About Rackmount

For more than eleven years, Rackmount's customers have known we are more than a supplier of parts and pieces. We are a business partner, a trusted provider of comprehensive product lines and infrastructure solutions all backed by good stuff…solid guarantees, expeditious service and incredible sourcing capabilities.

Our mission has always been to listen to our client's specific needs and deliver superb quality, high performance products through continuous product innovation and operational excellence. **We are Focused on U®.**

Rackmount Solutions was recognized by INC. 500/5000 as one of the fastest growing private companies in America in 2010, 2011 and again in 2012.

Located in the 1,100-acre Research/Technology Crossroads Park, and minutes away from Telcom Corridor® and Texas Instruments, we are surrounded by the greatest concentration of high-tech companies and talent in the Dallas-Fort Worth area.

Our Products

We offer off-the-shelf and custom products, built for your specific requirements, as well as niche products such as Quiet Racks and Air Conditioned racks. No other company can provide the variety and in depth selection of racks that Rackmount Solutions brings to the industry. Our web site shows just a fraction of our available racks.

- Our products are a solid value for your time and money.
- We understand your problems, challenges and time constraints.
- Our sales staff is salaried. You will never be encouraged to buy products to meet a sales quota.

Our Customers

Our Rapid Response Action Center has served over 75,000 customers worldwide in the aerospace, telecommunications, R&D, health & education and data center environments. We address complex technical, space, disaster recovery and security issues as well as every day concerns. Our products are TAA Compliant. Some of our long-time customers include:

Standard Commercial Warranty as detailed below:

Rackmount Solutions Warranty

Rackmount Solutions (the "Company") warrants the products manufactured by it to be free from defects in material or workmanship under normal use and conditions as follows:

for a period of five (5) years from date of shipment by the Company to the original purchaser.

The Company's entire liability to the purchaser, and the purchaser's (or any other party's) sole and exclusive remedy, under this warranty shall be limited, at the Company's option, to either (a) return of and refund of the price paid for, or (b) repair or replacement at the Company's factory of the products purchased, or any part or parts thereof, which the Company has determined to be defective after inspection thereof at the Company's factory.

This warranty does not cover damage due to acts of God, accident, misuse, abuse or negligence by parties other than the Company, or any modification or alteration of the products. In addition, this warranty does not cover damage due to improper shipping, handling, assembly, installation or maintenance.

This warranty is in lieu of all other warranties of any kind, either express or implied, including, but not limited to, implied warranties of merchantability and fitness for a particular purpose.

To the maximum extent permitted by applicable law, in no event shall the Company be liable for any special, incidental, indirect, or consequential damages whatsoever (including, without limitation, damage for loss of business profits, business interruption or any other pecuniary loss) arising out of the use of the products purchased, even if the Company has been advised of the possibility of such damages. The Company's liability to the purchaser (or any other party) hereunder, if any, shall in no event exceed the purchase price of the products paid to the Company.
