of **fixed units** MJL to perform the service.

**THE GSA APPROVED composite work fixed unit price for this contract is \$136.74 for maintenance services. This is not a labor rate as this rate includes** “all qualified personnel, materials, equipment, facilities and services as required by individual orders to perform these services. Services specified in an order may be performed at the contractor’s facility, the ordering agency’s facility or other sites, as designated in the order, as appropriate” as required by this solicitation.”

**Calculation defined as** *(Base Rate – GSA Discount = Net Rate + IFF = Total Proposed Fixed Unit Price)*, or **\$144.00 – 5.75% + IFF = Total Proposed Fixed Unit Price.**

**Travel:** MJL Enterprises LLC may be required to travel in performance of orders issued under this contract. Allowable travel and per diem charges are governed by Pub .L. 99-234 and FAR Part 31, and are reimbursable by the ordering agency or can be priced as a fixed price item on orders placed under the Multiple Award Schedule. Travel in performance of a task order will be reimbursable to the extent authorized by the ordering agency.
