### 24. Environmental Attributes:

**NSF-140:** All Bentley Prince Street standard broadloom and tile products have achieved NSF-140 Sustainable Carpet Assessment Standard certification conducted by NSF International. Our broadloom products with High PerformancePC™ backing are certified at the Platinum level. Our optional broadloom backings, Prestige Plus RC, and Optimum Barrier™ II are certified at the Gold level. Our carpet tile products with NexStep® backing are certified at the Gold level.

**Bentley Prince Street receives the 2011 and 2008 GSA Evergreen Award:**

This award recognizes efforts in recycling, affirmative procurement and waste reduction in Furniture, Furnishings and Technology/Electronics categories.

Bentley Prince Street is recognized for its industry-leading sustainability practices as well as for its design-leading products. Our continual journey to sustainable commerce means examining, improving and innovating in every area of the business, including manufacturing processes and product design, to minimize any negative impact on the environment while also making good economic sense.

Bentley Prince Street was the first carpet manufacturer to certify its manufacturing facility to **LEED-EB Silver Certification 2007**.

**Environmental Product Declaration (EPD):** In 2009, Bentley Prince Street became the first North American carpet manufacturer to have an Environmental Product Declaration for broadloom carpet. An EPD is the only third-party verification system that takes into account the complete life cycle assessment of a product's environmental impact, encompassing raw materials, production, installation, use and end of use.

**Recycled Content:** 100% of Bentley Prince Street's products contain recycled content. Please contact your Bentley Prince Street Sales Representative for specific details.

**Product Innovations:** Bentley Prince Street offers a **Cool Carpet™** option on all of its products. By selecting this option, clients purchase "climate neutral" products, meaning that the greenhouse gas (GHC) emissions (the primary contributor to global warming) emitted during the life cycle of the product are offset or balanced through the purchase of certified emission reduction credits (ERCs).

Modification No. #130

Bentley Prince Street has achieved **Climate Registered™ Platinum** status through The Climate Registry's state endorsed leadership program. A requirement of achieving Climate Registered Platinum is publishing a carbon management plan, a GHG reduction goal, and a timeline for achieving it. The process is an important step in reducing energy usage, costs, and carbon emissions. Bentley Prince Street has adopted a truly environmentally responsible and transparent approach to doing business.

**Green Label Plus:** All of Bentley Prince Street products are certified to meet the requirements of the Carpet and Rug Institute's (CRI's) **Green Label Plus test protocol**. This independent testing program measures total volatile organic compound (TVOC) emissions as well as individual chemical concentrations. CRI's Green Label Plus test criteria help customers identify low emitting products.

**Low VOC's:** Our products meet the low volatile organic compounds (VOC) standard for product categories listed in California Air Resources Board (CARB) for reducing VOC emissions from consumer products and architectural coatings.

**LEED Projects:** Bentley Prince Street products can help you earn LEED credits such as Materials and Resources, Indoor Environmental Quality and LEED Innovation.

**Innovative Reclamation Programs:** Through the **ReEntry® reclamation program**, customers can return their carpet after its useful life and it will be repurposed, recycled or used for energy capture and conversion. The Company will also reclaim competitors' carpet. Please contact your sales representative for specific details.

In 2008, we won the **CalRecycle Sustainable Business Award** for the extraordinary measures to reduce waste by cutting the amount of trash it produces, conserving resources and reducing landfill waste.

### **Additional Third Party Certifications:**

Bentley Prince Street is a charter member of the **California Climate Action Registry**, and was named the first Climate Action Leader™ of 2004 for successfully completing certification of 2003 emissions inventory.

**Mission Zero™:** Bentley Prince Street shares a mission with its parent, Interface, Inc.—To be the first company that, by its deeds, shows the entire industrial world what sustainability is in all its dimensions: people, process, product, place and profits – by 2020 – and in doing so will become restorative through the power of influence.

Modification No. #130

**Measurable Progress:** Through the Bentley Prince Street QUEST program, the Company has achieved the following since 1994:

- Reduced water intake by 52%
- Reduced energy use per unit by 40%
- Reduced waste sent to landfill by 97%
- Reduced net absolute greenhouse gas emissions by 48% since 1996
- Reduced NOx emissions by 66% since 1996

In 2010, Bentley Prince Street became a **Save Energy Now Leader** company with the Department of Energy and commit to reducing energy intensity by 25% in 10 years.

### Environmental Recognition:

**2008 CalRecycle Sustainable Business Award** – The California Integrated Waste Management Board has honored Bentley Prince Street for the extraordinary measure to reduce waste by cutting the amount of trash it produces, conserving resources and reducing waste disposal in landfills.

**2006 Climate Action Champion Award** – Bentley Prince Street was recognize for its leadership in addressing climate change and making significant commitments to reductions in greenhouse gas emissions.

**2005 Most Valuable Pollution Prevention Award** – The National Pollution Prevention Roundtable is the largest membership organization in the US devoted solely to pollution prevention. Bentley Prince Street recently was the recipient of this organization's 2005 Most Valuable Pollution Prevention Award.

**Bentley Prince Street** is ISO 14001 and ISO 9001 Certified by BSI (British Standards Institution)

**2004 GEELA** – Bentley Prince Street was the recipient of the Governor's Environmental and Economic Leadership Award for the State of California, the state's highest and most prestigious environmental honor.

**California Climate Action Registry** – Bentley Prince Street was the first Climate Action Leader of 2004.
