

AAA Business Supplies & Interiors, established in 1980, is a full service contract furniture dealership. Our team of highly talented and experienced Account Executives, Designers, Project Managers and Installers are dedicated to providing the Government with furniture solutions that complement your style, culture and budget. We create truly inspiring work spaces that promote the health, safety and productivity of your employees. Our ability to match the right skill set from our expert staff to the Federal Government's specific project requirements is what sets us apart from our competition.

AAA Business Supplies & Interiors is unique among contract furniture dealers. We partner with you throughout the entire process, starting with Space Planning & Design Development through product selection, Project Management and Installation. Together, we act as one, making "Your Project" into "Our Project". Our expertise in products and services allows us to create environments that are cost effective, functional, and flexible, and responsive to the evolving needs of the Federal Government.

AAA is a key partner for the quality furniture manufacturers included in this contract, however we also can arrange for teaming solutions with many other leading manufacturers. As the only green certified furniture dealer in our market, we are keenly aware of the importance of providing solutions that are environmentally friendly. Our overriding goal is to maximize your investment, help you achieve any desired LEED points, and provide you with affordable, functional furniture that reflects the best in design and ergonomics.

We can fulfill all your facility needs with our extensive offerings in:

- Private offices
- Office cubicles and open plan stations
- Reception and lounge areas
- Conference & media rooms
- Training & education
- Café and lunchroom
- Healthcare environment

Our Services include:

- Space planning
- Design development
- Product specification
- Project management
- Ergonomic consultations
- Installation and reconfiguration

- Relocation and move management
- Warehousing and storage
