## Warranty Profile

### **WARRANTY**

Products designed and manufactured by Altec Industries, Inc. are warranted to be free from defects in material and workmanship at the time of initial delivery subject to the following provisions:

For one (1) year following initial delivery of the product, Altec will, at its option, repair or replace any part found by Altec to be defective in material or workmanship at the time of the initial delivery. During the first ninety (90) days following initial delivery, no charge for parts, labor or travel to the customer's location shall be made for such repair or replacement at the customer's location. During the remainder of such one (1) year, no charge for parts or labor shall be made for such repair or replacement at an Altec service facility.

This limited warranty does not cover: (a) products which have not been operated and maintained in accordance with Altec operators and maintenance manuals, programs and bulletins; (b) products which have not been mounted in accordance with Altec installation procedures; (c) products not manufactured by Altec which are supplied by Altec on special order; (d) products which are repaired without using original Altec parts; or (e) transportation or delivery to an Altec service facility or the customer's location.

### **DOMESTIC USE**

When vehicles are used within the continental United States, the warranty shall include the furnishing, without cost to the Government (FOB Altec's nearest dealer or branch to vehicle's location or station), of new parts and assemblies to replace any that failed or malfunctioned within the warranty period. In addition, when the Government elects to have the work performed at Altec's plant, branch, dealership, or with Altec's approval (i) to correct the supplies itself; or (ii) to have them corrected by a commercial garage facility; the cost of the labor involved in the replacement of the failed or malfunctioned parts or assemblies shall be borne by Altec.

### **FOREIGN USE**

When vehicles are used outside the continental United States, including Puerto Rico and the Virgin Islands, the warranty shall include the furnishing of new parts or assemblies to replace any returned to Altec by the Government that failed or malfunctioned within the warranty period. The replacement parts or assemblies shall be delivered by Altec to the port of embarkation in the United States designated by the Government. Altec will not be required to bear the cost of the labor involved in correcting defects in vehicles operated in foreign countries.

### **WARRANTY EXCEPTIONS**

The following items are considered normal maintenance and repair for which Altec need not assume liability for reimbursing the Government regardless of the vehicle age or mileage.

- Abuse, negligence, or unapproved alteration of original parts
- Damage from accidents
- Brake and standard clutch adjustments
- General tightening, headlamp adjustments
- Wheel alignment or tire balancing
- Tires and batteries (if warranted by their manufacturers)
- Miscellaneous expenses such as fuel, towing, telephone, travel, lodging, or loss of personal property
