Business Size: Small Business

Customer Information

- 1a. All items in this catalog fall under Special Item Number (SIN) 3361, 3363, 3361V
- 1b. The lowest price model available under this contract is the TCV-X Module at \$32,251.89. This price is for a quantity of one unit and does not include options, quantity/dollar volume, prompt payment or any other concessions. Price applies to customers in the contiguous 48 states, District of Columbia, or port of embarkation.
2. Maximum Order Limitation (MOL) is indefinite quantity contract.
3. Minimum order is \$100.00.
4. The units in this catalog are designed to U.S. automotive standards and are available to any agency-authorized use of such vehicles. FOB Origin.
5. Point of production is Columbia Falls, Flathead County, Montana, U.S.A.
6. Prices shown herein are commercial prices with GSA discounts.
7. Quantity discounts: One unit 3.00%, 2 units 4.00%, 3 plus units 4.50%
8. Prompt Payment Terms: .5% 15 days; Net 30 days
- 10a. Delivery of all orders is 240 days or less after Receipt of Order for all models. If multiple units are ordered, first unit delivered 240 days after receipt of order. Additional units delivered within 30 days after first order or at customer requested time, whichever is later.

- 10b. Vehicles under this contract are not normally available for expedited delivery. Exceptions may be made for on-ground chassis / bodies, or on demonstrator or prototype vehicles.
- 10c. Overnight and 2-day delivery may be available on existing prototype or demonstrator vehicles.
- 10d. Contract clause I-FSS-140-B, "Urgent Requirements", applies to this contract. Agencies are encouraged to contact Nomad GCS at (406) 755-1721 to effect faster delivery for urgent requirements.
11. FOB point is Columbia Falls, Montana. Shipping as covered in item 4 above.
- 12a. Ordering address: Orders may be placed directly with Nomad Global Communication Solutions, Inc. at the following address:
- Nomad Global Communication  
Solutions, Inc.  
Attn: Derrick Woodward  
5414 US Highway 2 W  
Columbia Falls, MT 59912
- 12b. Ordering procedures: For supplies and services, the ordering procedures, information on blanket Purchase Agreements (BPA's) and sample BPA can be found at the GSA/FSS Schedule homepage (<http://www.fss.gsa.gov/schedules>).
13. Payment address:
- Nomad Global Communication Solutions, Inc.  
5414 US Highway 2 W  
Columbia Falls, MT 59912
14. All conversion work performed by Nomad GCS is warranted for one (1) year. Custom bodies built by Nomad GCS are warranted for twelve (12) years. The chassis and associated components, and the bodies and their associated components are covered by their respective manufacturer. Major component and sub-assemblies, such as emergency lighting, generators, air conditioners, etc. are covered by the warranties of their respective manufacturers. Questions regarding specific, warranty claims should be directed to Nomad Global Communication Solutions, Inc. All warranty work and service can be arranged by calling Nomad GCS at (406) 755-1721.
15. Export packing charges are beyond the scope of this immediate contract and must be determined on a case by case basis with GSA approval at the time of the order.
16. Rental, maintenance and repair not applicable.
17. Terms and conditions of installation are covered in detailed specifications available from Nomad GCS.
- 18a. Repair parts are beyond the scope of this immediate contract. Repair parts are available through Nomad GCS.
- 18b. Terms and conditions for other services not applicable.
19. All service should be coordinated through the Nomad GCS Service Department at 406-755-1721. Service is typically available through Chassis manufacturer, fleet service facilities, component manufacturers' service outlets or RV centers, depending on the model and component requiring service. Contact Nomad GCS at 406-755-1721 for the nearest applicable service facility.
20. Participating Dealers: NONE

22. Preventive maintenance guidelines for vehicle components have been developed by the component manufacturers and are included in the documentation provided with each vehicle upon delivery.
- 22a. Special Attributes: NOT APPLICABLE
- 22b. 508 Compliance: NOT APPLICABLE
23. UEI number: ESY3CTEH56A7
24. Nomad GCS is active in the System Award Management (SAM) registration, valid until November 8, 2024.

3361V	NOM SOV GND	Integrated 19" 2U rack mounted Vehicle ISR downlink kit with 1 Wave Relay Mobile Ad-hoc Network (MANET) MPU5 radio running FIPS 140-2 certified Level 2 Suite B	EA	\$ 35,968.46

		Algorithms and AES-CTR-256 with SHA-512 HMAC encryption, interchangeable L, S, or C Band modules. System comes with four (4) switched Ethernet ports, beyond line-of-sight video distribution through the vehicle's supplied internet backhaul, antennas, U-229 VoIP Audio/RS232 Serial Port and DC power cord, one (1) year video hosting and custom website as well as one (1) year warranty included. (option item applies to all vehicles)		
3361V	NOM SOV MPU-5	Man Portable Unit (MPU) Pack includes four (4) Wave Relay MPU5s. Hardware package includes antennas, GPS Antenna, MPU5 Ethernet cable, MPU5 Audio Cable, hand mic, HD-BNC Video Cable, Battery, Battery Charger and customized transport case, accommodates (4) MPU5s with accessories. One (1) year warranty included. (option item applies to all vehicles)	EA	\$ 55,109.10
3361V	NOM SOV MTAS	The Mini Tracking Antenna System (MTAS) is a Lightweight, Small Form Factor Mobile Ad-hoc Network (MANET) radio tracking system requiring no mechanical setup. This unit includes a Wave Relay MPU5 MANET radio running FIPS 140-2 certified Level 2 Suite B algorithms and AES-CTR-256 with SHA-512 HMAC encryption. The MTAS transmits real-time Command and Control (C2) Voice-over-IP (VoIP), Radio-over-IP (RoIP), digital Video and situational awareness information over a TCP/IP network at ranges over fifty (50) Nautical Miles. Unit comes with Integrated Navigation System (INS) allowing for use while on the move in mobile environments. One (1) year warranty included. (option item applies to all vehicles)	EA	\$ 84,439.04
