1. Customer Information

1. Requirements 1a, 1b, 1c

1a. Table of awarded special item number(s) with appropriate cross-reference to item descriptions and awarded prices.

SIN	Title	FPDS Code
54151ECOM 54151ECOM- RC, STLOC	Electronic Commerce and Subscription Service	FPDS Code D304: IT and Telecom- Telecommunications and Transmission <ul style="list-style-type: none"> <li>• E-Mail Services</li> <li>• Internet Access Services</li> <li>• Navigation Services</li> <li>• Value added Network Services (VANs)</li> </ul> FSC/PSC Class D399: IT and Telecom- Other IT and Telecommunications <ul style="list-style-type: none"> <li>• Other Data Transmission Services, Not elsewhere classified</li> </ul>
OLM, OLM- RC, STLOC	Order-level Materials	

i. See Table of Contents, Section 2 for item descriptions offered under SIN 54151ECOM and Section 3 for table of item descriptions and associated pricing.

1b. Identification of the lowest priced model number and lowest unit price for that model for each special item number awarded in the contract

SIN	Product Name	Part #	Product Description	Unit	GSA Price w/IFF
54151ECOM	EPL-Basic 1MB	EPL-B1	Ethernet Private Line- Basic, 1MB	MRC	\$30.61

1c. Not Applicable

2. Maximum Order

a. The maximum Order value for the following Special Item Numbers (SINs) is \$500,000.00:  
Special Item Number 54151ECOM - Electronic Commerce and Subscription Service

b. The maximum Order value for the following Special Item Numbers (SINs) is \$250,000.00:  
Special Item Number OLM – Order-level Materials

3. Minimum Order

The minimum dollar value of orders to be issued is \$100.

4. Geographic Coverage (Delivery Area)

The Geographic Coverage for this contract is domestic delivery only. Domestic delivery is delivery within the 48 contiguous states, Alaska, Hawaii, Puerto Rico, Washington, DC, and U.S. Territories. Domestic delivery also includes a port or consolidation point, within the aforementioned areas, for orders received from overseas activities.

5. Points of Production (City, County, State, or foreign country)  
Not applicable for services offered.
6. Discount from list prices of statement of net price.  
Prices shown are under the Pricing Section are NET Prices. Standard discounts have been deducted.
7. Discounts
  - a. Quantity: None
  - b. Dollar Volume: Additional 1% discount from the GSA Rate for single task orders at or exceeding \$200,000 to \$399,999. Additional 2% discount from the GSA Rate for single task orders at or exceeding \$400,000.
8. Prompt Payment Terms  
Net 30 days. Information for Ordering Offices: Prompt payment terms cannot be negotiated out of the contractual agreement in exchange for other concessions.
9. Government Purchase Cards
  - 9a. Government Purchase Cards Below Micro Purchase
    - i. Contractors are required to accept the credit card for payments equal to or less than the micro-purchase for oral or written orders under this contract.
  - 9b. Government Purchase Cards Above Micro Purchase
    - i. Government purchase cards are acceptable for payment above the micro-purchase threshold.
10. Foreign Items: None
11. Delivery
  - a. Time of Delivery  
The Contractor shall deliver to destination within the number of calendar days after receipt of order (ARO), as set forth below:
 

SPECIAL ITEM NUMBER	DELIVERY TIME (DAYS ARO)
54151ECOM, 54151ECOM-RC, STLOC	30 days from receipt of order or as negotiated between CBC and the ordering activity
  - b. Expedited Delivery: As negotiated between CBC and the ordering activity
  - c. Overnight and 2-day delivery: As negotiated between CBC and the ordering activity.
  - d. URGENT REQUIREMENTS: When the Federal Supply Schedule contract delivery period does not meet the bona fide urgent delivery requirements of an ordering activity, ordering activities are encouraged, if time permits, to contact the Contractor for the purpose of obtaining accelerated delivery. The Contractor shall reply to the inquiry within 3 workdays after receipt. (Telephonic replies shall be confirmed by the Contractor in writing.) If the Contractor offers an accelerated delivery time acceptable to the ordering activity, any order(s) placed pursuant to the agreed upon accelerated

delivery time frame shall be delivered within this shorter delivery time and in accordance with all other terms and conditions of the contract.

12. FOB Points: Destination
13. Ordering Address
  - 13a. Agencies should address all orders to the following address.

One Comcast Center  
ATTN: Business Services, Executive Director, Government Sales  
1701 JFK Boulevard  
Philadelphia, PA 19103  
Phone: 215-665-1700
  - 13b. Ordering procedures: For supplies and services, the ordering procedures, information on Blanket Purchase Agreements (BPAs), are found in Federal Acquisition Regulation (FAR) 8.405-3.
14. Payment Address
  - a. Agencies should address all payments to the following address.

One Comcast Center  
ATTN: Business Services, Executive Director, Government Sales  
1701 JFK Boulevard  
Philadelphia, PA 19103  
Phone: 215-665-1700
15. Warranty Provisions
  - a. For the purpose of this contract, commitments, warranties and representations include, in addition to those agreed to for the entire schedule contract:
    - i. Time of delivery/installation quotations for individual orders;
    - ii. Technical representations and/or warranties of products concerning performance, total system performance and/or configuration, physical, design and/or functional characteristics and capabilities of a product/equipment/ service/software package submitted in response to requirements which result in orders under this schedule contract.
    - iii. Any representations and/or warranties concerning the products made in any literature, description, drawings and/or specifications furnished by the Contractor.
  - b. The above is not intended to encompass items not currently covered by the GSA Schedule contract.
  - c. **Note:** No equipment is being offered for sale. Any hardware involved in delivering the services is covered by the corresponding manufacturer's warranty.
16. Export Packing Charges, if applicable
17. Terms and conditions of Government Purchase card acceptance (any thresholds above the micro-purchase level).
18. Terms and conditions of rental, maintenance, and repair (if applicable).
19. Terms and conditions of installation (if applicable).

20. Terms and conditions of repair parts indicating date of parts price lists and any discounts from list prices (if applicable)
21. Terms and conditions for any other services (if applicable).
22. List of Service and Distribution points (if applicable).
23. List of participating dealers (if applicable).
24. Preventive maintenance (if applicable).
25. Special Attributes and 508 Compliance.
  - a. Special attributes such as environmental attributes (e.g., recycled content, energy efficiency, and/or reduced pollutants).
  - b. If applicable, indicate that 508 compliance information is available on Electronic and Information Technology (EIT) supplies and services and show where full details can be found (e.g. contractor's website or other location.) The EIT standards can be found at: [www.Section508.gov/](http://www.Section508.gov/).
26. Data Universal Numbering System (DUNs) Number: 968185491
27. Notification regarding registration in System for Award Management (SAM) database: Registered.

## 2. Terms and Conditions for all IT Contractors

### 1. Organizational Conflicts of Interest

#### a. Definitions

"Contractor" means the person, firm, unincorporated association, joint venture, partnership, or corporation that is a party to this contract.

"Contractor and its affiliates" and "Contractor or its affiliates" refers to the Contractor, its chief executives, directors, officers, subsidiaries, affiliates, subcontractors at any tier, and consultants and any joint venture involving the Contractor, any entity into or with which the Contractor subsequently merges or affiliates, or any other successor or assignee of the Contractor.

An "Organizational conflict of interest" exists when the nature of the work to be performed under a proposed ordering activity contract, without some restriction on ordering activities by the Contractor and its affiliates, may either (i) result in an unfair competitive advantage to the Contractor or its affiliates or (ii) impair the Contractor's or its affiliates' objectivity in performing contract work.

- b. To avoid an organizational or financial conflict of interest and to avoid prejudicing the best interests of the ordering activity, ordering activities may place restrictions on the Contractors, its affiliates, chief executives, directors, subsidiaries and subcontractors at any tier when placing orders against schedule contracts. Such restrictions shall be consistent with FAR 9.505 and shall be designed to avoid, neutralize, or mitigate organizational conflicts of interest that might otherwise exist in situations related to individual orders placed against the schedule contract. Examples of situations, which may require restrictions, are provided at FAR 9.508.

### 2. Services Performed

- a. All services performed by the Contractor under the terms of this contract shall be as an independent Contractor, and not as an agent or employee of the ordering activity.
- b. The Contractor shall commence performance of services on the date agreed to by the Contractor and the ordering activity.
- c. The contractor agrees to render services only during normal working hours, unless otherwise agreed to by the Contractor and the ordering activity.

### 3. Travel

Any Contractor travel required in the performance of services must comply with the Pub. L. 99-234 and FAR Part 31.205-46, as applicable, in effect on the date(s) the travel is performed. Established Federal Government per diem rates will apply to all Contractor travel.

### 4. Warranty

- a. Unless otherwise specified in this contract, the Contractor's standard commercial warranty as stated in the contract's commercial pricelist will apply to this contract.
- b. **Note:** No equipment is being offered for sale. Any hardware involved in delivering the services is covered by the corresponding manufacturer's warranty.

- c. The Contractor's commercial guarantee/warranty shall be included in the Commercial Supplier Agreement to include Enterprise User License Agreements or Terms of Service (TOS) agreements, if applicable.
- d. Except as otherwise provided by an express or implied warranty, the Contractor will not be liable to the ordering activity for consequential damages resulting from any defect or deficiencies in accepted items.

### 3. Terms and Conditions Applicable to Electronic Commerce and Subscription Services (Special Item Number 54151ECOM)

1. Specific Instructions for SIN 54151ECOM - Electronic Commerce and Subscription Services
  - a. Acceptance Testing: Acceptance testing shall be performed of the systems for ordering activity approval in accordance with the approved test procedures. Management and operations pricing shall be provided on a uniform basis. All management and operations requirements for which pricing elements are not specified shall be provided as part of the basic service.
  - b. Normal commercial installation, operation, maintenance, and engineering interface training on the system shall be provided. See Section 4, FAS MAS Schedule Pricelist for pricing information.
  - c. Monthly summary report may be provided to the Ordering Activity in accordance with commercial practice
2. The Comcast Business Communications Terms of Service and Acceptable Use Policies that are applicable to Electronic Commerce Services are incorporated into this contract and are included as Appendices to this document.

Appendix 1: Comcast Acceptable Use Policy

Appendix 2: Comcast General Terms and Conditions

Appendix 3: Comcast Intrastate Ethernet Transport Services

Appendix 4: Comcast Dedicated Internet Services

Appendix 5: Comcast Ethernet Transport Services

3. Electronic Commerce Service Plan

Service Description:

**Comcast Ethernet Private Line (EPL) Service** is a reliable, more flexible, higher bandwidth alternative to traditional TDM Private Lines. The service enables customers to connect their Customer Premises Equipment (CPE) using a lower cost Ethernet interface. EPL enables customers to use any VLANs or Ethernet control protocol across the service without coordination with Comcast.

EPL provides one Ethernet Virtual Connection (EVC) between two customer locations. EPL offers three Classes of Service (CoS): Basic, Priority, and Premium. CoS options enable customers to select the CoS that best meets their applications' performance requirements. The service is offered with 10Mbps, 100Mbps, 1Gbps or 10Gbps Ethernet User-to-Network Interfaces (UNI) and is available in speed increments from 1Mbps to 10Gbps. Comcast's Ethernet Private Line Service is Certified MEF Compliant.

**Comcast Ethernet Virtual Private Line (EVPL) Service** provides an Ethernet Virtual Connection (EVC) between two customer locations similar to Ethernet Private Line service but supports the added flexibility to multiplex multiple services (EVCs) on a single UNI at a customer's hub or aggregation site. The service is a reliable, more flexible, higher bandwidth and cost-effective alternative to traditional TDM Private Lines, Frame Relay or ATM Layer 2 VPNs and IP VPNs.

EVPL offers three Classes of Service (CoS) including: Basic, Priority, and Premium. CoS options enable customers to select the CoS that best meets their applications' performance requirements. The service is offered with 10Mbps, 100Mbps, 1Gbps or 10Gbps Ethernet User-to-Network Interfaces (UNI) and is available in speed increments from 1Mbps to 10Gbps. Comcast's Ethernet Network Service is Certified MEF Compliant.

**Comcast Ethernet Network Service (ENS)** enables customers to connect physically distributed locations across a Metropolitan Area Network (MAN) as if they are on the same Local Area Network (LAN). The service provides VLAN transparency enabling customers to implement their own VLANs without any coordination with Comcast. ENS is a reliable, more flexible, scalable, and cost-effective alternative to traditional hub and spoke network topologies using Frame Relay, TDM private lines or IP VPNs.

ENS offers three Classes of Service (CoS): Basic, Priority, and Premium. CoS options enable customers to select the CoS that best meets their applications' performance requirements. The service is offered with 10Mbps, 100Mbps, 1Gbps or 10Gbps Ethernet User-to-Network Interfaces (UNI) and is available in increments from 1Mbps to 10Gbps. The ENS Service is not available over the Comcast Hybrid Fiber Coax (HFC) Network.

Comcast's Ethernet Network Service is Certified MEF Compliant.

**Comcast's Ethernet Dedicated Internet (EDI) Service** provides a reliable, simpler, more flexible, and higher bandwidth options than T1 or SONET-based dedicated Internet access services. The service is offered with a 10Mbps, 100Mbps, 1Gbps or 10Gbps Ethernet User-to-Network Interface (UNI) in speed increments from 1Mbps to 10Gbps subject to available capacity. The service provides an Ethernet Virtual Connection (EVC) from the customer premises location to a Comcast Internet Point of Presence (POP) router.

**Corporate volume discounts** and eligibility requirements, if any. See Section 4, FAS Multiple Award Schedule Pricelist for pricing information.

## 5.0 Appendices

### Appendix 1: Acceptable Use Policy

- Prohibited Uses and Activities
- Customer Conduct and Features of the Service
- Network Management
- Data Consumption
- Violation of this Acceptable Use Policy

#### Copyright

Why is Comcast providing this Policy to my organization?

Comcast's goal is to provide its customers with the best commercial Internet service possible. In order to help accomplish this, Comcast has adopted this Acceptable Use Policy (the "Policy"). This Policy outlines acceptable use of Comcast Business Services High-Speed Internet service, including Comcast-provided WiFi Internet service (collectively, the "Service"). All capitalized terms used in this Policy that are not defined here have the meanings given to them in the applicable Business Services Agreement.

All Comcast Business Services High-Speed Internet customers and all others who use the Service (the "customer," "user," "you," or "your") must comply with this Policy.

Does this Policy apply to my use of Comcast Business Services WiFi-identified services inside and outside of my premises and in public places?

This Policy applies to your use of the Service if you are a Comcast Business Services High-Speed Internet customer who accesses Comcast-provided, Comcast Business Services WiFi-identified services inside or outside of your premises or in public places using a Comcast Business Services login and password. You can learn more about Comcast-provided WiFi services by going to <http://business.comcast.com/landingpage/wifi>. In the event certain provisions of this Policy may not apply to all uses of Comcast Business Services WiFi-identified services, we explain those exceptions at <http://business.comcast.com/landingpage/wifiFAQs>.

### **I. Prohibited Uses and Activities**

#### **What uses and activities does Comcast prohibit?**

In general, the Policy prohibits uses and activities involving the Service that are illegal, infringe the rights of others, or interfere with or diminish the use and enjoyment of the Service by others. For example, these prohibited uses and activities include, but are not limited to, using the Service, Customer-Provided Equipment, or the Comcast Equipment, either individually or in combination with one another, to:

## Conduct and information restrictions

- undertake or accomplish any unlawful purpose. This includes, but is not limited to, posting, storing, transmitting or disseminating information, data or material which is libelous, obscene, unlawful, threatening or defamatory, or which infringes the intellectual property rights of any person or entity, or which in any way constitutes or encourages conduct that would constitute a criminal offense, or otherwise violate any local, state, federal, or non-U.S. law, order, or regulation;
- post, store, send, transmit, or disseminate any information or material which a reasonable person could deem to be unlawful;
- upload, post, publish, transmit, reproduce, create derivative works of, or distribute in any way information, software or other material obtained through the Service or otherwise that is protected by copyright or other proprietary right, without obtaining any required permission of the owner;
- transmit unsolicited bulk or commercial messages commonly known as "spam";
- send very large numbers of copies of the same or substantially similar messages, empty messages, or messages which contain no substantive content, or send very large messages or files that disrupts a server, account, blog, newsgroup, chat, or similar service;
- initiate, perpetuate, or in any way participate in any pyramid or other illegal scheme;
- participate in the collection of very large numbers of email addresses, screen names, or other identifiers of others (without their prior consent), a practice sometimes known as spidering or harvesting, or participate in the use of software (including "spyware") designed to facilitate this activity;
- collect responses from unsolicited bulk messages;
- use IRC (Internet Relay Chat) or other chat services or tools to flood chats, establish more than two (2) concurrent chat connections per device at any time, or use unattended clones, bots, or other automated programs to engage in chats;
- falsify, alter, or remove message headers;
- falsify references to Comcast or its network, by name or other identifier, in messages;
- impersonate any person or entity, engage in sender address falsification, forge anyone else's digital or manual signature, or perform any other similar fraudulent activity (for example, "phishing");
- violate the rules, regulations, terms of service, or policies applicable to any network, server, computer database, service, application, system, or web site that you access or use;

## Technical restrictions

- access any other person's computer or computer system, network, software, or data without his or her knowledge and consent; breach the security of another user or system; or attempt to circumvent the user authentication or security of any host, network, or account. This includes, but is not limited to, accessing data not intended for your organization, logging into or making use of a server or account your organization is not expressly authorized to access, or probing the security of other hosts, networks, or accounts without express permission to do so;
- use or distribute tools or devices designed or used for compromising security or whose use is otherwise unauthorized, such as password guessing programs, decoders, password

gatherers, keystroke loggers, analyzers, cracking tools, packet sniffers, encryption circumvention devices, or Trojan Horse programs. Unauthorized port scanning is strictly prohibited;

- copy, distribute, or sublicense any proprietary software provided in connection with the Service by Comcast or any third party, except that your organization may make one copy of each software program for back-up purposes only;
- distribute programs that make unauthorized changes to software (cracks);
- service, alter, modify, or tamper with the Comcast Equipment or Service or permit any other person to do the same who is not authorized by Comcast;

### **Network and usage restrictions**

- restrict, inhibit, or otherwise interfere with the ability of any other person, regardless of intent, purpose or knowledge, to use or enjoy the Service (except for tools for safety and security functions or tools implementing authorized internal organization policies), including, without limitation, posting or transmitting any information or software which contains a worm, virus, or other harmful feature, or generating levels of traffic sufficient to impede others' ability to use, send, or retrieve information;
- restrict, inhibit, interfere with, or otherwise disrupt or cause a performance degradation, regardless of intent, purpose or knowledge, to the Service or any Comcast (or Comcast supplier) host, server, backbone network, node or service, or otherwise cause a performance degradation to any Comcast (or Comcast supplier) facilities used to deliver the Service;
- make the Service available to anyone other than your organization or your organization's authorized employees, contractors, or users (i.e. members of the public, customers of an establishment, hotel or motel guests and patrons, or persons in a residence hall or apartment building) unless done with Comcast's written approval in accordance with an applicable Business Services Agreement;
- resell the Service or otherwise make available to anyone outside the Service Location(s) the ability to use the Service (for example, through WiFi or other methods of networking), in whole or in part, directly or indirectly, unless expressly permitted by the applicable Business Services Agreement;
- connect the Comcast Equipment to any computer outside of your organization's Service Location(s);
- interfere with computer networking or telecommunications service to any user, host or network, including, without limitation, denial of service attacks, flooding of a network, overloading a service, improper seizing and abusing operator privileges, and attempts to "crash" a host;
- interfere with Comcast's ability to control or block ports for safety and security purposes and as part of its overall network management;
- interfere with Comcast's use and control of its domain name server ("DNS") used in connection with the Service; and
- accessing and using the Service with anything other than a dynamic Internet Protocol ("IP") address that adheres to the dynamic host configuration protocol ("DHCP"), unless DHCP is expressly permitted by the applicable Business Services Agreement.

## **II. Customer Conduct and Features of the Service**

### **What obligations does my organization have under this Policy?**

In addition to being responsible for its own compliance with this Policy, your organization is also responsible for any use or misuse of the Service that violates this Policy, even if it was committed by an employee, contractor, customer, or guest with access to your organization's Service account. Therefore, your organization must take steps to ensure that others do not use your organization's account to gain unauthorized access to the Service by, for example, strictly maintaining the confidentiality of all Service logins and passwords. In all cases, your organization is solely responsible for the security of any device it chooses to connect to the Service, including any data stored or shared on that device. In addition, your organization is solely responsible for securing access to any Comcast Business Portal or other feature that provides administrative and account management-related features for your organization's Service account.

It is also your organization's responsibility to secure the Customer-Provided Equipment and any other Service Location(s) equipment or programs not provided by Comcast that connect to the Service from external threats such as viruses, spam, bot nets, and other methods of intrusion.

### **How does Comcast address inappropriate content and transmissions?**

Neither Comcast nor any of its affiliates, suppliers, or agents have any obligation to monitor transmissions or postings (including, but not limited to, email, file transfer, blog, newsgroup, and instant message transmissions as well as materials available on online storage features such as websites and servers) made on the Service. However, Comcast and its affiliates, suppliers, and agents have the right to monitor these transmissions and postings from time to time for violations of this Policy and to disclose, block, or remove them in accordance with this Policy, the Business Services Agreement, and applicable law.

### **What requirements apply to electronic mail?**

The Service may not be used to communicate or distribute email or other forms of communications in violation of Section I in this Policy. As described below in Section III of this Policy, Comcast uses reasonable network management tools and techniques to protect customers from receiving spam and from sending spam (often without their knowledge over an infected computer).

Comcast is not responsible for deleting or forwarding any email sent to the wrong email address(es) by your organization or by someone else trying to send email to your organization or its employees, contractors, or users. Comcast is also not responsible for forwarding email sent to any account that has been suspended or terminated. This email will be returned to the sender, ignored, deleted, or stored temporarily at Comcast's sole discretion. In the event that a Service account is terminated for any reason, all e-mail associated with that account (and any secondary accounts) that is hosted by or at the direction of Comcast will be permanently deleted as well.

Comcast may at any time reserve any identifiers on the Service for Comcast's own purposes.

Comcast Service plans limit the storage of messages on Comcast's systems to a set number of days and may set a fixed upper limit on the size and/or number of messages that you may send or receive through the Service. See <http://businesshelp.comcast.com/help-and-support/Email/size-storage-limits> for specific information about email storage and sending and receiving limits.

Neither Comcast nor any of its suppliers shall have any liability for the deletion of, or failure to store, messages or of the mis-delivery of, failure to deliver or the untimely delivery of messages.

Comcast helps protect its customers from viruses and other unwanted content and programs included in emails. Comcast's email servers and other systems employ various virus detection and prevention tools that it updates frequently to respond to the latest threats on the Internet. These tools will automatically remove viruses and other unwanted material from emails whenever possible. This applies both to emails your organization sends as well as to emails your organization receives. Comcast's systems also may scan all incoming and outgoing email traffic over the Service using automated tools applying recognized and commonly used techniques for identifying and blocking spam and other unwanted or harmful code or content.

#### **What requirements apply to instant, video, and audio messages?**

Each user is responsible for the contents of his or her instant, video, and audio messages and the consequences of any of these messages. Comcast assumes no responsibility for the timeliness, mis-delivery, deletion, or failure to store these messages. In the event that a Service account is terminated for any reason, all instant, video, and audio messages associated with that account (and any secondary accounts) will be permanently deleted as well.

#### **What requirements apply to web hosting services?**

As part of the Service, Comcast may provide various web hosting services that your organization can subscribe to and which include, among other features, domain name hosting, website hosting, file storage, and file transfer (collectively, the " Web Hosting Services"). Your organization is solely responsible for any information that it or others publish or store on the Web Hosting Services. Your organization is also responsible for ensuring that all content made available through the Web Hosting Services is appropriate for those who may have access to it. For example, your organization must take appropriate precautions to prevent minors from receiving or accessing inappropriate content. Comcast reserves the right to remove, block, or refuse to post or store any information or materials, in whole or in part, that it, in its sole discretion, deems to be in violation of Section I in this Policy. For purposes of this Policy, "material" refers to all forms of communications including text, graphics (including photographs, illustrations, images, drawings, logos), executable programs and scripts, video recordings, and audio recordings.

#### **What requirements apply to my organization's Service account Internet reputation?**

Comcast provides the Service for use in your organization. Most everything your organization does using the Service will be directly attributable to it and affect its reputation. However, because Comcast provides the systems to deliver the Service, there are some things that your organization can do using the Service that are directly attributable to Comcast and affect its reputation. Most obviously, if your organization uses the Service to send spam (or what spam reporting services or recipients classify as spam) or uses the Web Hosting Services for an

improper purpose such as phishing, these activities may affect Comcast's reputation because of its ownership of the IP addresses associated with the Service. Of course, these activities also violate this Policy.

### **III. Network Management**

#### **Why does Comcast manage its network?**

Comcast manages its network with one goal: to deliver the best possible broadband Internet experience to all of its customers. High-speed bandwidth and network resources are not unlimited. Managing the network is essential as Comcast works to promote the use and enjoyment of the Internet by all of its customers. The company uses reasonable network management practices that are consistent with industry standards. Comcast tries to use tools and technologies that are minimally intrusive and, in its independent judgment guided by industry experience, among the best in class. Of course, the company's network management practices will change and evolve along with the uses of the Internet and the challenges and threats on the Internet.

The need to engage in network management is not limited to Comcast. In fact, all large Internet service providers manage their networks. Many of them use the same or similar tools that Comcast does. If the company didn't manage its network, its customers would be subject to the negative effects of spam, viruses, security attacks, network congestion, and other risks and degradations of service. By engaging in responsible network management including enforcement of this Policy, Comcast can deliver the best possible broadband Internet experience to all of its customers.

#### **How does Comcast manage its network?**

Comcast uses various tools and techniques to manage its network, deliver the Service, and ensure compliance with this Policy and the Business Services Agreement. These tools and techniques are dynamic, like the network and its usage, and can and do change frequently. For example, these network management activities may include (i) identifying spam and preventing its delivery to customer email accounts, (ii) detecting malicious Internet traffic and preventing the distribution of viruses or other harmful code or content, and (iii) using other tools and techniques that Comcast may be required to implement in order to meet its goal of delivering the best possible broadband Internet experience to all of its customers.

### **IV. Data Consumption**

#### **Are there restrictions on data consumption that apply to the Service?**

The Service is for commercial use only in a small, medium, or large organization as determined by the applicable Business Services Agreement. Common activities that may cause excessive data consumption in violation of this Policy include, but are not limited to, numerous or continuous bulk transfers of files and other high capacity traffic using (i) file transfer protocol ("FTP"), (ii) peer-to-peer applications, and (iii) user generated content sites. Your organization must also ensure that its use of the Service does not restrict, inhibit, interfere with, or degrade any other person's use of the Service, nor represent (as determined by Comcast in its sole discretion) an overly large burden on the network. In addition, your organization must ensure

that its use of the Service does not limit or interfere with Comcast's ability to deliver and monitor the Service or any part of its network.

If your organization uses the Service in violation of the restrictions referenced above, that is a violation of this Policy. In these cases, Comcast may pursue any remedies available pursuant to the Contract Disputes Act.

## **V. Violation of this Acceptable Use Policy**

### **How does Comcast enforce this Policy?**

Comcast does not routinely monitor the activity of individual Service accounts for violations of this Policy, except for determining aggregate data consumption in connection with the data consumption provisions of this Policy. However, in the company's efforts to promote good citizenship within the Internet community, it will respond appropriately if it becomes aware of inappropriate use of the Service. Comcast has no obligation to monitor the Service and/or the network. However, Comcast and its suppliers reserve the right at any time to monitor bandwidth, usage, transmissions, and content in order to, among other things, operate the Service; identify violations of this Policy; and/or protect the network, the Service and Comcast users.

Comcast prefers to inform customers of inappropriate activities and give them a reasonable period of time in which to take corrective action. Comcast also prefers to have customers directly resolve any disputes or disagreements they may have with others, whether customers or not, without Comcast's intervention.

The failure of Comcast or its suppliers to enforce this Policy, for whatever reason, shall not be construed as a waiver of any right to do so at any time. Your organization agrees that if any portion of this Policy is held invalid or unenforceable, that portion will be construed consistent with applicable law as nearly as possible, and the remaining portions will remain in full force and effect.

## **VI. Copyright**

### **How does Comcast communicate with customers about copyright?**

Comcast is committed to complying with U.S. copyright and related laws, and requires all customers and users of the Service to comply with these laws. Accordingly, your organization may not store any material or content on, or disseminate any material or content over, the Service (or any part of the Service) in any manner that constitutes an infringement of third-party intellectual property rights, including rights granted by U.S. copyright law. Comcast complies with the Digital Millennium Copyright Act of 1998 ("DMCA") that provides a process for copyright owners to communicate information about alleged infringements to us, and for us to inform our customers about them. Your organization may receive notices under the DMCA if a copyright owner identifies your organization's Service account as having been used in connection with acts of alleged copyright infringement.

### **What is Comcast's DMCA policy?**

Owners of copyrighted works who believe that their rights under U.S. copyright law have been infringed may take advantage of certain provisions of the DMCA to report alleged infringements.

**How do copyright owners report alleged infringements to Comcast under the DMCA?**

Copyright owners may report alleged infringements of their works that are stored on the Service or the Web Hosting Services by sending Comcast's authorized agent a notification of claimed infringement that satisfies the requirements of the DMCA. Upon Comcast's receipt of a satisfactory notice of claimed infringement for these works, Comcast will respond expeditiously to either directly or indirectly (i) remove the allegedly infringing work(s) stored on the Service or the Web Hosting Services or (ii) disable access to the work(s). Comcast will also notify the affected customer or user of the Service of the removal or disabling of access to the work(s).

Copyright owners may send Comcast a notification of claimed infringement to report alleged infringements of their works under the DMCA to:

J. Opperman & M. Moleski/DMCA Notifications  
Comcast Cable Communications, LLC  
1800 Bishops Gate Drive  
Mount Laurel, NJ 08054 U.S.A.  
Phone: 888.565.4329

Copyright owners may use their own notification of claimed infringement form that satisfies the requirements of Section 512(c)(3) of the U.S. Copyright Act.

Revised and effective: January 14, 2014

Appendix 2: Comcast Enterprise Services General Terms and Conditions for GSA  
Customers

**VERSION: 1.2**

**DEFINITIONS**

**Affiliate:** Any entity that controls, is controlled by or is under common control with Comcast.

**Agreement, Enterprise Services Master Services Agreement or MSA:** Consists of the Enterprise Master Services Agreement Cover Page executed by the Customer and accepted by Comcast, these Enterprise Services General Terms and Conditions (“General Terms and Conditions”), the Product-Specific Attachment for each ordered Service (“PSA”), any written amendments to the Agreement executed by both Parties including any supplemental terms and conditions (“Amendment(s)”), and each Sales Order accepted by Comcast under the Agreement.

**Amendment(s):** Any written amendment to the Agreement, executed by both Parties, including any supplemental terms and conditions.

**Comcast:** INTENTIONALLY OMITTED.

**Comcast Website or Website:** INTENTIONALLY OMITTED.

**Comcast Equipment:** Any and all facilities, equipment or devices provided by Comcast or its authorized contractors at the Service Location(s) that are used to deliver any of the Services including, but not limited to, all terminals, wires, modems, lines, circuits, ports, routers, gateways, switches, channel service units, data service units, cabinets, and racks. Notwithstanding the above, inside telephone wiring within the Service Location, whether or not installed by Comcast, shall not be considered Comcast Equipment.

**Confidential Information:** All information regarding either Party’s business which has been marked or is otherwise communicated as being “proprietary” or “confidential.” or which reasonably should be known by the receiving party to be proprietary or confidential information. Without limiting the generality of the foregoing, Confidential Information shall include, even if not marked, the Agreement, all Licensed Software, promotional materials, proposals, quotes, rate information, discount information, subscriber information, network upgrade information and schedules, network operation information (including without limitation information about outages and planned maintenance) and invoices, as well as the Parties’ communications regarding such items.

**Customer:** The company, corporation, or other entity named on the Enterprise Services Master Service Agreement Cover Page and a Sales Order.

**Customer-Provided Equipment (CE):** Any and all facilities, equipment or devices supplied by Customer for use in connection with the Services.

**Demarcation Point:** The point of interconnection between the Network and Customer’s provided equipment located at a Service Location. In some cases, the Demarcation Point shall be the User to Network Interface (UNI) port on Comcast Equipment at a Service Location.

**General Terms and Conditions:** These Enterprise Services General Terms and Conditions.

**Licensed Software:** Computer software or code provided by Comcast or required to use the Services, including without limitation, associated documentation, and all updates thereto.

**Network:** Consists of the Comcast Equipment, facilities, fiber optic cable associated with electronics and other equipment used to provide the Services.

**Party:** A reference to Comcast or the Customer; and in the plural, a reference to both companies.

**Product Specific Attachment(s) (PSA):** The additional terms and conditions applicable to Services ordered by Customer under the Agreement.

**Revenue Commitment:** A commitment by Customer to purchase a minimum volume of Service during an agreed term, as set forth in a Sales Order.

**Sales Order:** A request for Comcast to provide the Services to a Service Location(s) submitted by Customer to Comcast (a) on a then-current Comcast form designated for that purpose or (b) if available, through a Comcast electronic order processing system designated for that purpose.

**Service(s):** A service provided by Comcast pursuant to a Sales Order. All Services provided under the Agreement are for commercial use only. Services available under this Agreement are identified on the Website.

**Service Commencement Date:** The date(s) on which Comcast first makes Service available for use by Customer. A single Sales Order containing multiple Service Locations or Services may have multiple Service Commencement Dates.

**Service Location(s):** The Customer location(s) where Comcast provides the Services, to the extent the Customer owns, leases, or otherwise controls such location(s).

**Service Term:** The duration of time (commencing on the Service Commencement Date) for which Services are ordered, as specified in a Sales Order.

**Tariff:** A federal or state Comcast tariff and the successor documents of general applicability that replace such tariff in the event of detariffing.

**Termination Charges:** INTENTIONALLY OMITTED

**ARTICLE 1. CHANGES TO THE AGREEMENT TERMS INTENTIONALLY OMITTED.**

**ARTICLE 2. DELIVERY OF SERVICE**

**2.1 Orders.** Customer shall submit to Comcast a properly completed Sales Order to initiate Service to a Service Location(s). A Sales Order shall become binding on the Parties when (i) it is specifically accepted by Comcast either electronically or in writing, (ii) Comcast begins providing the Service described in the Sales Order or (iii) Comcast begins Custom Installation (as defined in Article 2.7) for delivery of the Services described in the Sales Order, whichever is earlier. When a Sales Order becomes effective it shall be deemed part of, and shall be subject to, the Agreement.

**2.2 Access.** In order to deliver certain Services to Customer, Comcast may require access, right-of-way, conduit, and/or common room space (“Access”), both within and/or outside each Service Location. Customer shall provide an adequate environmentally controlled space and such electricity as may be required for installation, operation, and maintenance of the Comcast Equipment used to provide the Services within the Service Location(s). Customer shall be responsible for securing, and maintaining on an initial and ongoing basis during the applicable Service Term and/or Renewal Term, such Access within each Service Location unless Comcast has secured such access prior to this Agreement. Notwithstanding the above, Customer acknowledges that Comcast shall be excused from performance, including Service Interruption(s) and the issuance of Service-related credit(s), until such time as Comcast is granted access to the Customer’s premises. If Comcast is unable to secure or maintain Access outside a particular Service Location, which Access is needed to provide Services to such Service Location, Customer or Comcast may cancel or terminate Service at such particular Service Location, without further liability beyond the termination date, upon a minimum thirty (30) days’ prior written notice to the other party. In such event, if Comcast has incurred any costs or expense in installing or preparing to install the Service that it otherwise would not have incurred, Comcast shall be responsible for such costs or expenses.

**2.3 Hazardous Materials.** If the presence of asbestos or other hazardous materials exists or is detected at a Service Location or within the building where the Service Location is located, Comcast may immediately stop

providing Services until such a time as such materials are removed. Alternatively, Customer may notify Comcast to install the applicable portion of the Service in areas of any such Service Location not containing such hazardous material. Any additional expense incurred by Comcast as a result of encountering hazardous materials, including but not limited to, any additional equipment shall be borne by Customer. Customer shall use reasonable efforts to maintain its property and Service Locations in a manner that preserves the integrity of the Services.

**2.4 Comcast Equipment.** Subject to the Contract Disputes Act, Comcast may remove or change Comcast Equipment in its sole discretion in connection with providing the Services. Customer shall not move, rearrange, disconnect, remove, attempt to repair, or otherwise tamper with any Comcast Equipment or permit others to do so, and shall not use the Comcast Equipment for any purpose other than that authorized by the Agreement. Comcast shall maintain Comcast Equipment in good operating condition during the term of this Agreement; provided, however, that such maintenance shall be at Comcast's expense only to the extent that it is related to and/or resulting from the ordinary and proper use of the Comcast Equipment. In the event that Customer is found responsible for damage to, or loss of, Comcast Equipment at the Service Location(s) in accordance with the Contract Disputes Act, Comcast may submit a request for Equitable Adjustment under said Act.

**2.5 Ownership, Impairment and Removal of Network.** The Network is and shall remain the property of Comcast regardless of whether installed within or upon the Service Location(s) and whether installed overhead, above, or underground and shall not be considered a fixture or an addition to the land or the Service Location(s) located thereon. Customer agrees that it shall take no action that directly or indirectly impairs Comcast's title to the Network, or any portion thereof, or exposes Comcast to any claim, lien, encumbrance, or legal process, except as otherwise agreed in writing by the Parties. Nothing in this Agreement shall preclude Comcast from using the Network for services provided to other Comcast customers. For a period of twelve (12) months following Comcast's discontinuance of Service to the Service Location(s), Comcast retains the right to remove the Network including, but not limited to, that portion of the Network that is located in the Service Location. To the extent Comcast removes such portion of the Network it shall be responsible for returning the Service Location(s) to its prior condition, reasonable wear and tear excepted.

**2.6 Customer-Provided Equipment ("CE").** Comcast shall have no obligation to install, operate, or maintain CE. Customer shall have sole responsibility for providing maintenance, repair, operation and replacement of all CE, inside telephone wiring and other Customer equipment and facilities on the Customer's side of the Demarcation Point. Neither Comcast nor its employees, Affiliates, agents or contractors will be liable for any damage, loss, or destruction to CE, unless caused by the gross negligence or willful misconduct of Comcast. CE shall at all times be compatible with the Network as determined by Comcast in its sole discretion. Customer shall be responsible for the payment of service charges for visits by Comcast's employees or agents, at Comcast's then prevailing rates as set forth in the Schedule 70 contract, to a Service Location when the service difficulty or trouble report results from the use of CE or facilities provided by any party other than Comcast.

**2.7 Engineering Review.** Each Sales Order submitted by Customer may be subject to an engineering review. The engineering review will determine whether and to what extent the Network must be extended, built or upgraded ("Custom Installation") in order to provide the ordered Services at the requested Service Location(s). Comcast will provide Customer written notification in the event Service installation at any Service Location will require an additional non-recurring installation fee ("Custom Installation Fee") as established in the Schedule 70 contract. Custom Installation Fees may also be referred to as Construction Charges on a Sales Order or Invoice. Customer will have five (5) days from receipt of such notice to reject the Custom Installation Fee and terminate, without further liability, the Sales Order with respect to the affected Service Location(s). For certain Services, the Engineering Review will be conducted prior to Sales Order submission. In such case, Customer will have accepted the designated Custom Installation Fee upon submission of the applicable Sales Order.

**2.8 Service Acceptance.** Except as may otherwise be identified in the applicable PSA, the Service Commencement Date shall be the date Comcast completes installation and connection of the necessary facilities and equipment to provide the Service at a Service Location.

**2.9 Administrative Website.** Comcast may furnish Customer with one or more user identifications and/or passwords for use on the Administrative Website. Customer shall be responsible for the confidentiality and use of such user identifications and/or passwords and shall immediately notify Comcast if there has been an unauthorized

release, use or other compromise of any user identification or password. In addition, Customer agrees that its authorized users shall keep confidential and not distribute any information or other materials made available by the Administrative Website. Customer shall be solely responsible for all use of the Administrative Website, and Comcast shall be entitled to rely on all Customer uses of and submissions to the Administrative Website as authorized by Customer. Comcast shall not be liable for any loss, cost, expense or other liability arising out of any Customer use of the Administrative Website or any information on the Administrative Website. Comcast may change or discontinue the Administrative Website, or Customer's right to use the Administrative Website, at any time.

### **ARTICLE 3. BILLING AND PAYMENT**

**3.1 Charges.** Customer agrees to pay all charges associated with the Services, as set forth or referenced in the applicable PSA, Sales Order(s) or invoice from Comcast. These charges may include, but are not limited to standard and custom non-recurring installation charges, monthly recurring service charges, usage charges including without limitation charges for the use of Comcast Equipment, per-call charges, pay-per-view charges, charges for service calls, maintenance and repair charges. Some Services such as measured and per-call charges, pay-per-view movies or events, and interactive television (as explained in the applicable PSA) may be invoiced after the Service has been provided to Customer. Except as otherwise indicated herein or in the applicable PSA(s) monthly recurring charges for Ethernet, Video and Internet Services that are identified on a Sales Order shall not increase during the Service Term. Except as otherwise indicated herein or in the Sales Order(s), Voice Service pricing, charges and fees can be found in the applicable PSA.

**3.2 Third-Party Charges.** INTENTIONALLY OMITTED.

**3.3 Payment of Bills.** Except as otherwise indicated herein or in a PSA, Comcast will invoice Customer on a monthly basis for all monthly recurring charges and fees arising under the Agreement. All charges will be billed monthly in arrears, including without limitation certain usage-based charges. Payment will be considered timely made to Comcast if received within thirty (30) days after the invoice date and shall be subject to the Prompt Payment Act.

**3.4 Partial Payment.** Partial payment of any bill will be applied to the Customer's outstanding charges in amounts and proportions solely determined by Comcast. No acceptance of partial payment(s) by Comcast shall constitute a waiver of any rights to collect the full balance owed under the Agreement.

**3.5 Credit Approval and Deposits.** INTENTIONALLY OMITTED.

**3.6 Taxes and Fees.** INTENTIONALLY OMITTED.

**3.7 Other Government-Related Costs and Fees.** INTENTIONALLY OMITTED.

**3.8 Disputed Invoice.** The Parties shall negotiate in good faith and in accordance with the Contract Disputes Act to resolve any billing dispute. Comcast will refund/credit all valid disputes resolved in Customer's favor as of the date the disputed charges first appeared on the Customer's invoice.

**3.9 Past-Due Amounts.** If Customer's account becomes delinquent, the delinquency shall be resolved in accordance with the Prompt Payment Act. Comcast may submit a request for equitable adjustment, and shall have all remedies available pursuant to the Prompt Payment Act and the Contract Disputes Act.

**3.10 Rejected Payments.** In the event that Customer presents any check or other instrument used to pay for the Services that is rejected by the bank or other financial institution, Comcast shall have all remedies available pursuant to the Prompt Payment Act and the Contract Disputes Act.

**3.11 Fraudulent Use of Services.** Customer is responsible for all charges attributable to Customer with respect to the Service(s), as may be determined pursuant to the Contract Disputes Act (if any), even if incurred as the result of fraudulent or unauthorized use of the Service. Comcast may, but is not obligated to, detect or report unauthorized or

fraudulent use of Services to Customer. Comcast reserves the right to restrict, suspend or discontinue providing any Service in the event of fraudulent use of Customer's Service.

**ARTICLE 4. TERM; REVENUE COMMITMENT**

**4.1 Agreement Term.** Upon execution of the Agreement, Customer shall be allowed to submit Sales Orders to Comcast during the term referenced on the Master Service Agreement Cover Page ("MSA Term"). After the expiration of the initial MSA Term, Comcast may continue to accept Sales Orders from Customer under the Agreement, or require the Parties to execute a new agreement. This Agreement shall continue in effect until the expiration or termination date of the last Sales Order entered under the Agreement, unless terminated earlier in accordance with the Agreement.

**4.2 Sales Order Term/Revenue Commitment.** The applicable Service Term and Revenue Commitment (if any) shall be set forth in the Sales Order. Unless otherwise stated in these terms and conditions or the applicable PSA, if a Sales Order does not specify a term of service, the Service Term shall be one (1) year from the Service Commencement Date.

**4.3 Sales Order Renewal.** INTENTIONALLY OMITTED.

**ARTICLE 5. TERMINATION WITHOUT FAULT; DEFAULT**

**5.1 Termination for Convenience.** Notwithstanding any other term or provision in this Agreement, Customer shall have the right, in its sole discretion, to terminate any or all Sales Order(s) at any time during the Service Term(s), upon thirty (30) days prior written notice to Comcast and subject to payment to Comcast of all outstanding amounts due for the Services, and the return of all applicable Comcast Equipment. Comcast may terminate the Agreement if Customer does not take any Service under a Sales Order for twelve (12) consecutive months or longer.

**5.2 Termination for Cause.** INTENTIONALLY OMITTED.

**5.3 Effect of Expiration/Termination of a Sales Order.**

Upon the expiration of a Sales Order by its terms, or termination of a Sales Order in accordance with the Contract Disputes Act, the process by which Comcast will disable the affected circuit(s) and reclaim Comcast's equipment and other personal property shall be as follows:

- A.** Comcast shall disconnect the applicable Service;
- B.** Comcast may delete all applicable data, files, electronic messages, or other information stored on Comcast's servers or systems;
- C.** Customer shall, permit Comcast to retrieve from the applicable Service Location any and all Comcast Equipment. If Customer fails to permit such retrieval or if the retrieved Comcast Equipment has been damaged and/or destroyed other than by Comcast or its agents, normal wear and tear excepted, Comcast may invoice Customer for the manufacturer's list price of the relevant Comcast Equipment, as set forth in the Schedule 70 contract (less any accrued depreciation), or in the event of minor damage to the retrieved Comcast Equipment, the cost of repair, which amounts shall be immediately due and payable; and
- D.** Customer's right to use applicable Licensed Software shall automatically terminate, and Customer shall be obligated to return all Licensed Software to Comcast.
- E.** In the event of a conflict between the Contract Disputes Act and the terms of this provision, the terms of the Contract Disputes Act shall prevail.

**5.4 Resumption of Service.** Subject to the Contract Disputes Act, if a Service has been discontinued by Comcast for cause and Customer requests that the Service be restored, Comcast shall have the discretion to restore such Service and any charges associated with such restoration shall be paid by Customer in accordance with the Act.

**5.5 Regulatory and Legal Changes.** The Parties acknowledge that the respective rights and obligations of each Party as set forth in this Agreement upon its execution are based on applicable law and regulations as they exist on the date of execution of this Agreement. The Parties agree that in the event of any subsequent decision by a legislative, regulatory or judicial body, including any regulatory or judicial order, rule, regulation, decision in any arbitration or other dispute resolution or other legal or regulatory action that materially affects the provisions or ability to provide Services on economic terms of the Agreement, Comcast may, by providing written notice to the Customer, require that the affected provisions of the Agreement be renegotiated in good faith.

**ARTICLE 6. LIMITATION OF LIABILITY; DISCLAIMER OF WARRANTIES; WARNINGS**

**6.1 Limitation of Liability.**

**A. THE AGGREGATE LIABILITY OF COMCAST FOR ANY AND ALL LOSSES, DAMAGES AND CAUSES ARISING OUT OF THE AGREEMENT, INCLUDING, BUT NOT LIMITED TO, THE PERFORMANCE OF SERVICE, AND NOT OTHERWISE LIMITED HEREUNDER, WHETHER IN CONTRACT, TORT, OR OTHERWISE, SHALL NOT EXCEED DIRECT DAMAGES EQUAL TO THE SUM TOTAL OF PAYMENTS MADE BY CUSTOMER TO COMCAST DURING THE THREE (3) MONTHS IMMEDIATELY PRECEDING THE EVENT FOR WHICH DAMAGES ARE CLAIMED. THIS LIMITATION SHALL NOT APPLY TO COMCAST'S INDEMNIFICATION OBLIGATIONS AND CLAIMS FOR DAMAGE TO PROPERTY AND/OR PERSONAL INJURIES (INCLUDING DEATH) ARISING OUT OF THE GROSS NEGLIGENCE OR WILLFUL MISCONDUCT OF COMCAST WHILE ON THE CUSTOMER SERVICE LOCATION.**

**B. NEITHER PARTY SHALL BE LIABLE TO THE OTHER FOR ANY INCIDENTAL, INDIRECT, SPECIAL, COVER, PUNITIVE OR CONSEQUENTIAL DAMAGES, WHETHER OR NOT FORESEEABLE, OF ANY KIND INCLUDING BUT NOT LIMITED TO ANY LOSS REVENUE, LOSS OF USE, LOSS OF BUSINESS, OR LOSS OF PROFIT WHETHER SUCH ALLEGED LIABILITY ARISES IN CONTRACT OR TORT HOWEVER, THAT NOTHING HEREIN IS INTENDED TO LIMIT CUSTOMER'S LIABILITY FOR AMOUNTS OWED FOR THE SERVICES, FOR ANY EQUIPMENT OR SOFTWARE PROVIDED BY COMCAST OR FOR TERMINATION CHARGES.**

**6.2 Disclaimer of Warranties.**

**A. Services shall be provided pursuant to the terms and conditions in the applicable PSA and Service Level Agreement, and are in lieu of all other warranties, express, implied or statutory, including, but not limited to, the implied warranties of merchantability, fitness for a particular purpose, title, and non-infringement. TO THE MAXIMUM EXTENT ALLOWED BY LAW, COMCAST EXPRESSLY DISCLAIMS ALL SUCH EXPRESS, IMPLIED AND STATUTORY WARRANTIES.**

**B. Without limiting the generality of the foregoing, and except as otherwise identified in a PSA or Service Level Agreement, Comcast does not warrant that the Services, Comcast Equipment, or Licensed Software will be uninterrupted, error-free, or free of latency or delay, or that the Services, Comcast Equipment, or Licensed Software will meet customer's requirements, or that the Services, Comcast Equipment, or Licensed Software will prevent unauthorized access by third parties.**

**C. In no event shall Comcast, be liable for any loss, damage or claim arising out of or related to: (i) stored, transmitted, or recorded data, files, or software; (ii) any act or omission of Customer, its users or third parties; (iii) interoperability, interaction or interconnection of the Services with applications, equipment, services or networks provided by Customer or third parties; or (iv) loss or destruction of any Customer hardware, software, files or data resulting from any virus or other harmful feature or from any attempt to remove it. Customer is advised to back up all data, files and software prior to the installation of Service and at regular intervals thereafter.**

**6.3 Disruption of Service.** Notwithstanding the performance standards identified in a PSA, the Services are not fail-safe and are not designed or intended for use in situations requiring fail-safe performance or in which an error or interruption in the Services could lead to severe injury to business, persons, property or environment ("High Risk

Activities"). These High-Risk Activities may include, without limitation, vital business or personal communications, or activities where absolutely accurate data or information is required.

**6.4** Customer's sole and exclusive remedies are expressly set forth in the Agreement. Certain of the above exclusions may not apply if the state in which a Service is provided does not allow the exclusion or limitation of implied warranties or does not allow the limitation or exclusion of incidental or consequential damages. In those states, the liability of Comcast is limited to the maximum extent permitted by law.

## **ARTICLE 7. INDEMNIFICATION**

7.1 **Comcast's Indemnification Obligations.** INTENTIONALLY OMITTED.

7.2 **Customer's Indemnification Obligations.** INTENTIONALLY OMITTED.

7.3 **Indemnification Procedures.** INTENTIONALLY OMITTED.

## **ARTICLE 8. SOFTWARE & SERVICES**

**8.1** **License.** If and to the extent that Customer requires the use of Licensed Software in order to use the Service supplied under any Sales Order, Customer shall have a personal, nonexclusive, nontransferable, and limited license to use such Licensed Software in object code only and solely to the extent necessary to use the applicable Service during the corresponding Service Term. All Licensed Software provided to Customer, and each revised version thereof, is licensed (not sold) to Customer by Comcast only for use in conjunction with the Service. Customer may not claim title to, or an ownership interest in, any Licensed Software (or any derivations or improvements thereto), and Customer shall execute any documentation reasonably required by Comcast, including, without limitation, end-user license agreements for the Licensed Software. Comcast and its suppliers shall retain ownership of the Licensed Software, and no rights are granted to Customer other than a license to use the Licensed Software under the terms expressly set forth in this Agreement.

**8.2** **Restrictions.** Customer agrees that it shall not: (i) copy the Licensed Software (or any upgrades thereto or related written materials) except for emergency back-up purposes or as permitted by the express written consent of Comcast; (ii) reverse engineer, decompile, or disassemble the Licensed Software; (iii) sell, lease, license, or sublicense the Licensed Software; or (iv) create, write, or develop any derivative software or any other software program based on the Licensed Software.

**8.3** **Updates.** Customer acknowledges that the use of Service may periodically require updates and/or changes to certain Licensed Software resident in the Comcast Equipment or CE. If Comcast has agreed to provide updates and changes, such updates and changes may be performed remotely or on-site by Comcast, at Comcast's sole option. Customer hereby consents to, and shall provide free access for, such updates deemed reasonably necessary by Comcast. If Customer fails to agree to such updates, Comcast will be excused from the applicable Service Level Agreement and other performance credits, and any and all liability and indemnification obligations regarding the applicable Service.

**8.4** **Export Law and Regulation.** Customer acknowledges that any products, software, and technical information (including, but not limited to, services and training) provided pursuant to the Agreement may be subject to U.S. export laws and regulations. Customer agrees that it will not use, distribute, transfer, or transmit the products, software, or technical information (even if incorporated into other products) except in compliance with U.S. export regulations. If requested by Comcast, Customer also agrees to sign written assurances and other export-related documents as may be required for Comcast to comply with U.S. export regulations.

**8.5** **Ownership of Telephone Numbers and Addresses.** Customer acknowledges that use of certain Services does not give it any ownership or other rights in any telephone number or Internet/on-line addresses provided, including but not limited to Internet Protocol ("IP") addresses, e-mail addresses and web addresses.

**8.6** **Intellectual Property Rights in the Services.** Title and intellectual property rights to the Services are owned by Comcast, its agents, suppliers or affiliates or their licensors or otherwise by the owners of such material. The copying, redistribution, bundling or publication of the Services, in whole or in part, without express prior written consent from Comcast or other owner of such material, is prohibited.

**1 ARTICLE 9. CONFIDENTIAL INFORMATION AND PRIVACY**

**9.1 Disclosure and Use.** All Confidential Information disclosed by either Party shall be kept by the receiving party in strict confidence and shall not be disclosed to any third party without the disclosing party's express written consent. Notwithstanding the foregoing, such information may be disclosed (i) to the receiving party's employees, affiliates, and agents who have a need to know for the purpose of performing this Agreement, using the Services, rendering the Services, and marketing related products and services (provided that in all cases the receiving party shall take appropriate measures prior to disclosure to its employees, affiliates, and agents to assure against unauthorized use or disclosure); or (ii) as otherwise authorized by this Agreement. Each Party agrees to treat all Confidential Information of the other in the same manner as it treats its own proprietary information, but in no case using a degree of care less than a reasonable degree of care.

**9.2 Exceptions.** Notwithstanding the foregoing, each Party's confidentiality obligations hereunder shall not apply to information that: (i) is already known to the receiving party without a pre-existing restriction as to disclosure; (ii) is or becomes publicly available without fault of the receiving party; (iii) is rightfully obtained by the receiving party from a third party without restriction as to disclosure, or is approved for release by written authorization of the disclosing party; (iv) is developed independently by the receiving party without use of the disclosing party's Confidential Information; or (v) is required to be disclosed by law or regulation.

**9.3 Publicity.** The Agreement provides no right to use any Party's or its affiliates' trademarks, service marks, or trade names, or to otherwise refer to the other Party in any marketing, promotional, or advertising materials or activities. Neither Party shall issue any publication or press release relating to, or otherwise disclose the existence of, the terms and conditions of any contractual relationship between Comcast and Customer, except as permitted by the Agreement or otherwise consented to in writing by the other Party.

**9.4 Passwords.** Comcast may furnish Customer with user identifications and passwords for use in conjunction with certain Services, including, without limitation, for access to certain non-public Comcast website materials. Customer understands and agrees that such information shall be subject to Comcast's access policies and procedures located on Comcast's Web Site.

**9.5 Remedies.** Notwithstanding any other Article of this Agreement, the non-breaching Party shall be entitled to seek equitable relief to protect its interests pursuant to this Article 9, in accordance with the Contract Disputes Act.

**9.6 Monitoring of Services.** Except as otherwise expressly set forth in a PSA, Comcast assumes no obligation to pre-screen or monitor Customer's use of the Service, including without limitation postings and/or transmission. However, Customer acknowledges and agrees that Comcast and its agents shall have the right to pre-screen and monitor such use from time to time and to use and disclose such results to the extent necessary to operate the Service properly, to ensure compliance with applicable use policies, to protect the rights and/or property of Comcast, or in emergencies when physical safety is at issue, and that Comcast may disclose the same to the extent necessary to satisfy any law, regulation, or governmental request. Comcast shall have no liability or responsibility for content received or distributed by Customer or its users through the Service. For the avoidance of doubt, the monitoring of data described in this Section 9.6 refers to aggregate data and types of traffic (protocol, upstream/downstream utilization, etc.). Comcast does not have access to the content of encrypted data transmitted across Comcast networks.

**9.7 Survival of Confidentiality Obligations.** The obligations of confidentiality and limitation of use described in this Article 9 shall survive the expiration and termination of the Agreement for a period of two (2) years (or such longer period as may be required by law).

**ARTICLE 10. USE OF SERVICE; USE AND PRIVACY POLICIES**

**10.1 Prohibited Uses and Comcast Use Policies.** Services shall be subject to Comcast's acceptable use policy attached hereto and incorporated herein by reference.

**10.2 Privacy Policy.** In addition to the provisions of Article 9, Comcast's commercial privacy policy applies to Comcast's handling of Customer confidential information. Comcast's privacy policy is available on the Website.

**10.3 Privacy Note Regarding Information Provided to Third Parties.** Comcast is not responsible for any information provided by Customer to third parties. Such information is not subject to the privacy provisions of this Agreement. Customer assumes all privacy and other risks associated with providing personally identifiable information to third parties via the Services.

**10.4 Prohibition on Resale.** Customer may not sell, resell, sublease, assign, license, sublicense, share, provide, or otherwise utilize in conjunction with a third party (including, without limitation, in any joint venture or as part of any outsourcing activity) the Services or any component thereof.

**10.5 Violation.** Any breach of this Article 10 may be deemed a material breach of this Agreement in accordance with the Contract Disputes Act. In the event of such material breach, Comcast shall have all rights and remedies available to it pursuant to the Act and under this Agreement.

#### **ARTICLE 11. MISCELLANEOUS TERMS**

**11.1 Force Majeure.** Neither Party (and in the case of Comcast, Comcast affiliates and subsidiaries) shall be liable to the other Party for any delay, failure in performance, loss, or damage to the extent caused by force majeure conditions such as acts of God, fire, explosion, power blackout, cable cut, acts of regulatory or governmental agencies, unavailability of right-of-way or materials, or other causes beyond the Party's reasonable control, except that Customer's obligation to pay for Services provided under the Agreement shall not be excused. Changes in economic, business or competitive condition shall not be considered force majeure events.

#### **11.2 Assignment or Transfer. INTENTIONALLY OMITTED.**

**11.3 Notices.** Any notice sent pursuant to the Agreement shall be deemed given and effective when sent by facsimile (confirmed by first-class mail), or when delivered by overnight express or other express delivery service, in each case as follows: (i) with respect to Customer, to the address set forth on any Sales Order; or (ii) with respect to Comcast, to: Vice President/Enterprise Sales, One Comcast Center, 1701 JFK Blvd., Philadelphia, PA 19103, with a copy to Cable Law Department, One Comcast Center, 50<sup>th</sup> Floor, 1701 JFK Blvd., Philadelphia, PA 19103. Each Party shall notify the other Party in writing of any changes in its address listed on any Sales Order.

**11.4 Entire Understanding.** The Agreement, together with any applicable Tariffs, constitutes the entire understanding of the Parties related to the subject matter hereof. The Agreement supersedes all prior agreements, proposals, representations, statements, or understandings, whether written or oral, concerning the Services or the Parties' rights or obligations relating to Services. Any prior representations, promises, inducements, or statements of intent regarding the Services that are not embodied in the Agreement are of no effect. No subsequent agreement among the Parties concerning Service shall be effective or binding unless it is made in writing by authorized representatives of the Parties. Terms or conditions contained in any Sales Order, or restrictive endorsements or other statements on any form of payment, shall be void and of no force or effect.

**11.5 Tariffs.** Notwithstanding anything to the contrary in the Agreement, Comcast may elect or be required to file with regulatory agencies tariffs for certain Services. In such event, the terms set forth in the Agreement may, under applicable law, be superseded by the terms and conditions of the Tariffs. Without limiting the generality of the foregoing, in the event of any inconsistency with respect to rates, the rates and other terms set forth in the applicable Sales Order shall be treated as individual case-based arrangements to the maximum extent permitted by law, and Comcast shall take such steps as are required by law to make the rates and other terms enforceable. If Comcast voluntarily or involuntarily cancels or withdraws a Tariff under which a Service is provided to Customer, the Service will thereafter be provided pursuant to the Agreement and the terms and conditions contained in the Tariff immediately prior to its cancellation or withdrawal. In the event that Comcast is required by a governmental authority to modify a Tariff under which Service is provided to Customer in a manner that is material and adverse to either Party, the affected Party may terminate the applicable Sales Order upon a minimum thirty (30) days' prior written notice to the other Party, without further liability.

**11.6 Construction.** In the event that any portion of the Agreement is held to be invalid or unenforceable, the Parties shall replace the invalid or unenforceable portion with another provision that, as nearly as possible, reflects the original intention of the Parties, and the remainder of the Agreement shall remain in full force and effect.

**11.7 Survival.** The rights and obligations of either Party that by their nature would continue beyond the termination or expiration of a Sales Order shall survive termination or expiration of the Sales Order.

**11.8 Choice of Law.** INTENTIONALLY OMITTED.

**11.9 No Third-Party Beneficiaries.** This Agreement does not expressly or implicitly provide any third party (including users) with any remedy, claim, liability, reimbursement, cause of action, or other right or privilege.

**11.10 Parties' Authority to Contract.** The persons whose signatures appear below are duly authorized to enter into the Agreement on behalf of the Parties name therein.

**11.11 No Waiver; Etc.** No failure by either Party to enforce any right(s) hereunder shall constitute a waiver of such right(s). This Agreement may be executed in counterpart copies.

**11.12 Independent Contractors.** The Parties to this Agreement are independent contractors. Neither Party is an agent, representative, or partner of the other Party. Neither Party shall have any right, power, or authority to enter into any agreement for, or on behalf of, or incur any obligation or liability of, or to otherwise bind, the other Party. This Agreement shall not be interpreted or construed to create an association, agency, joint venture, or partnership between the Parties or to impose any liability attributable to such a relationship upon either Party.

**11.13 Article Headings.** The article headings used herein are for reference only and shall not limit or control any term or provision of this Agreement or the interpretation or construction thereof.

**11.14 Compliance with Laws.** Each of the Parties agrees to comply with all applicable local, state and federal laws and regulations and ordinances in the performance of its respective obligations under this Agreement.

## Appendix 3: Comcast Dedicated Ethernet Services

### **SPECIFIC ATTACHMENT ETHERNET DEDICATED INTERNET SERVICES**

#### **ATTACHMENT IDENTIFIER: Ethernet Dedicated Internet, Version 1.5**

The following additional terms and conditions are applicable to Sales Orders for Comcast's Ethernet Dedicated Internet Service:

#### **DEFINITIONS**

Capitalized terms not otherwise defined herein shall have the meaning ascribed to them in the General Terms and Conditions.

**"Estimated Availability Date"** means the target date for delivery of Service.

**"Interconnection Facilities"** means transmission capacity provided by Comcast, Customer or a third-party supplier to extend the Comcast Equipment from a Comcast terminal to any other location (e.g., a local loop provided by a local exchange company or other communications company).

**"Off-Net"** means geographical locations that are outside of Comcast's service area and/or geographical locations that are within Comcast's service area generally, but are not readily accessible by Comcast Network facilities. All Off-Net Services are provided by third-party service providers.

**"On-Net"** means geographical locations where Comcast currently provides Services through its Comcast Network. On-Net Services may be provisioned over a fiber optic network, or via a hybrid fiber coax network ("HFC Network"), as available through Comcast.

**"Services"** means Ethernet Dedicated Internet Services.

#### **ARTICLE 1. SERVICES**

This attachment shall apply to Ethernet Dedicated Internet Service. A further description of the Service is set forth in Schedule A-1 hereto which is incorporated herein by reference.

#### **ARTICLE 2. PROVIDER**

On-Net Service shall be provided by Comcast Business Communications, LLC.

On-Net Service provided over the HFC Network and Off-Net Services are available in a limited number of markets. For information on service availability, call 866-429-0152.

#### **ARTICLE 3. CUSTOM INSTALLATION FEES**

Once Comcast accepts a Sales Order for Service, Comcast will invoice Customer for all Custom Installation Fee(s). Customer will pay the Customer Installation Fee(s) within thirty (30) days of the invoice date unless a payment schedule is specified in the applicable Service Order.

#### **ARTICLE 4. PROVISIONING INTERVAL**

Following its acceptance of a Sales Order, Comcast shall notify Customer of the Estimated Availability Date applicable to that Sales Order. Comcast shall use commercially reasonable efforts to provision the Service on or before the Estimated Availability Date; provided, however, that Comcast's failure to provision by said date shall not constitute a breach of the Agreement.

#### **ARTICLE 5. SERVICE COMMENCEMENT DATE**

Comcast shall inform Customer when Service is available and performing in accordance with the "Technical Specifications" set forth in Schedule A-1 hereto ("Availability Notification"). Charges for Service shall begin to accrue as of the Service Commencement Date. The Service Commencement Date shall be earliest of: (A) the date on which Customer confirms receipt of and concurrence with the Availability Notification; (B) five (5) business days following the date of the Availability Notification, if Customer fails to notify Comcast that the Service does not comply materially with the specifications set forth in Schedule A-1 hereto; or (C) the date on which Customer first uses the Service.

#### **ARTICLE 6. TERMINATION CHARGES; PORTABILITY; UPGRADES**

**6.1** The charges set forth or referenced in each Sales Order have been extended to Customer in reliance on the Service Term set forth therein. To the extent that a Service Term has not been expressly set forth in a Sales Order, the minimum Service Term for Services is twelve (12) months.

**6.2** **Termination Charges for On-Net Services.**  
INTENTIONALLY OMITTED

**C. Termination Charges for Off-Net Services.**  
INTENTIONALLY OMITTED

**6.3 Exclusions.** INTENTIONALLY OMITTED

**6.4 Portability.** INTENTIONALLY OMITTED

**6.5 Upgrades.** INTENTIONALLY OMITTED

**ARTICLE 7. ADDITIONAL INFORMATION**

As necessary for the interconnection of the Service with services provided by others, Comcast may request (as applicable), and Customer will provide to Comcast, circuit facility assignment information, firm order commitment information, and design layout records necessary to enable Comcast to make the necessary cross-connection between the Service and Customer's other service provider(s). Comcast may charge Customer nonrecurring and monthly recurring cross-connect charges to make such connections.

**ARTICLE 8. TECHNICAL SPECIFICATIONS;  
SERVICE LEVEL AGREEMENT**

The technical specifications applicable to the Service are set forth in Schedule A-1 hereto. The service level agreement applicable to the Service is set forth in a Schedule A-2 hereto.

**COMCAST ENTERPRISE SERVICES  
PRODUCT-SPECIFIC ATTACHMENT ETHERNET  
DEDICATED INTERNET SERVICES**

**SCHEDULE A-2  
SERVICE LEVEL AGREEMENT**

**Ethernet Dedicated Internet Version 1.5**

Comcast’s Ethernet Dedicated Internet Service is backed by the following Service Level Agreement (“SLA”):

**A. Definitions**

Capitalized terms not otherwise defined herein shall have the meaning ascribed to them in the Ethernet Dedicated Internet Services PSA or the General Terms and Conditions.

**“Planned Service Interruption”** means any Service Interruption caused by planned work such as scheduled maintenance or planned enhancements or upgrades to the network.

**“Service Interruption”** means a failure of the Service to meet the specifications set forth in Schedule A-1 to the Product-Specific Attachment for Ethernet Dedicated Internet Services.

**B. EDI Service Level Agreement (SLA)**

Company’s liability for mistakes, errors, omissions, interruptions, delays, outages, or defects in transmission or switching of any Service (individually or collectively, “Liability”), shall be limited to the amounts set forth in the Tables below. The term "Liability" refers to an interruption in transmission that renders the Service unusable due to a total loss of signal for the service or the output signal presented to the customer from Comcast does not conform to the technical specifications in A-1 above. For the purposes of calculating credit for any such Liability, the Liability period begins when the Customer reports to Company an interruption in the portion of the Service, provided that the Liability is reported by Customer during the duration of the Liability, and, a trouble ticket is opened; the Liability shall be deemed resolved upon closing of the same trouble ticket or the termination of the interruption, if sooner, less any time Company is awaiting additional information or premises testing from the Customer. In no event shall the total amount of credit issued to Customer’s account on a per-month basis exceed 50% of the total monthly recurring charge (“MRC”) associated with the impacted portion of the Service set forth in the Sales Order. Service Interruptions will not be aggregated for purposes of determining credit allowances. To qualify, Customer must request the Credit from Comcast within thirty (30) days of the interruption. Customer will not be entitled to any additional credits for Service Interruptions. Comcast shall not be liable for any Liability caused by force majeure events, Planned Service Interruptions or Customer actions, omission or equipment.

**TABLE 1: SLA for On-Net Services provided over a Comcast fiber-optic network**

<b>Length of Service Interruption:</b>	<b>Amount of Credit:</b>
Less than 4 minutes	None
At least 4 minutes but less than 4 hours	5% of Total MRC
At least 4 hours but less than 8 hours	10% of Total MRC
At least 8 hours but less than 12 hours	20% of Total MRC
At least 12 hours but less than 16 hours	30% of Total MRC
At least 16 hours but less than 24 hours	40% of Total MRC
At least 24 hours or greater	50% of Total MRC

**TABLE 2: SLA for On-Net Services provided over the HFC Network**

**Length of Service Interruption:** **Amount of Credit:**

Less than 40 minutes	None
At least 40 minutes but less than 4 hours	5% of Total MRC
At least 4 hours but less than 8 hours	10% of Total MRC
At least 8 hours but less than 12 hours	20% of Total MRC
At least 12 hours but less than 16 hours	30% of Total MRC
At least 16 hours but less than 24 hours	40% of Total MRC
At least 24 hours or greater	50% of Total MRC

**TABLE 3: SLA for Off-Net Services**

**Length of Service Interruption:** **Amount of Credit:**

Less than 20 minutes	None
At least 20 minutes but less than 4 hours	5% of Total MRC
At least 4 hours but less than 8 hours	10% of Total MRC
At least 8 hours but less than 12 hours	20% of Total MRC
At least 12 hours but less than 16 hours	30% of Total MRC
At least 16 hours but less than 24 hours	40% of Total MRC
At least 24 hours or greater	50% of Total MRC

THE TOTAL CREDIT ALLOWANCES PER MONTH IS CAPPED AT 50% OF THAT MONTH’S MRC FOR THE INTERRUPTED PORTIONS OF SERVICE. SEPARATELY OCCURRING SERVICE INTERRUPTIONS ARE NOT AGGREGATED FOR THE PURPOSES OF DETERMINING CREDIT ALLOWANCES.

**Monitoring, Technical Support and Maintenance**

1. **Network Monitoring.** Comcast monitors On-Net Service on a 24x7x365 basis.
2. **Technical Support.** Comcast provides a toll-free trouble reporting telephone number to the Enterprise Technical Support (ETS) center that operates on a 24x7x365 basis. Comcast provides technical support for service-related inquiries. Technical support will not offer consulting or advice on issues relating to CPE or other equipment not provided by Comcast.
  - a. Escalation. Reported troubles are escalated within the Comcast Business Enterprise Technical Support center (“ETS”) to meet the response/restoration interval described below (Response and Restoration Standards). Service issues are escalated within Comcast ETS as follows: to a Supervisor at the end of the applicable time interval plus one (1) hour; to a Manager at the end of the applicable time interval plus two (2) hours, and to a Director at the end of the applicable time interval plus four (4) hours.
  - b. Maintenance. Comcast’s standard maintenance window for On-Net Services is Sunday to Saturday from 12:00am to

6:00am local time. Scheduled maintenance for On-Net Services is performed during the maintenance window and will be coordinated between Comcast and the Customer. Comcast provides a minimum of forty-eight (48) hour notice for non-service impacting scheduled maintenance. Comcast provides a minimum of seven (7) notice for service impacting planned maintenance. Emergency maintenance is performed as needed without advance notice to Customer. Maintenance for Off-Net Services shall be performed in accordance with the applicable third-party service provider rules. Therefore, Off-Net Service may be performed without advance notice to Customer.

3. Comcast provides certain Comcast Equipment for provisioning its services and the delivery of the UNI, which will reside on the Customer-side of the Demarcation Point. Comcast will retain ownership and management responsibility for this Comcast Equipment. This Comcast Equipment must only be used for delivering Services. Customers are required to shape their egress traffic to the Committed Information Rate (“CIR”) identified in the Sales Order. Comcast will be excused from paying SLA credits if the Service Interruption is the result of Customer’s failure to shape their traffic to the contracted CIR or utilizing Comcast Equipment for non-Comcast provided services.

**Response and Restoration Standards**

Comcast has the following response and restoration objectives:

CATEGORY	OBJECTIVE	MEASUREMENT	REMEDIES
<i>Mean Time to Respond Telephonically to Call</i>	15 minutes	Averaged Over A Month	Escalation (see above)
<i>Mean Time to Restore On-Net Comcast Equipment</i>	4 hours	Averaged Over A Month	Escalation (see above)
<i>Mean Time to Restore Off-Net Equipment</i>	6 hours	Averaged Over A Month	Escalation (see above)
<i>Mean Time to Restore On-Net Services</i>	6 hours	Averaged Over A Month	Escalation (see above)
<i>Mean Time to Restore Off-Net Services</i>	9 hours	Averaged Over A Month	Escalation (see above)

If a Service Interruption is found to be the fault of the Customer, its end users, agents, representatives or third-party suppliers, Comcast may submit a request for equitable adjustment under the Contract Disputes Act.

**Emergency Blocking**

The parties agree that if either party hereto, in its reasonable sole discretion, determines that an emergency action is necessary to protect its own network, the party may, after engaging in reasonable and good faith efforts to notify the other party of the need to block, block any transmission path over its network by the other party where transmissions do not meet material standard industry requirements. The parties further agree that none of their respective obligations to one another under the Agreement will be affected by any such blockage except that the party affected by such blockage will be relieved of all obligations to make payments for charges relating to the circuit(s) which is so blocked and that no party will have any obligation to the other party for any claim, judgment or liability resulting from such blockage.

**Remedy Processes**

All claims and rights arising under this Service Level Agreement must be exercised by Customer in writing within thirty (30) days of the event that gave rise to the claim or right. The Customer must submit the following information to the Customer’s Comcast account representative with any and all claims for credit allowances: (a) Organization name; (b) Customer account number; and (c) basis of credit allowance claim (including date and time, if applicable). Comcast will acknowledge and review all claims promptly and will inform the Customer by electronic mail or other correspondence whether a credit allowance will be issued or the claim rejected, with the reasons specified for the rejection.

### **Exceptions to Credit Allowances**

A Service Interruption shall not qualify for the remedies set forth herein if such Service Interruption is related to, associated with, or caused by: scheduled maintenance events; Customer actions or inactions; Customer-provided power or equipment; any third party not contracted through Comcast, including, without limitation, Customer's users, third-party network providers, any power, equipment or services provided by third parties; or an event of force majeure as defined in the Agreement.

### **Other Limitations**

The remedies set forth in this Service Level Agreement shall be Customer's sole and exclusive remedies for any Service Interruption, outage, unavailability, delay, or other degradation, or any Comcast failure to meet the service objectives.

### **C. TMS Service Level Objectives**

Within sixty (60) minutes of receipt of Customer's notification of suspicious internet traffic and Comcast's acceptance of the Sales Order, Comcast shall commence TMS Service. Comcast failure to meet the above requirements shall not constitute a Service Interruption as defined in the Agreement. The SLAs and available credits for EDI Service identified above will not apply during the time period any Comcast-imposed TMS countermeasures are in place.

## Appendix 4: Comcast Enterprise Services Product-Specific Attachment: Ethernet Transport Services

### **ATTACHMENT IDENTIFIER: Ethernet Transport, Version 1.5**

The following additional terms and conditions are applicable to Sales Orders for Comcast's Ethernet Transport Services:

#### **DEFINITIONS**

Capitalized terms not otherwise defined herein shall have the meaning ascribed to them in the General Terms and Conditions.

**"Estimated Availability Date"** means the target date for delivery of Service.

**"Interconnection Facilities"** means transmission capacity provided by Comcast, Customer or a third-party supplier to extend the Comcast Equipment from a Comcast terminal to any other location (e.g., a local loop provided by a local exchange company or other communications company).

**"Off-Net"** means geographical locations that are outside of Comcast's service area and/or geographical locations that are within Comcast's service area generally, but are not readily accessible by Comcast Network facilities. All Off-Net Services are provided by third-party service providers.

**"On-Net"** means geographical locations where Comcast currently provides Services through its Comcast Network. On-Net Services may be provisioned over a fiber optic network, or via a hybrid fiber coax network ("On-Net HFC"), as available through Comcast.

**"Services"** means Ethernet Transport Services.

#### **ARTICLE 1. SERVICES**

This attachment shall apply to Ethernet Transport Services. A further description of these Services is set forth in Schedule A-1 hereto which is incorporated herein by reference.

#### **ARTICLE 2. PROVIDER**

On-Net Service shall be provided by Comcast Business Communications, LLC.

On-Net Service provided over the On-Net HFC and Off-Net Services are available in a number of Comcast markets. For information on service availability, call 866-429-0152.

#### **ARTICLE 3. REGULATORY APPROVAL; TRAFFIC MIX**

Comcast's pricing for Service may be subject to FCC, public service commission or other regulatory approval. Further, Customer represents that its use of Service hereunder will be jurisdictionally interstate. Customer agrees to indemnify and hold Comcast harmless from any claims by third parties resulting from or arising out of Customer's failure to properly represent or certify the jurisdictional nature of its use of Service.

#### **ARTICLE 4. CUSTOM INSTALLATION FEE**

Once Comcast accepts a Sales Order for Service, Comcast will invoice Customer for all Custom Installation Fee(s). Customer will pay the Custom Installation Fee(s) within thirty (30) days of the invoice date unless a payment schedule is specified in the applicable Service Order.

#### **ARTICLE 5. PROVISIONING INTERVAL**

Following its acceptance of a Sales Order, Comcast shall notify Customer of the Estimated Availability Date applicable to that Sales Order. Comcast shall use commercially reasonable efforts to provision the Service on or before the Estimated Availability Date; provided, however, that Comcast's failure to provision by said date shall not constitute a breach of the Agreement.

#### **ARTICLE 6. SERVICE COMMENCEMENT DATE**

Comcast shall inform Customer when Service is available and performing in accordance with the "Performance Standards" set forth in Schedule A-1 hereto ("Availability Notification"). Charges for Service shall begin to accrue as of the Service Commencement Date. The Service Commencement Date shall be earliest of: (A) the date on which Customer confirms receipt of and concurrence with the Availability Notification; (B) five (5) business days following the date of the Availability Notification, if Customer fails to notify Comcast that the Service does not comply materially with the specifications set forth in Schedule A-1 hereto; or (C) the date on which Customer first uses the Service.

#### **ARTICLE 7. PORTABILITY; UPGRADES**

**7.1** The charges set forth or referenced in each Sales Order have been extended to Customer in reliance on the Service Term set forth therein. To the extent that a Service Term has not been expressly set forth in a Sales Order, the minimum Service Term for Services is twelve (12) months.

**7.2** **Termination Charges for On-Net Services.** INTENTIONALLY OMITTED

**7.3** **Exclusions.** INTENTIONALLY OMITTED

**7.4** **Portability.** INTENTIONALLY OMITTED

**7.5** **Upgrades.** Customer may upgrade the speed or capacity of an Existing Service without incurring Termination Charges, provided that (A) the upgraded Service (the "Upgraded Service") must assume the remaining Service Term of the Existing Service; (B) the Upgraded Service must have the same points of termination on Comcast's network as the Existing Service; (C) Customer submits a Sales Order to Comcast for the Upgraded Service and that order is accepted by Comcast; (D) Customer pays Comcast's applicable nonrecurring charges for the upgrade; and (E) Customer agrees to pay the applicable monthly recurring charges for the Upgraded Service commencing with the upgrade. Upgrades to Off-Net Services are subject to the applicable third-party service provider rules and availability. Comcast has no obligation to upgrade Customer's Off-Net Service.

#### **ARTICLE 8. ADDITIONAL INFORMATION**

As necessary for the interconnection of the Service with services provided by others, Comcast may request (as applicable), and Customer will provide to Comcast, circuit facility assignment information, firm order commitment information, and design layout records necessary to enable Comcast to make the necessary cross-connection between the Service and Customer's other service provider(s). Comcast may charge Customer nonrecurring and monthly recurring cross-connect charges to make such connections.

**ARTICLE 9. TECHNICAL SPECIFICATIONS AND PERFORMANCE STANDARDS; SERVICE LEVEL AGREEMENT**

The technical specifications and performance standards applicable to the Service are set forth in Schedule A-1 hereto. The service level agreement applicable to the Service is set forth in a Schedule A-2 hereto.

**COMCAST ENTERPRISE SERVICES  
PRODUCT-SPECIFIC ATTACHMENT  
ETHERNET TRANSPORT SERVICES**

**SCHEDULE A-1  
SERVICE DESCRIPTIONS, TECHNICAL SPECIFICATIONS AND PERFORMANCE STANDARDS  
COMCAST ETHERNET TRANSPORT SERVICES**

**Ethernet Transport Version 1.4**

Comcast's Ethernet Transport Services ("Service(s)") will be provided in accordance with the service descriptions, technical specifications and performance standards set forth below:

**Definitions**

1. Latency. Latency, also known as Frame Delay, is defined as the maximum delay measured for a portion of successfully delivered service frames over a 30-day period.
2. Jitter. Jitter, also known as Frame Delay Variation, is defined as the short-term variations measured for a portion of successfully delivered service frames over a 30-day period.
3. Packet Loss. Packet Loss, also known as Frame Loss, is the difference between the number of service frames transmitted at the ingress UNI and the total number of service frames received at the egress UNI over a 30-day period.

**Service Descriptions**

1. **Ethernet Network Service (ENS)**. ENS enables customers to connect physically distributed locations across a Metropolitan Area Network (MAN) or Wide Area Network (WAN) as if they are on the same Local Area Network (LAN). The service provides VLAN transparency enabling customers to implement their own VLANs without any coordination with Comcast. ENS offers three Classes of Service (CoS), as described below. The service is offered with 10/100Mbps, 1Gbps or 10Gbps Ethernet User-to-Network Interfaces (UNI) and is available in increments starting at 1Mbps. The ENS Service is not available over On-Net HFC.
2. **Ethernet Private Line (EPL)**. EPL service enables customers to connect their Customer Premises Equipment (CPE) using an Ethernet interface. EPL service enables customers to use any VLANs or Ethernet control protocol across the service without coordination with Comcast. EPL service provides one Ethernet Virtual Connection (EVC) between two customer locations. EPL offers three Classes of Service (CoS), as described below. EPL service is offered with 10/100Mbps, 1Gbps, or 10 Gbps Ethernet User-to-Network Interfaces (UNI) and is available in speed increments starting at 1Mbps.
3. **Ethernet Virtual Private Line (EVPL)**. EVPL service provides an Ethernet Virtual Connection (EVC) between two customer locations similar to Ethernet Private Line service but supports the added flexibility to multiplex multiple services (EVCs) on a single UNI at a customer's hub or aggregation site. The service multiplexing capability is not available at sites served by the Comcast On-Net HFC. EVPL offers three Classes of Service (CoS), as described below. CoS options enable customers to select the CoS that best meets their applications' performance requirements. The service is offered with 10/100Mbps, 1Gbps, or 10 Gbps Ethernet User-to-Network Interfaces (UNI) and is available in speed increments starting at 1Mbps.
4. **Off-Net Service Limitations**. The above categories of Service are available as Off-Net Services, with the following limitations:
  - Only available with Basic CoS;

- 10Gbps Ethernet UNIs are not available with Off-Net Services;
- Service multiplexing capability is not available on Off-NetEVPL UNIs;
- When ordering 10/100Mbps Off-Net Ethernet UNIs, speed increments may only be ordered in increments of 10 Mbps, up to a maximum size of 90Mbps; when ordering 1 Gbps Off-Net Ethernet UNIs, speed increments may only be ordered in increments of 100Mbps, up to a maximum size of 900Mbps

**Ethernet Virtual Circuit (EVC) Area Types**

Comcast Ethernet Transport Services are available both within and between certain major metropolitan areas throughout the United States. Each EVC is assigned an EVC Area Type based upon the locations of respective A and Z locations.

- Metro. EVC enables connectivity between customer locations within a Comcast defined Metro.
- Regional. EVC enables connectivity between customer locations that are in different Comcast defined Metro’s, but within Comcast defined geographic Regions.
- Continental. EVC enables connectivity between customer locations that are in different Comcast defined geographic Regions.

**Technical Specifications and Performance Standards for Services**

**1. User-to-Network Interface.** The Services provides the bidirectional, full duplex transmission of Ethernet frames using a standard IEEE 802.3 Ethernet interface. Figure 1 provides a list of available UNI physical interfaces and their available Committed Information Rate (CIR) bandwidth increments and Committed Burst Sizes (CBS). CIR increments of less than 10 Mbps are not available in conjunction with Off-Net Services.

UNI Speed	UNI Physical Interface	CIR Increments	CBS (bytes)
10 Mbps	10BaseT	1 Mbps	25,000
100 Mbps	100BaseT	10 Mbps	250,000
1 Gbps	1000BaseT or 1000BaseSX	100 Mbps	2,500,000
10 Gbps	10GBase-SR or 10GBase-LR	1000 Mbps	25,000,000

Figure 1: Available UNI interface types and CBS values for different CIR Increments

**2. Class of Service (CoS) Options.** As set forth in Figure 2, Comcast Ethernet Transport Services are available with three different classes of service. The CoS options allow for differentiated service performance levels for different types of network traffic. CoS is used to prioritize customer mission-critical traffic from lesser priority traffic in the network. The customer must specify a CIR for each CoS to indicate how much bandwidth should be assigned to each CoS. The performance metrics associated with each CoS are set forth in Attachment A-1.1 to the Product-Specific Attachment for Ethernet Service.

EVC Area Type	On-Net Fiber	On-Net HFC	Off-Net
Metro	Basic, Priority & Premium	Basic & Priority	Basic
Regional	Basic, Priority & Premium	Basic	Basic
Continental	Basic, Priority & Premium	Basic	Basic

Figure 2: Available CoS options by Access Type and EVC Area Type

**3. CoS Identification and Marking.** If a customer only implements a single CoS solution, they are not required to mark their packets using 802.1p CoS values. All packets, tagged or untagged, will be mapped into the subscribed CoS. If a

customer implements a multi-CoS solution or for EVPL ports with service multiplexing, they must mark all packets using C-tag 802.1p CoS values as specified in Figure 3 to ensure the service will provide the intended CoS performance objectives specified in Figure 2. For multi-CoS solutions, untagged packets will be treated as if they are marked with a 0. Packets with other 802.1p values are mapped to the lowest subscribed CoS. In this case, C-tag VLAN ID values are not relevant as long as they are tagged with a VLAN ID in the range 1 to 4094. For EVPL ports with service multiplexing, untagged packets will be discarded and C-tag VLAN ID values are used to map traffic to applicable EVC's.

CoS	802.1p
Premium	5
Priority	2-3
Basic	0-1

Figure 3: CoS Marking

**4. Traffic Management.** Comcast's network traffic-policing policies restrict traffic flows to the subscribed CIR for each service class. If the customer-transmitted bandwidth rate for any CoS exceeds the subscription rate (CIR) and burst size (CBS), Comcast will discard the non-conformant packets. For packets marked with a non-conformant CoS marking, the service will transmit them using the Basic service class without altering the customer's CoS markings. Traffic management policies associated with Off-Net Services will conform to the policies enforced by the third-party service provider.

**5. Maximum Frame Size.** Services delivered On-Net support a Maximum Transmission Unit (MTU) packet size of 1600 bytes to support untagged or 802.1Q tagged packet sizes. Jumbo Frame sizes can be supported on an Individual Case Basis (ICB). For Services delivered On-Net HFC, frame sizes may not exceed 1518 MTU size (1522 with a single VLAN tag). All frames that exceed specifications shall be dropped. For Off-Net Services, MTU may vary by third-party provider.

**6. Customer Traffic Transparency.** All fields within customers Ethernet frames (unicast, multicast and broadcast, except L2CP) from the first bit of payload are preserved and transparently transported over UNI to UNI, as long as they are mapped into the EVC.

**7. Ethernet Service Frame Disposition.** Different types of Ethernet frames are processed differently by the Service. Frames may pass unconditionally through the network or may be limited as in the case of broadcast, unknown unicast and multicast frames to ensure acceptable service performance. Refer to Figure 7 for Comcast's service frame disposition for each service frame type.

Service Frame Type	EPL Frame Delivery	EVPL Frame Delivery	ENS Frame Delivery
Unicast	All frames delivered unconditionally	Frames delivered conditionally	All frames delivered unconditionally
Multicast	All frames delivered unconditionally	Frames delivered conditionally	Frames delivered conditionally
Broadcast	All frames delivered unconditionally	Frames delivered conditionally	Frames delivered conditionally

Figure 7: Service Frame Delivery Disposition

**COMCAST ENTERPRISE SERVICES  
PRODUCT-SPECIFIC ATTACHMENT  
ETHERNET TRANSPORT SERVICES**

**SCHEDULE A-2  
SERVICE LEVEL AGREEMENT**

**Ethernet Transport Version 1.5**

Comcast's Ethernet Transport Services is backed by the following Service Level Agreement ("SLA"):

**Definitions:**

Capitalized terms not otherwise defined herein shall have the meaning ascribed to them in the Ethernet Transport Services PSA or the General Terms and Conditions.

**"Planned Service Interruption"** means any Service Interruption caused by planned work such as scheduled maintenance or planned enhancements or upgrades to the network.

**"Service Interruption"** means a complete loss of signal that renders the Service unusable.

**Service Level Agreement (SLA)**

Company's liability for any Service Interruption (individually or collectively, "Liability"), shall be limited to the amounts set forth in the Tables below. For the purposes of calculating credit for any such Liability, the Liability period begins when the Customer reports to Company an interruption in the portion of the Service, provided that the Liability is reported by Customer during the duration of the Liability, and, a trouble ticket is opened; the Liability shall be deemed resolved upon closing of the same trouble ticket or the termination of the interruption, if sooner, less any time Company is awaiting additional information or premises testing from the Customer. In no event shall the total amount of credit issued to Customer's account on a per-month basis exceed 50% of the total monthly recurring charge ("MRC") associated with the impacted portion of the Service set forth in the Sales Order. Service Interruptions will not be aggregated for purposes of determining credit allowances. To qualify, Customer must request the Credit from Comcast within thirty (30) days of the interruption. Customer will not be entitled to any additional credits for Service Interruptions. Comcast shall not be liable for any Liability caused by force majeure events, Planned Service Interruptions or Customer actions, omission or equipment.

**TABLE 1: SLA for On-Net Services provided over a fiber optic network (99.99% Availability)**

<b>Length of Service Interruption:</b>	<b>Amount of Credit:</b>
Less than 4 minutes	None
At least 4 minutes but less than 4 hours	5% of Total MRC
At least 4 hours but less than 8 hours	10% of Total MRC
At least 8 hours but less than 12 hours	20% of Total MRC
At least 12 hours but less than 16 hours	30% of Total MRC
At least 16 hours but less than 24 hours	40% of Total MRC
At least 24 hours or greater	50% of Total MRC

**TABLE 2: SLA for On-Net Services provided over On-Net HFC (99.9% Availability)**

<b>Length of Service Interruption:</b>	<b>Amount of Credit:</b>
Less than 40 minutes	None
At least 40 minutes but less than 4 hours	5% of Total MRC
At least 4 hours but less than 8 hours	10% of Total MRC
At least 8 hours but less than 12 hours	20% of Total MRC
At least 12 hours but less than 16 hours	30% of Total MRC
At least 16 hours but less than 24 hours	40% of Total MRC
At least 24 hours or greater	50% of Total MRC

**TABLE 3: SLA for Off-Net Services (99.95% Availability)**

<b>Length of Service Interruption:</b>	<b>Amount of Credit:</b>
Less than 20 minutes	None
At least 20 minutes but less than 4 hours	5% of Total MRC
At least 4 hours but less than 8 hours	10% of Total MRC
At least 8 hours but less than 12 hours	20% of Total MRC
At least 12 hours but less than 16 hours	30% of Total MRC
At least 16 hours but less than 24 hours	40% of Total MRC
At least 24 hours or greater	50% of Total MRC

THE TOTAL CREDIT ALLOWANCES PER MONTH IS CAPPED AT 50% OF THAT MONTH'S MRC FOR THE INTERRUPTED PORTIONS OF SERVICE. SEPARATELY OCCURRING SERVICE INTERRUPTIONS ARE NOT AGGREGATED FOR THE PURPOSES OF DETERMINING CREDIT ALLOWANCES.

**On-Net Service Monitoring, Technical Support and Maintenance**

1. **Network Monitoring.** Comcast monitors On-Net Services on a 24x7x365 basis.

2. **Technical Support.** Comcast provides a toll-free trouble reporting telephone number to the Enterprise Technical Support (ETS) center that operates on a 24x7x365 basis. Comcast provides technical support for service-related inquiries. Technical support will not offer consulting or advice on issues relating to CPE or other equipment not provided by Comcast.

- a. Escalation. Reported troubles are escalated within the Comcast Business Services Network Operations Center (BNOC) to meet the response/restoration interval described below (Response and Restoration Standards). Service issues are escalated within the Comcast BNOC as follows: to a Supervisor at the end of the applicable time interval plus one (1) hour; to a Manager at the end of the applicable time interval plus two (2) hours, and to a Director at the end of the applicable time interval plus four (4) hours.
- b. Maintenance. Comcast’s standard maintenance window for On-Net Services is Sunday to Saturday from 12:00am to 6:00am local time. Scheduled maintenance for On-Net Services is performed during the maintenance window and will be coordinated between Comcast and the Customer. Comcast provides a minimum forty-eight (48) hour notice for non-service impacting maintenance. Comcast provides a minimum of seven (7) days’ notice for On-Net Service impacting planned maintenance. Emergency maintenance is performed as needed without advance notice to Customer. Maintenance for Off-Net Services shall be performed in accordance with the applicable third-party service provider rules. Therefore, Off-Net Service may be performed without advance notice to Customer.

3. Comcast provides certain Comcast Equipment for provisioning its services and the delivery of the UNI, which will reside on the Customer-side of the Demarcation Point. Comcast will retain ownership and management responsibility for this Comcast Equipment. This Comcast Equipment must only be used for delivering Services. Customers are required to shape their egress traffic to the Committed Information Rate (“CIR”) identified in the Sales Order. Comcast will be excused from paying SLA credits if the Service Interruption is the result of Customer’s failure to shape their traffic to the contracted CIR or utilizing Comcast Equipment for non-Comcast provided services.

**Performance Standards**

“Performance Standards” are set forth in Schedule A-1 to the Product-Specific Attachment for Ethernet Service.

**Response and Restoration Standards**

Comcast has the following response and restoration objectives:

CATEGORY	TIME INTERVAL	MEASUREMENT	REMEDIES
<i>Mean Time to Respond Telephonically to Call</i>	15 minutes	Averaged Over A Month	Escalation (see above)
<i>Mean Time to Restore On-Net Comcast Equipment</i>	4 hours	Averaged Over A Month	Escalation (see above)
<i>Mean Time to Restore Off-Net Equipment</i>	6 hours	Averaged Over A Month	Escalation (see above)
<i>Mean Time to Restore On-Net Services</i>	6 hours	Averaged Over A Month	Escalation (see above)
<i>Mean Time to Restore Off-Net Services</i>	9 hours	Averaged Over A Month	Escalation (see above)

If a Service Interruption is found to be the fault of the Customer, its end users, agents, representatives or third-party suppliers. Comcast may submit a request for equitable adjustment under the Contract Disputes Act.

### **Emergency Blocking**

The parties agree that if either party hereto, in its reasonable sole discretion, determines that an emergency action is necessary to protect its own network, the party may, after engaging in reasonable and good faith efforts to notify the other party of the need to block, block any transmission path over its network by the other party where transmissions do not meet material standard industry requirements. The parties further agree that none of their respective obligations to one another under the Agreement will be affected by any such blockage except that the party affected by such blockage will be relieved of all obligations to make payments for charges relating to the circuit(s) which is so blocked and that no party will have any obligation to the other party for any claim, judgment or liability resulting from such blockage.

### **Remedy Processes**

All claims and rights arising under this Service Level Agreement are subject to the Contract Disputes Act.

### **Exceptions to Credit Allowances**

A Service Interruption shall not qualify for the remedies set forth herein if such Service Interruption is related to, associated with, or caused by: scheduled maintenance events; Customer actions or inactions; Customer-provided power or equipment; any third party not contracted through Comcast, including, without limitation, Customer's users, third-party network providers, any power, equipment or services provided by third parties; or an event of force majeure as defined in the Agreement.

### **Other Limitations**

The remedies set forth in this Service Level Agreement shall be Customer's sole and exclusive remedies for any Service Interruption, outage, unavailability, delay, or other degradation, or any Comcast failure to meet the service objectives.

**COMCAST ENTERPRISE SERVICES  
PRODUCT-SPECIFIC ATTACHMENT  
ETHERNET TRANSPORT SERVICES**

**Attachment A-1.1  
PERFORMANCE OBJECTIVES  
COMCAST ETHERNET TRANSPORT SERVICES**

**Ethernet Transport Version 1.5**

Comcast Ethernet Transport Services are available both within and between major metropolitan areas throughout the United States. The performance objectives associated with traffic flows between any two customer sites are dependent upon the locations of respective A and Z sites.

**Access Types**

1. **On-Net Access.** If On-Net A and Z sites reside within the same Market, Performance Tier 1 objectives will apply. If the sites are in different markets, another Performance Tier will apply. Applicable Performance Tier will appear on/with respective Comcast Sales Order Form.
2. **Off-Net Access.** In addition to On-Net Access, Comcast enables Off-Net Access to Ethernet Transport Services via multiple third-party providers. The Performance Tier for Off-Net Access is based upon the location of the Off-Net site, the location of the Network to Network Interface (NNI) between Comcast and the third-party provider and the performance commitment from the third-party provider. Comcast will specify applicable Performance Tier on the Comcast Sales Order Form for applicable Off-Net site. Standard Off-Net Access will have an assigned home market and will include the same performance metrics associated with On-Net connectivity within the respective market and between markets. Extended Off-Net Access provides customer with network connectivity, but at a higher performance Tier. Applicable Performance Tier will appear on/with respective Comcast Sales Order Form.

**Performance Tiers**

1. **Performance Measurement**

Comcast collects continuous in-band performance measurements for its Ethernet Transport Services. All latency, Jitter and Packet Loss Performance Metrics are based upon sample one-way measurements taken during a calendar month.

2. **Performance Tier 1 (PT1) Objectives – Within Market**

Performance Metric	Class of Service (CoS)		
	Basic	Priority	Premium
Latency (Network Delay)	45ms	23ms	12ms
Jitter (Network Delay Variation)	20ms	10ms	2ms
Packet Loss	<1%	<0.01%	<0.001%

3. **Performance Tier 2 (PT2) Objectives**

Performance Metric	Class of Service (CoS)		
	Basic	Priority	Premium
Latency (Network Delay)	80ms	45ms	23ms
Jitter (Network Delay Variation)	25ms	15ms	5ms
Packet Loss	<1%	<.02%	<.01%

**4. Performance Tier 3 (PT3) Objectives**

Performance Metric	Class of Service (CoS)		
	Basic	Priority	Premium
Latency (Network Delay)	100ms	80ms	45ms
Jitter (Network Delay Variation)	30ms	20ms	10ms
Packet Loss	<1%	<.04%	<.02%

**5. Performance Tier 4 (PT4) Objectives**

Performance Metric	Class of Service (CoS)		
	Basic	Priority	Premium
Latency (Network Delay)	120ms	100ms	80ms
Jitter (Network Delay Variation)	35ms	25ms	15ms
Packet Loss	<1%	<.05%	<.04%

Appendix 5: Comcast Enterprise Services Product-Specific Attachment: Intrastate Ethernet Transport Services

**ATTACHMENT IDENTIFIER: Intrastate Ethernet Transport, Version 1.12**

The following additional terms and conditions are applicable to Sales Orders for Comcast’s Intrastate Ethernet Transport Services:

**DEFINITIONS**

Capitalized terms not otherwise defined herein shall have the meaning ascribed to them in the General Terms and Conditions.

“**Estimated Availability Date**” means the target date for delivery of Service.

“**Interconnection Facilities**” means transmission capacity provided by Comcast, Customer or a third-party supplier to extend the Comcast Equipment from a Comcast terminal to any other location (e.g., a local loop provided by provided by a local exchange company or other communications company).

“**Service(s)**” means Intrastate Ethernet Transport Service.

**ARTICLE 1. SERVICES**

This attachment shall apply to Intrastate Ethernet Transport Services. A further description of these Services is set forth in Schedule A-1 hereto which is incorporated herein by reference.

**ARTICLE 2. PROVIDER**

Service shall be provided by Comcast Business Communications, LLC; or Comcast Phone, LLC or its applicable affiliates and subsidiaries.

Comcast offers the Service in the following states:

California	Colorado	Connecticut
Florida	Georgia	Illinois
Indiana	Massachusetts	Michigan
Minnesota	New Jersey	Oregon
Pennsylvania	Tennessee	Texas
Utah	Washington	West Virginia
Virginia		

**ARTICLE 3. REGULATORY APPROVAL; TRAFFIC MIX**

Comcast’s pricing for Service may be subject to FCC, public service commission or other regulatory approval. Further, Customer represents that its use of Service

hereunder will be jurisdictionally intrastate. If Customer’s use of the Service now or at any time in the future is jurisdictionally interstate, Customer shall immediately notify Comcast of the same in writing. Further, Comcast reserves the right, in its reasonable sole discretion, to reclassify Customer’s use of Service as jurisdictionally interstate or intrastate, as appropriate. Customer agrees to indemnify and hold Comcast harmless from any claims by third parties resulting from or arising out of Customer’s failure to properly represent or certify the jurisdictional nature of its use of Service.

**ARTICLE 4. CUSTOM INSTALLATION FEE**

Once Comcast accepts a Sales Order for Service, Comcast will invoice Customer for all Custom Installation Fee(s). Customer will pay the Custom Installation Fee(s) within thirty (30) days of the invoice date unless a payment schedule is specified in the applicable Service Order.

**ARTICLE 5. PROVISIONING INTERVAL**

Following its acceptance of a Sales Order, Comcast shall notify Customer of the Estimated Availability Date applicable to that Sales Order. Comcast shall use commercially reasonable efforts to provision the Service on or before the Estimated Availability Date; provided, however, that Comcast’s failure to provision by said date shall not constitute a breach of the Agreement.

**ARTICLE 6. SERVICE COMMENCEMENT DATE**

Comcast shall inform Customer when Service is available and performing in accordance with the “Performance Standards” set forth in Schedule A-1 hereto (“Availability Notification”). Charges for Service shall begin to accrue as of the Service Commencement Date. The Service Commencement Date shall be earliest of: (A) the date on which Customer confirms receipt of and concurrence with the Availability Notification; (B) five (5) business days following the date of the Availability Notification, if Customer fails to notify Comcast that the Service does not comply materially with the specifications set forth in Schedule A-1 hereto; or (C) the date on which Customer first uses the Service.

**ARTICLE 7. TERMINATION CHARGES; PORTABILITY; UPGRADES**

7.1 The charges set forth or referenced in each Sales Order have been extended to Customer in reliance on the Service Term set forth therein. To the extent that a Service Term has not been expressly set forth in a Sales Order, the minimum Service Term for Services is twenty-four (24) months.

7.2 **Termination Charges.** Intentionally Omitted.

7.3 **Exclusions.** Intentionally Omitted.

7.4 **Portability.** Intentionally Omitted.

7.5 **Upgrades.** Intentionally Omitted

#### **ARTICLE 8. ADDITIONAL INFORMATION**

As necessary for the interconnection of the Service with services provided by others, Comcast may request (as applicable), and Customer will provide to Comcast, circuit facility assignment information, firm order commitment information, and design layout records necessary to enable Comcast to make the necessary cross-connection between the Service and Customer's other service provider(s). Comcast may charge Customer nonrecurring and monthly recurring cross-connect charges to make such connections.

#### **ARTICLE 9. TECHNICAL SPECIFICATIONS AND PERFORMANCE STANDARDS; SERVICE LEVEL AGREEMENT**

The technical specifications and performance standards applicable to the Service are set forth in Schedule A-1 hereto. The service level agreement applicable to the Service is set forth in a Schedule A-2 hereto.

PRODUCT-SPECIFIC ATTACHMENT  
INTRASTATE ETHERNET TRANSPORT SERVICES**

**SCHEDULE A-1  
SERVICE DESCRIPTIONS, TECHNICAL SPECIFICATIONS AND PERFORMANCE STANDARDS  
COMCAST INTRASTATE ETHERNET TRANSPORT SERVICES**

**Intrastate Ethernet Transport Version 1.12**

Comcast's Intrastate Ethernet Transport Services ("Service(s)") will be provided in accordance with the service descriptions, technical specifications and performance standards set forth below:

**Definitions**

1. **Latency.** Latency, also known as Frame Delay, is defined as the maximum delay measured for a portion of successfully delivered service frames over a 30-day period.
2. **Jitter.** Jitter, also known as Frame Delay Variation, is defined as the short-term variations measured for a portion of successfully delivered service frames over a 30-day period.
3. **Packet Loss.** Packet Loss, also known as Frame Loss, is the difference between the number of service frames transmitted at the ingress UNI and the total number of service frames received at the egress UNI over a 30-day period.

**Service Descriptions**

1. **Ethernet Network Service (ENS).** ENS enables customers to connect physically distributed locations across a Metropolitan Area Network (MAN) as if they are on the same Local Area Network (LAN). ENS is a reliable, more flexible, scalable, and cost-effective alternative to traditional hub and spoke network topologies using Frame Relay, TDM private lines or IP VPNs. The service provides VLAN transparency enabling customers to implement their own VLANs without any coordination with Comcast. ENS offers three Classes of Service (CoS): Basic, Priority, and Premium. CoS options enable customers to select the CoS that best meets their applications' performance requirements. The service is offered with 10/100Mbps or 1Gbps Ethernet User-to-Network Interfaces (UNI) and is available in increments from 1Mbps to 1Gbps.
2. **Ethernet Private Line (EPL).** EPL is a reliable, flexible, higher bandwidth alternative to traditional TDM private lines. EPL service enables customers to connect their Customer Premises Equipment (CPE) using a lower cost Ethernet interface. EPL service enables customers to use any VLANs or Ethernet control protocol across the service without coordination with Comcast. EPL service provides one Ethernet Virtual Connection (EVC) between two customer locations. EPL offers three Classes of Service (CoS) including: Basic, Priority, and Premium. CoS options enable customers to select the CoS that best meets their applications' performance requirements. EPL service is offered with 10/100Mbps or 1Gbps Ethernet User-to-Network Interfaces (UNI) and is available in speed increments from 1Mbps to 1Gbps.
3. **Ethernet Virtual Private Line (EVPL).** EVPL is a reliable, flexible, higher bandwidth and cost-effective alternative to traditional TDM Ethernets, Frame Relay or ATM Layer 2 VPNs and IP VPNs. EVPL service provides an Ethernet Virtual Connection (EVC) between two customer locations similar to Ethernet Private Line service but supports the added flexibility to multiplex multiple services (EVCs) on a single UNI at a customer's hub or aggregation site. EVPL offers three Classes of Service (CoS) including: Basic, Priority, and Premium. CoS options enable customers to select the CoS that best meets their applications' performance requirements. The service is offered with 10/100Mbps or 1Gbps Ethernet User-to-Network Interfaces (UNI) and is available in speed increments from 1Mbps to 1Gbps.

**Technical Specifications and Performance Standards for Services**

1. **User-to-Network Interface.** The Services provides the bidirectional, full duplex transmission of Ethernet frames using a standard IEEE 802.3 Ethernet interface. Figure 1 provides a list of available UNI physical interfaces and their available Committed Information Rate (CIR) bandwidth increments and Committed Burst Sizes (CBS).

UNI Speed	UNI Physical Interface	CIR Increments	CBS (bytes)
10Mbps	10BaseT	1Mbps	25,000
100Mbps	100BaseT	10Mbps	250,000
1Gbps	1000BaseT or 1000BaseSX	100Mbps	2,500,000

**Figure 1: Available UNI interface types and CBS values for different CIR Increments**

2. **Class of Service Option.** The Service offers three different classes of service. The CoS options allow for differentiated service performance levels for different types of network traffic. It is used to prioritize customer mission-critical traffic from lesser priority traffic in the network. The customer must specify a CIR for each CoS to indicate how much bandwidth should be assigned to each CoS. Figure 2 lists the service performance objectives for each CoS for distances within 250 network miles.

Performance Objective ( ≤ 250 miles )	Class of Service (CoS)		
	Premium	Priority	Basic
Latency (one way)	< 12ms	< 23ms	< 45ms
Jitter (one way)	< 2ms	< 23ms	< 45ms
Packet Loss (one way)	< 0.001%	< 0.01%	< 1%
Availability	> 99.99%	> 99.99%	> 99.99%

**Figure 2: CoS Performance Objectives**

3. **CoS Identification and Marking.** Customer must mark all packets using 802.1p CoS values as specified in Figure 3 to ensure the service will provide the intended CoS performance objectives specified in Figure 2.

CoS	802.1p
Premium	5
Priority	2-3
Basic	0-1

Figure 3: CoS Marking

4. **Traffic Management.** Comcast’s network traffic-policing policies restrict traffic flows to the subscribed CIR for each service class. If the customer-transmitted bandwidth rate for any CoS exceeds the subscription rate (CIR) and burst size (CBS), Comcast will discard the non-conformant packets. For packets marked with a non-conformant CoS marking, the service will transmit them using the Basic service class without altering the customer’s CoS markings.

5. **Maximum Frame Size.** The service supports a Maximum Transmission Unit (MTU) packet size of 1600 bytes to support untagged or 802.1Q tagged packet sizes. Jumbo Frame sizes can be supported on an Individual Case Basis (ICB).

**SCHEDULE A-2  
SERVICE LEVEL AGREEMENT**

**Intrastate Ethernet Transport Version 1.12**

Comcast’s Intrastate Ethernet Transport Services is backed by the following Service Level Agreement (“SLA”):

**Definitions:**

Capitalized terms not otherwise defined herein shall have the meaning ascribed to them in the Intrastate Ethernet Transport Services PSA or the General Terms and Conditions.

“**Planned Service Interruption**” means any Service Interruption caused by planned work such as scheduled maintenance or planned enhancements or upgrades to the network.

“**Service Interruption**” means a failure of the Service to meet the “Performance Standards” set forth in Schedule A-1 to the Product-Specific Attachment for Intrastate Ethernet Transport Services.

**Service Level Agreement (SLA)**

Company’s liability for mistakes, errors, omissions, interruptions, delays, outages, or defects in transmission or switching of any Service (individually or collectively, “Liability”), shall be limited to the amounts set forth in Table 1 below. The term "Liability" refers to an interruption in transmission that renders the Service unusable due to a total loss of signal for the service or the output signal presented to the customer from Comcast does not conform to the technical specifications and performance standards in A-1 above. For the purposes of calculating credit for any such Liability, the Liability period begins when the Customer reports an interruption in the portion of the Service to Company, provided that the Liability is reported by Customer during the duration of the Liability, and, a trouble ticket is opened; the Liability shall be deemed resolved upon closing of the same trouble ticket or the termination of the interruption, if sooner, less any time Comcast is awaiting additional information or premises testing from the Customer. In no event shall the total amount of credit issued to Customer’s account on a per-month basis exceed 50% of the total monthly recurring charge (“MRC”) set forth in the Sales Order. Service Interruptions will not be aggregated for purposes of determining credit allowances. To qualify, Customer must request the Credit from Comcast within thirty (30) days of the interruption. Customer will not be entitled to any additional credits for Service Interruptions. Comcast shall not be liable for any Liability caused by force majeure events, Planned Service Interruptions or Customer actions, omission or equipment.

**TABLE 1**

<b>Length of Service Interruption:</b>	<b>Amount of Credit:</b>
Less than 4 minutes	None
At least 4 minutes but less than 4 hours	5% of Total MRC
At least 4 hours but less than 8 hours	10% of Total MRC
At least 8 hours but less than 12 hours	20% of Total MRC
At least 12 hours but less than 16 hours	30% of Total MRC
At least 16 hours but less than 24 hours	40% of Total MRC
At least 24 hours or greater	50% of Total MRC

THE TOTAL CREDIT ALLOWANCES PER MONTH IS CAPPED AT 50% of THAT MONTH’S MRC

FOR THE INTERRUPTED SERVICE. SERVICE INTERRUPTIONS ARE NOT AGGREGATED FOR THE PURPOSES OF DETERMINING CREDIT ALLOWANCES.

**Monitoring, Technical Support and Maintenance**

1. **Network Monitoring.** Comcast monitors Service on a 24x7x365 basis.
2. **Technical Support.** Comcast provides a toll-free trouble reporting telephone number to the Enterprise Technical Support (“ETS”) center that operates on a 24x7x365 basis. Comcast provides technical support for service-related inquiries. Technical support will not offer consulting or advice on issues relating to CPE or other equipment not provided by Comcast.
  - a. **Escalation.** Reported troubles are escalated within Comcast ETS to meet the response/restoration interval described below (Response and Restoration Standards). Service issues are escalated within Comcast ETS as follows: to a Supervisor at the end of the applicable time interval plus one (1) hour; to a Manager at the end of the applicable time interval plus two (2) hours, and to a Director at the end of the applicable time interval plus four (4) hours.
  - b. **Maintenance.** Comcast’s standard maintenance window is Sunday to Saturday from 12:00am to 6:00am local time. Scheduled maintenance is performed during the maintenance window and will be coordinated between Comcast and the Customer. Comcast provides a minimum of forty-eight (48) hour notice for non-service impacting scheduled maintenance. Comcast provides a minimum of seven (7) days’ notice for service impacting planned maintenance. Emergency maintenance is performed as needed without advance notice to Customer.
3. Comcast provides certain Comcast Equipment for provisioning its services and the delivery of the UNI, which will reside on the Customer-side of the Demarcation Point. Comcast will retain ownership and management responsibility for this Comcast Equipment. This Comcast Equipment must only be used for delivering Services. Customers are required to shape their egress traffic to the Committed Information Rate (“CIR”) identified in the Sales Order. Comcast will be excused from paying SLA credits if the Service Interruption is the result of Customer’s failure to shape their traffic to the contracted CIR or utilizing Comcast Equipment for non-Comcast provided services.

**Performance Standards**

“Performance Standards” are set forth in Schedule A-1 to the Product-Specific Attachment for Intrastate Ethernet Service.

**Response and Restoration Standards**

Comcast has the following response and restoration objectives:

CATEGORY	TIME INTERVAL	MEASUREMENT	REMEDIES
<i>Mean Time to Respond Telephonically to Call</i>	15 minutes	Averaged Over A Month	Escalation (see above)
<i>Mean Time to Restore Equipment</i>	4 hours	Averaged Over A Month	Escalation (see above)
<i>Mean Time to Restore Fiber</i>	6 hours	Averaged Over A Month	Escalation (see above)

Customer shall bear any expense incurred, e.g., dispatch/labor costs, where a Service Interruption is found to be the fault of Customer, its end users, agents, representatives or third-party suppliers.

**Emergency Blocking**

The parties agree that if either party hereto, in its reasonable sole discretion, determines that an emergency action is necessary to protect its own network, the party may, after engaging in reasonable and good faith efforts to notify the other party of the need to block, block any transmission path over its network by the other party where transmissions do not meet material standard industry requirements. The parties further agree that none of their respective obligations to one

another under the Agreement will be affected by any such blockage except that the party affected by such blockage will be relieved of all obligations to make payments for charges relating to the circuit(s) which is so blocked and that no party will have any obligation to the other party for any claim, judgment or liability resulting from such blockage.

**Remedy Processes**

All claims and rights arising under this Service Level Agreement must be exercised by Customer in writing in conformance with the Contract Disputes Act.

**Exceptions to Credit Allowances**

A Service Interruption shall not qualify for the remedies set forth herein if such Service Interruption is related to, associated with, or caused by: scheduled maintenance events; Customer actions or inactions; Customer-provided power or equipment; any third party not contracted through Comcast, including, without limitation, Customer's users, third-party network providers, any power, equipment or services provided by third parties; or an event of force majeure as defined in the Agreement.

**Other Limitations**

The remedies set forth in this Service Level Agreement shall be Customer's sole and exclusive remedies for any Service Interruption, outage, unavailability, delay, or other degradation, or any Comcast failure to meet the service objectives.
